Paradoxical Urbanism Malcolm Miles, 2020-09-05 Modernist urbanism seems progressive even Utopian design for a better world through a democratic and humane built environment But two currents undermine this vision from within an Arcadianism which turns to a rural idyll as retreat from change and the effects of industrialization and an instrumentalism by which the humane vision becomes prescriptive and anti democratic Malcolm Miles argues that these two currents undermine modernism's progressive vision This book examines the roots of modernist urbanism in the seamless self contained systems of Cartesian space and identifies contradictions within modernist urbanism in its instrumentalism and reliance on de politicised professional expertise Miles adroitly reviews the postmodern culture of
