**The Lord is My Shepherd** Irving W. Risch,2017-03-11 There are many good books written about Psalms 23 so why another one I answer why not I believe you cannot have enough of a good thing This Psalm appears the favorite of many Psalm lovers and seeing it has blessed so many why not add one more blessing page margin 0 79in h1 margin bottom 0 08in h1 western font family Liberation Serif serif h1 cjk font family Noto Sans CJK SC Regular font size 24pt h1 ctl font family FreeSans font size 24pt p margin bottom 0 1in line height 120% a link so language zxx There is a bulletin board in a park where people post different things like upcoming events and things people are trying to sell or places for rent Well one day someone wrote in big letters HELP Maybe it was just a joke but again maybe it was a cry for help I guess if there is a reason for me writing this book it would be in case someone is in need of Help Aid in understanding this Psalm or encouragement in their walk with the Lord Help in understanding what God wants for their life Whatever be the case I hope this writing helps you where you need help Let me just set the stage to Psalms 23 before even introducing you to this book The Bible says about King David the author of this Psalm that he was a man after God s own heart With that thought in mind I want you to imagine this great man and king of Israel one night going into his bedchamber maybe even after a great battle and even after a tiring day Before resting his head on the pillow his thoughts are with God the High and Lofty One who inhabits eternity The one who has so many times delivered him from the hands of his enemy The candles are lit the quill is in his hand as he writes the first thoughts on his mind The Lord is my Shepherd And yes David knew what a shepherd was because as a youth he learns the trade well Defending the flock against all the perils delivering them out of the clutch of the lion and bear All this might have been on his mind as he compared His God with the care of a quiet unseen shepherd guarding his flock and maybe looking over him as one cares for a sheep I thought this might be the best way to start with these thoughts If our hearts are like David s heart and it seeks after God I ask you to take a fresh look at what this Psalm is all about Introduction It was in

2002 and 2003 when we had an in depth study in Psalms 23 given by Jerry McMillin at the small chapel I attend This Psalm has only six short verses so that I will cover them in 6 chapters Out of all the Psalms I believe this one is the best known We hear it at many funerals Many have memorized this one including myself The thought might be on your mind how can you get so much out of something so small A chapter for each verse I can answer that by saying that God s Word goes deep and sometimes you have to dig deep to find the precious Gems that the Spirit of God buried deep from those that just look on the surface and pass right by them This book is not replacing this Psalm but It will help you in understanding it Think of it as a flashlight as you go into an underground mine filled with treasures that you might overlook With flashlight in hand let us go in search of these treasures When writing about spiritual things it takes much meditation because it is hard to write about things you can see feel touch smell hear or taste but by comparing all the physical things to spiritual we can start to understand things we cannot see We live in two parallel worlds the physical and spiritual The seen and the unseen We are walking in both simultaneously but sometimes we don t even realize it

**Psalm 23 Bible Study** Betsy Wise,2019-09-09 King David sinned He stepped away from God He hung out in the palace when kings go to battle With idleness as his companion his eyes wander and fixate on a beautiful woman Lust takes over and he must have her as his own the wife of another Then after his folly she announces her pregnancy to David Sexual sin grows into schemes of murder He places Uriah Bathsheba s husband in a battlefront position so he is killed How could this happen How could this same king write the Shepherd Psalm He knew God intimately in his younger years as he tended sheep and followed God s voice to safe harbors But in a moment of passion he exchanged spiritual training for fleeting moments of pleasure Has that happened to you Does Psalm 23 remind you of times when God lovingly nudged you closer to him Do you long for more contentment but take detours away from God Are there muddy streams and broken cisterns you need to sidestep Do you veer from paths of righteousness and long for mountaintop experiences when stationed in life s dales and basins How do you run to God for a reapplication of His soothing presence Psalm 23 Bible Study The Lord As My Shepherd answers these questions You ll discover how to stay clear of danger by remaining in your Shepherd s embrace Author Betsy Wise focuses on Psalm 23 s message line by line to reveal its meaning To be precise that the Shepherd sheep connection is one continuous path of assurance a path God wants to shepherd
