Here is revealed Twain's violent mental conflict a logical dilemma which forced much of his work into distorted patterns of thought and structure. Through years of practice he evolved methods to achieve detachment through techniques such as speaking through the lips of Huckleberry Finn or some other childlike person placing satiric scenes far off in time or space diminishing the human race to microscopic proportions so that its wrongs could be treated with detachment and reducing life to a dream in which the greatest wrongs become tolerable because they seem unreal. *Mark Twain as a Literary Artist* is a mature thorough and revealing reassessment of the mind and
