Harriet Cheever,2007-04-01 The Ants of Lord'S Hill Greg Savoy,2011-07-13 Most people on Earth think General Tom Johnson is dead Some days he thinks hes dead also The poor guy certainly had to give up every bit of his life when the President asked him to build a secret city deep under a mountain somewhere in America So nobody was going to fault the overworked General when he broke the rules of secrecy and made contact with a small boy in the outside world a very inquisitive boy named Andrew Ebbitt Living all alone with his mom in a nearby mountain home Andrew was a prime candidate for a secret friendship But it didnt stop there not at all After digging into Toms world for two whole decades Andrew Ebbitt ends up pulling off Earths most heinous and heroic act Until Andrew Ebbitt came along those two words heinous and heroic had never been used to describe a single act by one person Essentially a cookbook for making secret cities this tale reveals the covert sciences and technologies that are held by America today The tale also explains why it wouldnt be good if you knew all this Get ready and prepare some snacks This rides going to be a good one Lord Dolphin Cheever Harriet a (Harriet Anna),2016-06-20 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
