not only to think about ethical conundrums but also makes one sensitive and compassionate When it blends with euphoria and nostalgia the integral parts of human mind it toughens and becomes sturdy Man loves to live in his past memories to be happy The experiences form a part of human personality and shape their behaviour pattern Nostalgia stores for us our memories which we relish lifelong Even the lamentable days of past become pleasant Though we might have ignored some not too pleasant incidents in our bygone days yet somewhat bitter experiences appear to be impressive and attractive It is aptly said that the panorama of mountains appear beautiful and splendid from a distance The bitterness of nearness is intolerable The more we grow in years the more our past recedes Distance from the life lived long ago makes it sweet and desirable Strain and stress of the present becomes frivolous when we slip and relapse into euphoric nostalgia The instincts of euphoria and nostalgia have been vividly handled by the legendary writers of all times They have given various dimensions and definitions to the readers to redeem these human aspects yet many more stones are still unturned These two instincts in the oeuvre of the legendary writer Ruskin Bond are the anchor points that suggest the scope of study I have chosen to put forward the very idea about how a man's body mind and soul blend with traces of his past memories and support the holistic growth Ruskin Bond's World Gulnaz Fatma, 2013-12-01 Ruskin Bond has won the hearts of millions of readers with his
