Marietta F. Marion Crawford, 2018-09-20 Reproduction of the original Marietta by F Marion Crawford     Marietta: a Maid of Venice F. Crawford, 2014-04-24 A love story set in 1400s Venice and Murano between a glassmaker's daughter and a foreign glassmaker     *Marietta* F. Marion Crawford, 2015-10-03 Very little was known about George the Dalmatian and the servants in the house of Angelo Beroviero as well as the workmen of the latter's glass furnace called him Zorzi distrusted him suggested that he was probably a heretic and did not hide their suspicion that he was in love with the master's only daughter Marietta     **Marietta** F. Marion Crawford, 2005-10-01 Very little was known about George the Dalmatian and the servants in the house of Angelo Beroviero as well as the workmen of the latter's glass furnace called him Zorzi distrusted him suggested that he was probably a heretic and did not hide their suspicion that he was in love with the master's only daughter Marietta All these matters were against him and people wondered why old Angelo kept the waif in his service since he would have engaged any one out of a hundred young fellows of Murano all belonging to the almost noble caste of the glass workers all good Christians all trustworthy and all ready to promise that the lovely Marietta should never make the slightest impression upon their respectfully petrified hearts But Angelo had not been accustomed to consider what his neighbours might think of him or his doings and most of his neighbours and friends abstained with singular unanimity from thrusting their opinions upon him For this there were three reasons he was very rich he was the greatest living artist in working glass and he was of a choleric temper     **MARIETTA** F. *Marietta a Maid of Venice (Classic Reprint)* Francis Marion Crawford,2018-01-15 Excerpt from Marietta a Maid of Venice The glass house was guarded from outsiders as carefully as a nunnery and somewhat resembled a convent in having no windows so situated that curious persons might see from without what went on inside The place was entered by a low door from the narrow paved path that ran along the canal In a little vestibule ill lighted by one small grated window sat the porter an uncouth old man who rarely answered questions and never opened the door until he had assured himself by a deliberate inspection through the grating that the person who knocked had a right to come in Marietta remembered him in his den when she had been a little child and she vaguely supposed that he had always been there He had been old then he was not visibly older now he would probably never die of old age and if any mortal ill should carry him off he would surely be replaced by some one exactly like him who would sleep in the same box bed sit all day in the same black chair and eat bread shellfish and garlic off the same worm eaten table There was no other entrance to the glass house and there could be no other porter to guard it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Hours of Fiammetta** Rachel Annand Taylor,2019-12-24 In her poetic masterpiece The Hours of Fiammetta Rachel Annand Taylor intricately weaves the themes of love loss and the passage of time set against the backdrop of the medieval Italian landscape This work inspired by Giovanni Boccaccio's classic The Decameron employs a lyrical style imbued with rich imagery and deep emotional resonance Taylor masterfully blends elements of narrative verse with poignant reflections inviting readers to explore the inner lives of her characters and their struggles within a patriarchal society all

while invoking the timeless quality of romantic desire and existential contemplation Rachel Annand Taylor a pioneering figure in early 20th century literature was deeply influenced by her studies of medieval literature and philosophy Her personal experiences and keen interest in feminist themes shaped her narrative approach allowing her to present Fiammetta not merely as a passive muse but as a fully realized character who embodies the complexities of womanhood Taylor s academic background and dedication to uncovering the voices of women in history imbue this work with both authenticity and depth For readers seeking a profound exploration of emotional depth and gender dynamics within a historical context The Hours of Fiammetta is essential This engaging text not only enchants with its poetic beauty but also challenges contemporary perceptions of femininity making it a compelling read for those interested in the intersections of literature and gender studies
