## **Marcus Crassus And The Late Roman Republic:**

*Marcus Crassus and the Late Roman Republic* Allen Mason Ward, 1977      *Warfare in the Roman Republic* Lee L. Brice, 2014-04-21 This easy to use reference book covers the most important people places events and technologies of Roman warfare during the republic 400 31 BCE providing a wealth of reference material and invaluable primary source documents The study of ancient Rome remains both a high interest topic and a staple of high school and university curricula while recent Hollywood movies continue to heighten popular interest in Rome This multi format handbook examines warfare in ancient Rome during the republic period from approximately 400 BCE to 31 BCE Presenting ready reference primary source documents statistical information and a chronology the title explore all aspects of conflict during this time period including key military leaders pivotal battles and sieges new weapons and technologies and the intersections of warfare and society in the ancient world The reference entries provide detailed snapshots of key people events groups places weapons systems and strategies that enable readers to easily understand the critical issues during 400 years of the Roman Republic while various overview causes and consequences essays offer engaging in depth coverage of the most important wars By providing students with in depth information about how the Roman Army operated they develop a fuller understanding Roman ancient and world history      *Restraint, Conflict, and the Fall of the Roman Republic* Paul Belonick, 2023 *Restraint Conflict and the Fall of the Roman Republic* proposes a new explanation for the collapse of the Roman Republic arguing that the collapse was due not to lost morals but instead to disintegration of consensus around how to apply them      **The Augustan Aristocracy** Ronald Syme, 1989 While the monarchy established by Caesar Augustus attracts assiduous study not enough has been said about the old nobility reascent after years of civil war One clear reason is the nature of the evidence most of it sporadic or recondite To be made intelligible the theme demands constant recourse to better documented periods The exposition has to range backward to the closing age of the Republic and forward to Nero s death In fact the best testimony to the Augustan aristocracy derives from the *Annals* of Tacitus After splendour and success evident notably in the second decade of the reign on which this book is centred the ancient houses went down in the embrace of the dynasty itself from the outset an aristocratic nexus Covering something like a century and a half in the history of Roman families this book may be taken as a supplement no less than sequel to *The Roman Revolution* OUP 1939 and to *Tacitus* OUP 1958      *Cicero's Political Personae* Joanna Kenty, 2020-09-10 Cicero s speeches provide a fascinating window into the political battles and crises of his time In this book Joanna Kenty examines Cicero s persuasive strategies and the subtleties of his Latin prose and shows how he used eight political personae the attacker the grateful friend the martyr the senator the partisan ideologue and others to maximize his political leverage in the latter half of his career These personae were what made his arguments convincing and drew audiences into Cicero s perspective Non specialist and expert readers alike will gain new insight into Cicero s corpus and career as a whole as well as a better appreciation of the context details and nuances of individual passages      *Augustus*

Adrian Goldsworthy, 2014-08-28 The acclaimed historian and author of *Caesar* presents a first rate popular biography of Rome's first emperor written with a storyteller's brio. Washington Post The story of Augustus' life is filled with drama and contradiction: risky gambles and unexpected success. He began as a teenage warlord whose only claim to power was as the grand nephew and heir of the murdered Julius Caesar. Mark Antony dubbed him a boy who owes everything to a name, but he soon outmaneuvered a host of more experienced politicians to become the last man standing in 30 BC. Over the next half century Augustus created a new system of government, the Principate, or rule of an emperor which brought peace and stability to the vast Roman Empire. In this highly anticipated biography Goldsworthy puts his deep knowledge of ancient sources to full use, recounting the events of Augustus' long life in greater detail than ever before. Goldsworthy pins down the man behind the myths: a consummate manipulator, propagandist, and showman, both generous and ruthless. Under Augustus' rule the empire prospered, yet his success was constantly under threat and his life was intensely unpredictable. *Middle East Conflicts from Ancient Egypt to the 21st Century* Spencer C. Tucker, 2019-08-27 With more than 1,100 cross-referenced entries covering every aspect of conflict in the Middle East, this definitive scholarly reference provides readers with a substantial foundation for understanding contemporary history in the most volatile region in the world. This authoritative and comprehensive encyclopedia covers all the key wars, insurgencies, and battles that have occurred in the Middle East, roughly between 3100 BCE and the early decades of the twenty-first century. It also discusses the evolution of military technology and the development and transformation of military tactics and strategy from the ancient world to the present. In addition to the hundreds of entries on major conflicts, military engagements, and diplomatic developments, the book also features entries on key military, political, and religious leaders. Essays on the major empires and nations of the region are included, as are overview essays on the major periods under consideration. The book additionally covers such non-military subjects as diplomacy, national and international politics, religion, and sectarian conflict, cultural phenomena, genocide, international peacekeeping missions, social movements, and the rise to prominence of international terrorism. The reference entries are augmented by a carefully curated documents volume that offers primary sources on such diverse topics as the Greco-Persian Wars, the Crusades, and the Arab-Israeli Wars. *Conflict in Ancient Greece and Rome* Sara Elise Phang, Iain Spence Ph.D., Douglas Kelly Ph.D., Peter Londevy Ph.D., 2016-06-27 The complex role warfare played in ancient Greek and Roman civilizations is examined through coverage of key wars and battles, important leaders, armies, organizations, and weapons, and other noteworthy aspects of conflict. *Conflict in Ancient Greece and Rome: The Definitive Political, Social, and Military Encyclopedia* is an outstandingly comprehensive reference work on its subject. Covering wars, battles, places, individuals, and themes, this thoroughly cross-referenced three-volume set provides essential support to any student or general reader investigating ancient Greek history and conflicts, as well as the social and political institutions of the Roman Republic and Empire. The set covers ancient Greek history from archaic times to the Roman conquest and ancient Roman history from

early Rome to the fall of the Western Roman Empire in 476 CE It features a general foreword prefaces to both sections on Greek history and Roman history and maps and chronologies of events that precede each entry section Each section contains alphabetically ordered articles including ones addressing topics not traditionally considered part of military history such as noncombatants and war and gender followed by cross references to related articles and suggested further reading Also included are glossaries of Greek and Latin terms topically organized bibliographies and selected primary documents in translation

**Plutarch's Unexpected Silences**, 2022-06-13 The act of recording anything is at the same time an act of silencing Choices are made at every step about what to keep and what to discard Examining what Plutarch has left out enriches our understanding of what he has chosen to say and both deepens our knowledge of the literary practices of this influential writer and opens new and fruitful lines of enquiry about Plutarch his work and his world *Ancient Rome* Matthew Dillon, Lynda Garland, 2013-10-28 A companion volume to the highly successful and widely used *Ancient Greece* this Sourcebook is a valuable resource for students at all levels studying ancient Rome Lynda Garland and Matthew Dillon present an extensive range of material from the early Republic to the assassination of Julius Caesar Providing a comprehensive coverage of all important documents pertaining to the Roman Republic *Ancient Rome* includes source material on political developments in the Roman Republic 509-44 BC detailed chapters on social phenomena such as Roman religion slavery and freedmen women and the family and the public face of Rome clear precise translations of documents taken not only from historical sources but also from inscriptions laws and decrees epitaphs graffiti public speeches poetry private letters and drama concise up to date bibliographies and commentaries for each document and chapter a definitive collection of source material on the Roman Republic All students of ancient Rome and classical studies will find this textbook invaluable at all levels of study

*Caesar* Adrian Goldsworthy, 2006-01-01 The first major biography in decades examines the full complexity of Julius Caesar's character in an incisive portrait that shows why his political and military leadership continues to resonate two thousand years following his death

**Rome and Persia** Adrian Goldsworthy, 2023-09-05 A magnificent Spectator history of the epic rivalry between the ancient world's two great superpowers The Roman empire was like no other Stretching from the north of Britain to the Sahara and from the Atlantic coast to the Euphrates it imposed peace and prosperity on an unprecedented scale Its only true rival lay in the east where the Parthian and then Persian empires ruled over great cities and the trade routes to mysterious lands beyond This was the region Alexander the Great had swept through creating a dream of glory and conquest that tantalized Greeks and Romans alike Tracing seven centuries of conflict between Rome and Persia historian Adrian Goldsworthy shows how these two great powers evolved together Despite their endless clashes trade between the empires enriched them both and a mutual respect prevented both Rome and Persia from permanently destroying the other Epic in scope *Rome and Persia* completely reshapes our understanding of one of the greatest rivalries of world history

Pompey the Great Robin Seager, 2008-04-15 *Pompey the Great* gives readers a look

inside the political and military world of ancient Rome and at one of the characters that shaped its destiny **All Things Julius Caesar** Michael Lovano, 2014-12-02 Julius Caesar's life and example have fascinated and motivated generations of people for nearly 2 000 years This book explores the people places events and institutions that helped define arguably the most famous individual in the history of Rome Far from being ancient history Roman history and culture from the time of Julius Caesar and the Roman Empire have surprising parallels with the political strife and societal issues in 21st century life Interest and awareness have also been bolstered by recent successful Hollywood films as well as television series that depict Roman history All Things Julius Caesar An Encyclopedia of Caesar's World and Legacy provides a unique reference on topics and themes related to the life and times of Julius Caesar It offers historically accurate information about what he did and did not do and examines his impact on later eras via images and idealized depictions of him popularized in literature and other media up to the present The approximately 200 entries in this two volume set are organized alphabetically according to topic or theme for example individuals such as Marc Antony places such as the province of Gaul events such as Roman elections or battles in the Civil War and institutions such as Roman classes slavery patrons and clients The entries cover all the territories of the Roman Empire during Caesar's time from Britain to Egypt The set includes primary documents such as excerpts from ancient letters essays and biographies and supplements the text with images and maps The bibliography provides print and electronic resources suitable for high school and college student research as well as further reading for general audiences

**Cicero on the Attack** Joan Booth, 2007-12-31 Eight new essays from a distinguished international cast examine the techniques of Cicero's verbal aggression Analysis includes political and forensic context but also Cicero's own formal theory of rhetoric and his debts to other genres literary and dramatic **Ceremony and Power** Geoffrey Sumi, 2015-11-06

Analyzes the relationship between political power and public ceremonial in the period between Julius Caesar and the first emperor Augustus **Power and Public Finance at Rome, 264-49 BCE** James Tan, 2017-02-08 Rome's wars delivered great wealth to the conquerors but how did this affect politics and society on the home front In **Power and Public Finance at Rome** James Tan offers the first examination of the Roman Republic from the perspective of fiscal sociology and makes the case that no understanding of Roman history is complete without an appreciation of the role of economics in defining political interactions Examining how imperial profits were distributed Tan explores how imperial riches turned Roman public life on its head Rome's lofty aristocrats had traditionally been constrained by their dependence on taxpayer money They relied on the state to fund wars and the state in turn relied on citizens taxes to fuel the war machine This fiscal chain bound the elite to taxpayer consent but as the spoils of Empire flooded into Rome leaders found that they could fund any policy they chose without relying on the support of the citizens who funded them The influx of wealth meant that taxation at home was ended and citizens promptly lost what bargaining power they had enjoyed as a result of the state's reliance on their fiscal contributions With their dependence on the taxpayers loosened Rome's aristocratic leaders were free to craft a fiscal system

which prioritized the enrichment of their own private estates and which devoted precious few resources to the provision of public goods In six chapters on the nature of Rome's imperialist enrichment on politics during the Punic Wars and on the all important tribunes of the Gracchi Tan offers new conceptions of Roman state creation fiscal history civic participation aristocratic pre eminence and the eventual transition to autocracy

**Institutions and Ideology in Republican Rome** Henriette van der Blom,Christa Gray,Catherine Steel,2018-05-17 This volume brings together a distinguished international group of researchers to explore public speech in Republican Rome in its institutional and ideological contexts The focus throughout is on the interaction between argument speaker delivery and action The chapters consider how speeches acted alongside other factors such as the identity of the speaker his alliances the deployment of invective against opponents physical location and appearance of other members of the audience and non rhetorical threats or incentives to affect the beliefs and behaviour of the audience Together they offer a range of approaches to these issues and bring attention back to the content of public speech in Republican Rome as well as its form and occurrence The book will be of interest not only to ancient historians but also to those working on ancient oratory and to historians and political theorists working on public speech

**Warlords of Republican Rome** Dr Nic Fields,2008-10-16 The war between Caesar and Pompey was one of the defining moments in Roman history The clash between these great generals gripped the attention of their contemporaries and it has fascinated historians ever since These powerful men were among the dominant personalities of their age and their struggle for supremacy divided Rome In this original and perceptive study Nic Fields explores the complex often brutal world of Roman politics and the lethal rivalry of Caesar and Pompey that grew out of it He reconsiders them as individuals and politicians and above all as soldiers His highly readable account of this contest for power gives a vivid insight into the rise and fall of two of the greatest warlords of the ancient world

**Roman Soldier vs Parthian Warrior** Si Sheppard,2020-07-23 In 53 BC Roman and Parthian forces collided in a confrontation that would reshape the geopolitical map and establish a frontier between East and West that would endure for the next 700 years From the initial clash at Carrhae through to the battle of Nisibis more than 250 years later Roman and Parthian forces fought a series of bloody campaigns for mastery of the Fertile Crescent As Roman forces thrust ever deeper into the East they encountered a civilization unlike any they had crossed swords with before Originating in the steppes of Central Asia the Parthians ruled a federated state stretching from the Euphrates to the Indus Although Rome's legions were masters of the battlefield in the Mediterranean the Parthians refused to fight by the rules as Rome understood them Harnessing the power of the composite bow and their superior manoeuvrability the Parthians mode of warfare focused exclusively on the horse They inflicted a bloody defeat on the legions at Carrhae and launched their own invasion of Roman territory countered only with great difficulty by Rome's surviving forces The Parthians were eventually thrown out but neither side could sustain a permanent ascendancy over the other and the conflict continued Packed with stunning artwork including battlescenes maps and

photographs this title examines the conflict through the lens of three key battles revealing a clash between two armies alien to each other not only in culture but also in their radical approaches to warfare

Recognizing the pretension ways to get this book **Marcus Crassus And The Late Roman Republic** is additionally useful. You have remained in right site to start getting this info. acquire the Marcus Crassus And The Late Roman Republic member that we provide here and check out the link.

You could purchase lead Marcus Crassus And The Late Roman Republic or acquire it as soon as feasible. You could quickly download this Marcus Crassus And The Late Roman Republic after getting deal.
