Noble Truths that life contains suffering that we can discover the causes of suffering and that we can stop suffering by following the Eightfold Path described by the Buddha In this book Austen fans or those who wish for a deeper understanding of how stories can alleviate suffering will discover a combination of psychology and Buddhism alongside accessible close readings of Austen This unique approach offers insight into Austen's enduring popularity and lessons we might apply to our own lives to find happiness just like Austen's heroines Metropolis Thea von Harbou, Thea Von Harbou, 2003-07-23 Bring The Classics To Life These novels have been adapted into 10 short chapters that will excite the reluctant reader as well as the enthusiastic one Key words are defined and used in context Multiple choice questions require the student to recall specific details sequence the events draw inferences from story context develop another name for the chapter and choose the main idea Let the Classics introduce Kipling Stevenson and H G Wells Your students will embrace the notion of Crusoe's lonely reflections the psychological reactions of a Civil War soldier at Chancellorsville and the tragedy of the Jacobite Cause in 18th Century Scotland In our society knowledge of these Classics is a cultural necessity Improves fluency vocabulary and comprehension *Reforming Men and Women* Bruce Dorsey, 2006 Before the Civil War the public lives of American men and women intersected most frequently in the arena of religious activism Bruce Dorsey broadens the field of gender studies incorporating an analysis of masculinity into the history of early American religion and reform His is a holistic account that reveals the contested meanings of manhood and womanhood among antebellum Americans both black and white middle class and working class Urban poverty drink slavery and Irish Catholic immigration for each of these social problems that engrossed Northern reformers Dorsey examines the often competing views held by male and female activists and shows how their perspectives were further complicated by differences in class race and generation His primary focus is Philadelphia birthplace of nearly every kind of benevolent and reform society and emblematic of changes occurring throughout the North With an especially rich history of African American activism the city is ideal for Dorsey's exploration of race and reform Combining stories of both ordinary individuals and major reformers with an insightful analysis of contemporary songs plays fiction and polemics Dorsey exposes the ways race class and ethnicity influenced the meanings of manhood and womanhood in nineteenth century America By linking his gendered history of religious activism with the transformations characterizing antebellum society he contributes to a larger quest to engender all of American history *Literature and Citizenship in the Age of Revolution* Mitchell Gauvin, 2024-09-11 Citizenship is at the forefront of popular imagination as political movements and state governments around the world traffic in anti immigrant rhetoric and call for increased policing of borders Literature and Citizenship in the Age of Revolution A Wish for Air and Liberty looks back to a critical historical juncture in the development of citizenship to uncover how literature contoured and contested imaginings of citizenship While territory and the nation state often frame our understanding of citizenship this book focuses on how non citizens foreigners and strangers have long been central to citizenship's coherence Rather than rootedness literary texts exposed the circulations of

persons ideas and affections at the heart of citizenship This book brings together an unlikely combination of writers Olaudah Equiano Jane Austen Mary Shelley and Herman Melville to show how literature in the Age of Revolution exposed contradictions in notions of liberty and slavery that impacted how citizenship was conceived and practiced **Dark Romance** David J. Hogan,2010-06-21 The darkly handsome man gazes deeply into her eyes She finds him irresistible wants to experience the passion of the moment He grins the movie audience can see his lengthened lateral incisors and bends to her neck The eroticism is horrible and compelling Audiences are drawn to horror cinema much as the surrendering victim Afraid to watch but more afraid something will be missed Since the horror film is the most primal of all movie genres seldom censored these films tell us what we are about From the silent era to the present day Dark Romance explores horror cinema s preoccupation with sexuality vampires beauty and the beast victimization of women slasher films and more Separate chapters focus upon individuals like Alfred Hitchcock and Barbara Steele Entertaining and thought provoking on the sexual fears and phobias of our society The Dusty Bookcase Brian Busby,2017-08-15 Largely drawn from his columns for Canadian Notes Queries and entries in his popular blog by the same name Brian Busby s The Dusty Bookcase explores the fascinating world of Canada s lesser known literary efforts works that suffered censorship critical neglect or brilliant yet fleeting notoriety These rare and quirky totems of Canadiana collected over the last three decades form a travel diary of sorts yet one without maps Covering more than 250 books peppered with observations on the writing and publishing scenes Busby s work explores our cultural past questioning why certain works are celebrated and others ignored Brilliantly illustrated with covers and ephemera related to the titles discussed The Dusty Bookcase draws much needed attention to unknown writing worthy of our attention and some of our acclaim *Joyless Streets* Patrice Petro,1989-03-21 Patrice Petro challenges the conventional assessment of German film history which sees classical films as responding solely to male anxieties and fears Exploring the address made to women in melodramatic films and in popular illustrated magazines she shows how Weimar Germany had a commercially viable female audience fascinated with looking at images that called traditional representations of gender into question Interdisciplinary in her approach Petro interweaves archival research with recent theoretical debates to offer not merely another view of the Weimar cinema but also another way of looking at Weimar film culture Women s modernity she suggests was not the same as men s modernism and the image of the city street in film and photojournalism reveals how women responded differently from men to the political economic and psychic upheaval of their times
