museums the Brooklyn Museum the Solomon R Guggenheim Museum the Metropolitan Museum of Art the Museum of Modern Art and the Whitney Museum of American Art should together hold one of the richest and most varied collections of this extraordinary painter's work This volume illustrates every work by Rothko in these great museums in glowing full color reproductions and in the process surveys his entire career Although Rothko is most famous for his luminous Color field canvases he also created early figurative oils and delicate surrealist fantasies in watercolor and oil

Mark Rothko, Works on Paper Bonnie Clearwater, Mark Rothko, 1984 Mark Rothko a monumental figure in twentieth century American art and a founder of Abstract Expressionism is universally known for his huge paintings depicting floating rectangles of glowing colors Less well known are his works on paper he held onto most of these and they were unavailable and largely unknown during his lifetime and during the long years of litigation that followed his death Now the finest of them can at last be seen Mark Rothko Works on Paper presents the intimate legacy of a giant of modern art As author Bonnie Clearwater writes With the symmetry tidy execution and minimal gesture the small works on paper often seem to be more quintessential Rothko than many of his canvases They should be appreciated for their subtlety their directness and what they disclose about the artist's aesthetic
