Marilyn Une Femme:

, *La Revanche de la femme de 50 pieds* Marc Gauchée, 2025-07-25 *La Revanche de la femme de 50 pieds* propose de décrypter le personnage cinématographique de la gante partir du film de 1958 *L'Attaque de la femme de 50 pieds* *Attack of the 50 foot Woman* de Nathan Juran avec des incursions dans la peinture la littérature et l'illustration C'est bien la gante solitaire qui est au centre de cet essai c'est dire ni la grande femme qui figure dans certaines comédies ni les groupes de gants personnifiant les déesses et les dieux antiques dans les plumes Parce qu'elle est seule la femme gante solitaire est d'abord perçue comme une créature monstrueuse par la société dans laquelle elle évolue Mais cette monstruosité peut être questionnée travers ses représentations négatives mais aussi positives La gante apparaît alors comme une menace pour les hommes une figure maternelle ou encore comme l'incarnation de la liberté et de l'autonomie

The Déjà-vu and the

Authentic Jean-Jacques Chardin, 2012-04-25 The correlated concepts of the déjà vu and the authentic suggest that all cultural productions are per se palimpsests whose construction is the result of such processes as reprise recycling and recuperating Reprise is approached as various forms of citation reference and intertextuality recycling is defined as commodification and intellectual impoverishment while recuperating implies the ideological process that makes reappropriation possible By covering a wide spectrum of research interests from literature to music art and the cinema the seventeen contributions in English or in French explore the political and ethical implications inherent in the creation of culture
