Shades of Gray Molly Littlewood

McKibbin,2018-01-01 In *Shades of Gray* Molly Littlewood McKibbin offers a social and literary history of multiracialism in the twentieth century United States She examines the African American and white racial binary in contemporary multiracial literature to reveal the tensions and struggles of multiracialism in American life through individual consciousness social perceptions societal expectations and subjective struggles with multiracial identity McKibbin weaves a rich sociohistorical tapestry around the critically acclaimed works of Danzy Senna *Caucasia* 1998 Rebecca Walker *Black White and Jewish* Autobiography of a Shifting Self 2001 Emily Raboteau *The Professor's Daughter* 2005 Rachel M Harper *Brass Ankle Blues* 2006 and Heidi Durrow *The Girl Who Fell from the Sky* 2010 Taking into account the social history of racial classification and the literary history of depicting mixed race she argues that these writers are producing new representations of multiracial identity *Shades of Gray* examines the current opportunity to define racial identity after the civil rights black power and multiracial movements of the late twentieth century changed the sociopolitical climate of the United States and helped revolutionize the racial consciousness of the nation McKibbin makes the case that twenty first century literature is able to represent multiracial identities for the first time in ways that do not adhere to the dichotomous conceptions of race that have until now determined how racial identities could be expressed in the United States

SUMMARY - The Medici Effect: What Elephants And Epidemics Can Teach Us About Innovation By Frans Johansson Shortcut Edition,2021-06-10 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes As you read this summary you will discover that the best ideas are born at the crossroads of worlds because curiosity and diversity are the keys to creativity and therefore to innovation You will also discover that it is by aiming at the Intersection that you experience the Medici effect and that ideas explode finding great ideas only requires bringing novelty and diversity into your life and your business everyone is capable of innovating even in a seemingly unrelated field to innovate you don't have to be afraid of failure because it allows you to improve Through numerous examples from all over the world and from a wide variety of fields Frans Johansson demonstrates how much and how the mixture of cultures can give rise to great ideas According to him everyone has access to a wonderful space the Intersection where ideas from all walks of life come together This is where the Medici Effect is declared the one that inspired the intellectuals and artists of the Renaissance brought together by the famous Italian family Whether you are an entrepreneur artist philanthropist or researcher you can bring great ideas to life by following the advice in this summary Buy now the summary of this book for the modest price of a cup of coffee

A Murder Among Friends Jennifer Lewis Williams,2013-04-01 Everyone is shocked when Catherine a pregnant surrogate goes missing from the gay couple whose child she was carrying to her estranged sister Eva Sue to her college friend Marcus Agaston now a Dallas reporter When Catherine's body appears on the shoreline of Lake Ray Hubbard seven days later Marcus vows to find the killer However Marcus has a dark past one that his husband Sam a successful lawyer

knows nothing about And the more clues Marcus uncovers about the killer s identity the more connections he discovers between a history he d rather forget and Catherine s mysterious murder Someone will stop at nothing to keep their secrets buried and as Marcus gets closer to finding the killer a shocking revelation proves you can t trust anyone **Everything Has Two Handles** Ronald Pies,2008-03-24 In the course of this compact and insightful work Dr Ronald Pies tells us a little about what happiness is and a lot about how to achieve it The first chapter begins with a reminder from the great Roman emperor Marcus Aurelius that things do not touch the soul This explains Pies is the keystone in the arch of Stoic philosophy In a sense then the rest of the book is an extended meditation on how we might avoid letting things touch our souls too much But it is much more than simply a meditation From here Pies goes on to offer readers a well researched often witty explanation of how Stoic philosophy as it resonates not only with Christian and Judaic but also with Buddhist and Hindu worldviews can guide and improve their lives In the process he draws on his own considerable clinical experience to offer composite case vignettes both positive and negative that illustrate the principles he is discussing **Quantum Entanglement** Liesel K. Hill,2014-01-05 Watching the gradual enslavement of humanity in fast motion isn t Maggie s idea of an adventure Five months after events on a Pacific island Maggie waits for Marcus and the team to return The people who finally show up to collect her aren t who she expected Maggie yearns to return to Marcus and help the team bring down the collectives A snake woman who can somehow cancel Maggie s powers an injured Traveler and the complications of leap frogging through decades of civil unrest conspire to stop her In other times and places the collectives coalesce power shifts and the one called B puts sinister plans into action Maggie must outsmart him long enough to return to Interchron or her individuality perhaps her very identity will be ripped away Again Stand out or fade away A dystopian saga where the romance the action and the stakes are pushed exponentially higher The action grabs you right from the beginning and refuses to let you go The Cozy Dragon *Growing Up Jewish in America* Myrna Frommer,Harvey Frommer,1999-10-01 Brings together the childhood memories of a hundred men and women young and old who reflect on family life interaction with the gentile world and the meaning of peace
