Lentz III,2019-06-17 The entertainment world lost many notable talents in 2018 including movie icon Burt Reynolds Queen of Soul Aretha Franklin celebrity chef and food critic Anthony Bourdain bestselling novelist Anita Shreve and influential Chicago blues artist Otis Rush Obituaries of actors filmmakers musicians producers dancers composers writers animals and others associated with the performing arts who died in 2018 are included Date place and cause of death are provided for each along with a career recap and a photograph Filmographies are given for film and television performers **Overcoming Celebrity Obsession** Diane Saks,2011-08-01 **OVERCOMING CELEBRITY OBSESSION** is a star studded journey from celebrity obsession to fulfilling life in three easy phases When a fan is obsessed a story character version of the celebrity is created It is through the fans celebrity characterization that guides the fan through Phase 1 Upon understanding why the fan was obsessed in the first place the journey through Phase 2 begins This is the dark part of the fans life that the fan used the favorite celebrity to escape from Professional counseling is not recommended in Phase 1 but can begin in Phase 2 In order to get the most from Phase 3 the fan must be able to look at parts of his or her real life and pull out the celebrity obsession For example every time someone couldnt communicate or understand me I saw that as my John Travolta obsession If I was not given a chance to help out during a particular event that was my David Cassidy obsession It is in Phase 3 where we discuss personal behavior and set goals both professional and personal The typical celebrity obsession theory is the obsession is because of hero worship Until now celebrity obsession therapy has been in the hands of professionals who have never lived through celebrity obsession Typical celebrity obsession studies state that obsessed people need to stop obsessing over celebrities and get on with life Diane knows better than that She believes the fan needs to take some time to celebrity obsess while in **OVERCOMING CELEBRITY OBSESSION** in order to work through what is stopping the fan from getting the most out of life Why would you want to put your celebrity obsession into the hands of someone with an advanced college degree or two who has never been celebrity obsessed The Soul Genome Paul Von Ward,2008 Much thought provoking evidence suggests that the way you look think react to life events and interact with other people may be predisposed by the experiences of one or more human beings who lived in the past Even if you don t know who they were you may find what appears to be their soulprints in the person you are today and the manner in which you live *The Soul Genome* Science and Reincarnation explores these ideas focusing on verifiable information that can be tested by objective means The detailed robust case studies presented here not only suggest that reincarnation is more than just a metaphysical concept but also
