

The image is a composite. The upper portion shows the face of the Virgin Mary from Michelangelo's 'The Creation of Adam' painting, looking down with a serene expression. The lower portion shows a view of the Earth from space, with the horizon line and a bright light source creating a lens flare effect. The text is overlaid on the lower half of the image.

Marian Apparitions 20th Century:

Our Lady of the Nations Chris Maunder, 2016 Our Lady of the Nations is a detailed and scholarly overview of the apparitions of Mary in 20th century Catholic Europe Chris Maunder discusses apparitions in general and how they are interpreted in Catholicism by for example Karl Rahner and Benedict XVI The role of women and children as visionaries is considered including issues concerning changing views of gender children's spirituality and the protection of minors He covers cases that are well known and approved by the Church Fatima Beauraing Banneux and Amsterdam others that are well known but not approved such as Garabandal and Medjugorje and many that are neither well known nor approved such as those in Belgian Flanders or Nazi Germany in the 1930s or in France Italy or Germany after the Second World War Resources include academic studies of particular apparitions some Catholic theological and devotional literature and occasionally travel writing There is also coverage of material in French which is not known to the English reader Shrines and visionaries are believed to be indicators of the presence of Mary In the visionary perspective she has appeared in order to reassure her followers and to warn of divine judgement Her messages echo doctrinal Catholic Mariology with some innovations but also express a deep dissatisfaction with the events and trends of the 20th century from communism to Nazism to liberalism and religious indifference While the Marian cult evolves according to new templates for apparitions and developments in Mariology the fundamental message of presence consolation and admonition remains constant **Marian Apparitions Today** Edward Dennis O'Connor, 1996-05 **Current Trends in the Historiography of Inquisitions** Autori Vari, 2023-12-13T15:58:00+01:00 This volume launches the book series of Inquire International Centre for Research on Inquisitions of the University of Bologna a research network that engages with the history of religious justice from the 13th to the 20th century This first publication offers twenty chapters that take stock of the current historiography on medieval and early modern Inquisitions the Spanish Portuguese and Roman Inquisitions and their modern continuations Through the analysis of specific questions related to religious repression in Europe and the Iberian colonial territories extending from the Middle Ages to today the contributions here examine the history of the perception of tribunals and the most recent historiographical trends New research perspectives thus emerge on a subject that continues to intrigue those interested in the practices of justice and censorship the history of religious dissent and the genesis of intolerance in the Western world and beyond **Our Lady of the Rock** Lisa M. Bitel, 2015-08-25 For more than twenty years Maria Paula Acu has claimed to see the Virgin Mary once a month at a place called Our Lady of the Rock in the Mojave Desert of California Hundreds of men women and children follow her into the desert to watch her see what they cannot While she sees and speaks with the Virgin onlookers search the skies for signs from heaven snapping photographs of the sun and sky Not all of them are convinced that Maria Paula can see the Virgin yet at each vision event they watch for subtle clues to Mary's presence such as the unexpected scent of roses or a cloud in the shape of an angel The visionary depends on her audience to witness and

authenticate her visions while observers rely on Maria Paula and the Virgin to create a sacred space and moment where they too can experience firsthand one of the oldest and most fundamental promises of Christianity direct contact with the divine Together visionary and witnesses negotiate and enact their monthly liturgy of revelations Our Lady of the Rock which features text by Lisa M Bitel and more than sixty photographs by Matt Gainer shows readers what happens in the Mojave Desert each month and tells us how two thousand years of Christian revelatory tradition prepared Maria Paula and her followers to meet in the desert Based on six years of observation and interviews chapters analyze the rituals iconographies and physical environment of Our Lady of the Rock Bitel and Gainer also provide vivid portraits of the pilgrims who they are where they come from and how they practice the traditional Christian discernment of spirits and visions Our Lady of the Rock follows three pilgrims as they return home with relics and proofs of visions where out of Maria Paula s sight they too have learned to see the Virgin The book also documents the public response from the Catholic Church and popular news media to Maria Paula and other contemporary visionaries Throughout Our Lady of the Rock locates Maria Paula and her followers in the context of recent demographic and cultural shifts in the American Southwest the astonishing increase in reported apparitions and miracles from around the world the latest developments in communications and visual technologies and the never ending debate among academics faith leaders scientists and citizen observers about sight perception reason and belief

Esoteric Catholicism / Esoterischer Katholizismus Viktoria Vitanova-Kerber, Helmut Zander, 2025-05-06 Catholicism and esotericism seem to have hostile relations but in fact the opposite is true In both traditions we find stigmata revelations visions magic spiritualistic contacts We explore which are the theological and sociological concepts which make this possible The porous transfer zone between orthodox theology and heretical ideas is central For example the legitimating structure of scripture and tradition allowed for the integration of religious practices that did not originate in Christianity or justified revelations apart from the Bible This kept groups within the church which in Protestantism were often eparated and thus hardly noticed by researchers This means for religious studies to revise the strongly Protestant boundary work to determine the demarcation lines of a Christian orthodoxy and thereby to redefine the role of spiritualistic theologies Catholicism is characterized here by a border landscape in which esoteric ideas were flexibly adapted and in which one often renounced the definition of a precise eliminatory boundary line

The Fatima Prophecies Thomas W. Petrisko, 2011-05-28 I was overwhelmed and reinvigorated by this fantastic journal and the emerging revelations about our Heavenly Father With this historical book Marys armies now have a most timely and powerful weapon for evangelization as the Triumph of her Immaculate Heart approaches Bud MacFarlane Sr M I World renowned expert on apparitions and mystical phenomena Afterglow NJ Once more Thomas Petrisko presents us with an array of prophecies that indicate the tumult of our time and the hidden role of the Virgin Michael Brown author *The Final Hour* and *The Last Secret* Latham NY Panoramic in scope and profound in content this work shows how all the major Marian apparitions point like compass needles to Fatima as their goal and crown Fr Richard Foley S J author and EWTN commentator London England

Encyclopedia of Sacred Places Norbert C. Brockman, 2011-09-13 Now thoroughly revised and updated this encyclopedia documents the diversity of shrines temples holy places and pilgrimage sites sacred to the world s major religious traditions and illustrates their elemental place in human culture As interest increases in the role of world religions in history and international affairs the new edition of

Encyclopedia of Sacred Places which arrives 15 years after the publication of the original edition provides new and updated information on site specific religious practice and spiritually significant locations around the globe While many of the entries describe specific places like the Erawan Shrine and the Rock of Cashel others examine types of sacred sites pilgrimages and practices With articles that describe both the places and their associated traditions and history this reference book reveals the enormous diversity and cultural significance of religious practice worldwide For students and teachers of classes ranging from high school geography to university level courses in religious studies geography anthropology and sociology this book provides essential reference on places of great significance to the world s various faith traditions **Fatima's Third Secret**

Explained Thomas W. Petrisko,2001 This book seeks to explain in reader friendly terms the controversial Third Secret of Fatima as released by the Catholic Church on June 26 2000 Included in this work is the commentary written by Cardinal Ratzinger and titled The Message of Fatima Discover the increasingly important role private revelation plays in the lives of Christians worldwide *Psychohistory in Psychology of Religion* ,2021-11-22 Psychology of religion is one of the rare fields in psychology where an interdisciplinary approach has been preserved Psychohistory especially understood as the systematic application of psychological knowledge in explorations of the past has enjoyed substantial attention Traditionally the emphasis in such studies has been on biographical research This volume attempts to broaden the horizon and to include studies of phenomena as well on a group or subcultural level The volume contains chapters on such subjects as apparitions of the Virgin Mary in Belgium attitudes towards suicide in seventeenth century Sweden the pillarization of Dutch Calvinists There are also studies of famous individuals such as Hitler Stalin Freud Van Gogh and J H Newman Among the contributors are well known authors like Donald Capps Michael P Carroll William W Meissner Ana Mar a Rizzuto and Antoine Vergote

The Oxford Handbook of Mary Chris Maunder,2019-08-07 The Oxford Handbook of Mary offers an interdisciplinary guide to Marian Studies including chapters on textual literary and media analysis theology Church history art history studies on devotion in a variety of forms cultural history folk tradition gender analysis apparitions and apocalypticism Featuring contributions from a distinguished group of international scholars the Handbook looks at both Eastern and Western perspectives and attempts to correct imbalance in previous books on Mary towards the West The volume also considers Mary in Islam and pilgrimages shared by Christian Muslim and Jewish adherents While Mary can be a source of theological disagreement this authoritative collection shows Mary s rich potential for inter faith and inter denominational dialogue and shared experience It covers a diverse number of topics that show how Mary and Mariology are articulated within ecclesiastical contexts but also on their margins in popular devotion Newly commissioned essays describe some of the central ideas of Christian Marian thought while also challenging popularly held notions This invaluable reference for students and scholars illustrates the current state of play in Marian Studies as it is done across the world **Lived Religion and Everyday Life in Early Modern Hagiographic Material** Jenni Kuuliala,Rose-Marie Peake,Päivi

Räisänen-Schröder,2019-10-22 This book discusses the ways in which early modern hagiographic sources can be used to study lived religion and everyday life from the fifteenth to the seventeenth century For several decades saints lives other spiritual biographies miracle narratives canonisation processes iconography and dramas have been widely utilised in studies on medieval religious practices and social history This fruitful material has however been overlooked in studies of the early modern period despite the fact that it witnessed an unprecedented growth in the volume of hagiographic material The contributors to this volume address this and illuminate how early modern hagiographic material can be used for the study of topics such as religious life the social history of medicine survival strategies domestic violence and the religious experience of slaves Mariology at the Beginning of the Third Millennium Kevin Wagner,M. Isabell Naumann,Peter John

McGregor,Paul Morrissey,2017-04-24 Since the Second Vatican Council the place of Mary in theology and generally in the life of the Church has been at times muted This is perhaps understandable given the debates concerning Mary s place in the documents of Vatican II In an ecumenical age it was argued the church needed a less triumphalist Mariology and piety with a greater focus on Mary as model disciple In certain respects this has led to a dichotomy between the continued Marian piety of many faithful and truth be told the piety of the post conciliar popes and a theological timidity concerning Mary This collection of chapters seeks to address the current situation of Mariology Taken as a whole these chapters represent a welcome call for renewal and reawakening in Mariology The collection is also delightfully eclectic both in terms of topics covered and in terms of the denominational and academic backgrounds of the authors **The Bible in Folklore**

Worldwide Eric Ziolkowski,2023-12-31 The Bible in Folklore Worldwide a two volume illustrated Handbook provides readers with original studies of the reception of the Bible in the folklores of different cultures around the world This second volume focuses on biblically derived characters tales and motifs in Asian African Oceanic and American cultures **Magical**

Realism, Latin American Theology, and the Appearance of a Pre-Critical Theory Alfredo Ignacio Poggi,2024-01-04 **Magical Realism Latin American Theology and the Appearance of a Pre Critical Theory** Mary versus Ideology explores why the greatest boom of Marian apparitions in history related by poor rural women and children occurred simultaneously with the rise of urban elites secularizing ideologies and often in the same countries This unique glimpse goes beyond the simple stories and symbols of the Marian apparitions revealing a critique of the modern and postmodern social imaginaries that gave life to innumerable ideologies Utilizing the Latin American hermeneutic lenses of liberation theology and magical realism this book demonstrates how popular religion with its mythical narrative nucleus is a space of resistance against the totalizing projects of modernity Modern and postmodern proposals like those of Marxist or poststructuralist argue that one must use critical thinking to evade or at least expose ideologies Alfredo Ignacio Poggi on the contrary maintains that a naive or more aptly pre critical perception of the world is the best starting point for challenging contemporary ideologies
