Marilyn Life Legend:

Legend Fred Lawrence Guiles,1991 The definitive biography Los Angeles Times *Marilyn Monroe* Winnipeg Art Gallery,2009 **American Legends** Charles River Charles River Editors,2013-09-13 Includes pictures of Marilyn and important people and scenes Includes quotes about her life and career Includes a bibliography for further reading The truth is I ve never fooled anyone I ve let people fool themselves They didn t bother to find out who and what I was Instead they would invent a character for me I wouldn t argue with them They were obviously loving somebody I wasn t When they found this out they would blame me for disillusioning them and fooling them Marilyn Monroe A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Few actresses lived their lives in the public eye more than Marilyn Monroe and yet her life remains shrouded in mystery to this day While it is common knowledge that Marilyn s life is a rags to riches story her life is bookended by hazy details surrounding her early life and even more mysterious death Who was Norma Jean Baker Who was Marilyn Monroe The unknown has contributed to the mythology that has since become part of her legacy and she nurtured it Marilyn was adept at constructing a fanciful mystique about her early years and it s become all but impossible to disentangle the truth from the narrative that Marilyn helped establish Fittingly even though Marilyn is instantly recognizable and still one of film s greatest icons her films remain unfamiliar to the vast majority of the public Most people have some preconception of Marilyn s film persona seeing her as the dumb blonde without a brain who existed only in order to be gazed upon However one of the essential questions concerning Marilyn s life involves the accuracy of the Marilyn stereotype is the dumb blonde identity an accurate descriptor of her film roles and how does it compare to Marilyn s personality off of the movie set Given how famous Marilyn Monroe was and continues to be it s remarkable that so many people know so little about her life and career What is known is that Marilyn Monroe was America s ultimate sex symbol in the 20th century in part because she came of age in the wake of World War II and became famous during the conservative era of the 1950s She appeared in just two films in the 1960s prior to her premature death in August 1962 and there is a wide gulf between the brevity of her career and the impact that she made on American culture throughout the 1950s Marilyn s death left everyone to speculate where her career would have gone in the 1960s but it s probably safe to guess she wouldn t be the icon she remains today American Legends The Life of Marilyn Monroe comprehensively examines the starlet s life and films exploring the controversies and the ways in which her life and works are mutually informative Along with pictures of important people places and events you will learn about Marilyn Monroe like you never have before in no time at all [The Biography Book](#) Daniel S.
