*End-Time Events* Randall Cobb,2025-01-07 As I visit different congregations I find that 98 percent of them do not teach the truth when it comes to the end times I happen to believe that everyone needs to know the truth when it comes to end time events so they know what to look for such as falling away the tribulation period and the final judgment The Bible clearly instructs us to be vigilant I have covered all the events leading up to the return of Christ But it also teaches that no one can say for certain that we are living in the end times This is at best a debatable proposition Jesus himself repeatedly said that no one knows or can know the day or hour of his return Matthew 24 36 Mark 13 32 Acts 1 7 To be sure we are surrounded by events and developments that could be interpreted as signs of the end On every corner we see famines earthquakes disasters troubles persecutions wars and rumors of wars Mark 13 7 9 But has there ever been a period in the history of the world when this was not the case      *The Apocalypse Code* Hank Hanegraaff,2010-09-20 Hank Hanegraaff reveals the code to Revelation Breaking the code of the book of Revelation has become an international obsession The result according to Hank Hanegraaff has been rampant misreading of Scripture bad theology and even bad politics and foreign policy Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty five books of the Bible not current events or recent history and certainly not any complicated charts The Apocalypse Code offers sane answers to some very controversial questions What does it mean to take the book of Revelation and the rest of the Bible literally Who are the Antichrist and the Great Whore of Babylon and what is the real meaning of 666 How does our view of the end times change the way we think about the crisis in the Middle East Are two thirds of all Jews really headed for an apocalyptic holocaust The Apocalypse Code is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today s world Provocative and passionate this fascinating book is a must read for everyone who s interested in end times controversies Lee Strobel Author The Case for the Real Jesus This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts Tim LaHaye Every fan of the Left Behind series should read this book The fog will clear

and common sense will return to our reading of the Bible Gary M Burge Professor of New Testament Wheaton College and Graduate School

The Man of Sin Kim Riddlebarger, 2006-06-01 The doctrine of the Antichrist is one of the most interesting doctrines found in Scripture says author Kim Riddlebarger Unfortunately it is also one which has been subject to far more speculation than sound biblical exegesis Until now Unlike other resources available on the Antichrist The Man of Sin focuses on Scripture not contemporary events to uncover the truth about this mysterious entity With skilled exegesis Riddlebarger asserts that contrary to popular speculation the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the inter advental age before culminating in an end times Antichrist Backing this claim first in Scripture Riddlebarger also draws from historical teachings including those of the church fathers the Reformation and historic Protestantism before contrasting this evidence to the sensational interpretations of many contemporary writers Pastors teachers and study groups wanting to understand the doctrine of the Antichrist will find The Man of Sin to be a unique and comprehensive study

Christology in Mark's Gospel: Four Views J. R. Daniel Kirk, Adam Winn, Sandra Huebenthal, L. W. Hurtado, 2021-11-09 Gain Insights on Mark's Christology from Today's Leading Scholars The Gospel of Mark widely assumed to be the earliest narrative of Jesus's life and the least explicit in terms of Christology has long served as a worktable for the discovery of Christian origins and developing theologies The past ten years of scholarship have seen an unprecedented shift toward an early high Christology the notion that very early in the history of the Jesus movement his followers worshipped him as God Other studies have challenged this view arguing that Mark's story is incomplete intentionally ambiguous or presents Jesus in entirely human terms Christology in Mark's Gospel Four Views brings together key voices in conversation in order to offer a clear entry point into early Christians understanding of Jesus's identity Sandra Huebenthal Suspended Christology Larry W Hurtado Mark's Presentation of Jesus with rejoinder by Chris Keith J R Daniel Kirk Narrative Christology of a Suffering King and Adam Winn Jesus as the YHWH of Israel in the Gospel of Mark Each author offers a robust presentation of their position followed by lively interaction with the other contributors and one last word rejoinder The significance of this discussion is contextualized by the general editor Anthony Le Donne's introduction and summarized in the conclusion The CriticalPoints Series offers rigorous and nuanced engagement between today's best scholars for advancing the scholarship of tomorrow Like its older sibling the CounterPoints Series it provides a forum for comparison and critique of different positions focusing on critical issues in today's Christian scholarship in biblical studies in theology and in philosophy

**End Time Delusions** Steve Wohlberg, 2005-01-28 Will Christians vanish in a rapture Will seven years of apocalyptic terror overtake those left behind Will one future Mr Diabolical the antichrist rise to control the world Will he enter a rebuilt Jewish temple claiming to be God Will Earth's nations attack Israel at Armageddon Best selling books like Left Behind and popular apocalyptic movies predict such things Are they correct No area of Christianity has been subject to more misguided interpretation than end time prophecy Millions of Christians sense we are

nearing Jesus Christ's return Yet when it comes to what the majority thinks will happen during Earth's last days and what the Bible actually says will occur the difference is seismic With clarity and biblical accuracy *End Time Delusions* exposes massive errors now flooding through media and in much of today's sensational prophecy writing This book closely examines tightly meshed yet speculative theories about the rapture seven year tribulation antichrist and the modern Jewish state This book is no novelty Buttressed with solid teachings from many of Christianity's most illustrious scholars it lets the Bible speak for itself about the past present and future

*Globalizing Family Values* Doris Buss, 2003 With little fanfare and profound effect family values have gone global and the influence of the Christian Right is increasingly felt internationally This is the first comprehensive study of the Christian Right's global reach and its impact on international law and politics Doris Buss and Didi Herman explore tensions contradictions victories and defeats for the Christian Right's global project particularly in the United Nations The authors consult Christian Right materials from pamphlets to novels conduct interviews with people in the movement and provide a firsthand account of the World Congress of Families II in 1999 a key event in formulating Christian Right global policy and strategy The result is a detailed look at a new global player its campaigns against women's rights population policy and gay and lesbian rights its efforts to build an alliance of orthodox faiths with non Christians and the tensions and strains as it seeks to negotiate a role for conservative Christianity in a changing global order

*The New Brothers Grimm and Their Left Behind Fairy Tales* David T. Morgan, 2006 *The New Brother's Grimm* examines the twelve volumes of the very popular *Left Behind* series by Tim LaHaye and Jerry B. Jenkins relating the story and the theological arguments of each book and then challenging those arguments One of the centerpieces of their interpretation of the Bible is that the church of Christ will be raptured to be with Christ for seven years During that time people who have been left behind will have an opportunity to accept Christ as savior but they will have to pass through the tribulation a time of unimaginable horror with Satan ruling the world At its end Christ will appear with his heavenly army and defeat the forces of Antichrist in the battle of Armageddon After that Christ will establish an earthly kingdom lasting exactly 1000 years during which Satan will be bound in the bottomless pit Ultimately the author suggests that the theological premises set forth in the series are at best dubious and at worst theological snake oil

**Encyclopedia of Fundamentalism: Volume 3 of Religion & Society** Brenda Brasher, 2001-10-19 *The Encyclopedia of Fundamentalism* is the third volume of the acclaimed Religion Society series *The Encyclopedia of Fundamentalism* follows a broad definition of fundamentalism and covers fundamentalism across time and place although the emphasis remains on its primary manifestation Protestant fundamentalism in the United States It draws upon the work of historians sociologists religious scholars anthropologists political scientists and others

*The Regime* Tim LaHaye, Jerry B. Jenkins, 2013-02-08 Dynamic Romanian multimillionaire Nicolae Carpathia's sphere of influence steadily grows as he parlays his looks charm charisma and intellectual brilliance into success in business and politics But is it mere coincidence that those who oppose or offend him suffer to the point of death Meanwhile a young Buck Williams begins

his journalistic career Pilot Rayford Steele gains more responsibility at work and at home Scientist Chaim Rosenzweig begins work on a secret formula that could change the world All three go about their daily lives unaware of each other or of the powerful young man from Romania Around the world the stage is being set for the cataclysmic event that will change the world forever Reminders of the American Century Brent Ryan Bellamy,2021-03-08 This book explores the post apocalyptic novel in American literature from the 1940s to the present as reflections of a growing anxiety about the decline of US hegemony Post apocalyptic novels imagine human responses to the aftermath of catastrophe The shape of the future they imagine is defined by the remainder when what is left behind expresses itself in storytelling tropes Since 1945 the portentous fate of the United States has shifted from the irradiated future of nuclear holocaust to the saltwater wash of global warming Theorist Brent Ryan Bellamy illuminates the political unconscious of post apocalyptic writing drawing on a range of disciplinary fields including science fiction studies American studies energy humanities research and critical race theory From George R Stewart s *Earth Abides* to N K Jemisin s *The Fifth Season* *Reminders of the American Century* describes the tension between a reactionary impulse and the progressive impetus for a new world Brent Ryan Bellamy weaves a rich and diverse tapestry of fictions all of which navigate the changing valences of apocalypse survival and remainders during the rise and fall of the post Second World War American Century Given the global post apocalyptic reality we all currently inhabit this is a timely and significant study Brent Ryan Bellamy weaves a rich and diverse tapestry of fictions all of which navigate the changing valences of apocalypse survival and remainders during the rise and fall of the post Second World War American Century Given the global post apocalyptic reality we all currently inhabit this is a timely and significant study Gerry Canavan author of *Octavia E Butler* **THE 13TH CHAPTER-Humanity's Final Chapter** HOWARD WEST,2010-08-27 *THE 13TH CHAPTER* Humanity s Final Chapter The 13th chapter of the Book of Revelations summarizes the entire Book of Revelations giving a blueprint look into Illuminati s conspiracy of a New World Order Take a ride with the author as he takes his readers through the Book of Revelation s 13th chapter and breaks down the symbolism of the two Beasts the mysterious number 666 and much more With this book *THE 13TH CHAPTER* Humanity s Final Chapter Howard West gives his readers a comprehensive look at where society has come from and where society is headed With topics ranging from the historical governments that has ruled over humanity for the last six thousand years to the Monarchy that reign supreme today this book is sure to enlighten its reader with a tremendous amount of material Learn about the three facets the Illumine will use in their attempt to enslave humanity Global Government Global Church Global Economy The author deals with these topics with accuracy and such simplicity The Mark Tim F. LaHaye,2014-12 **Plotting Apocalypse** Jennie Chapman,2013-09-12 It is the not too distant future and the rapture has occurred Every born again Christian on the planet has without prior warning been snatched from the earth to meet Christ in the heavens while all those without the requisite faith have been left behind to suffer the wrath of the Antichrist as the earth enters into its final days

This is the premise that animates the enormously popular cultural phenomenon that is the Left Behind series of prophecy novels co written by Tim LaHaye and Jerry Jenkins and published between 1995 and 2007 But these books are more than fiction it is the sincere belief of many evangelicals that these events actually will occur soon Plotting Apocalypse delves into the world of rapture prophecy and tribulation in order to account for the extraordinary cultural salience of these books and the impact of the world they project Through penetrating readings of the novels Chapman shows how the series offers a new model of evangelical agency for its readership The novels teach that although believers are incapable of changing the course of a future that has been preordained by God they can become empowered by learning to read the prophetic books of the Bible and the signs of the times correctly Reading and interpretation become key indices of agency in the world that Left Behind limns Plotting Apocalypse reveals the significant cultural work that Left Behind performs in developing a counter narrative to the passivity and fatalism that can characterize evangelical prophecy belief Chapman s arguments may bear profound implications for the future of American evangelicalism and its interactions with culture society and politics

Escape Into the Future John Stroup, Glenn W. Shuck, 2007 Escape into the Future analyzes the power of pessimism showing links between present day religious pessimism and the nihilism of popular culture Stroup and Shuck rummage through an interesting and eclectic body of pop culture from Fight Club to X Files to the Left Behind series pointing out the presence of pessimistic themes throughout This volume identifies and illuminates the religious language used in these works to articulate America s need to escape from its present cultural path and ultimately provide hope that it might do so
