**Navigating Through the Gospel of Mark with Captain Bill Brogdon** Joyce Sidey Brogdon, 2008-06 Jesus taught powerful themes by telling stories using everyday commodities as examples and making the unfamiliar come alive for His hearers His message was for all people in all social brackets rich poor and every class in between His main thrust was to bring the Gospel the good news to the world that all people might have the opportunity to get to know God and learn of His great love for humankind Through countless ages Mark's Gospel has been held to the light and scrutinized Mark through Peter has faithfully recorded the words of Jesus the Master teacher Mark like Peter was martyred for his Christian faith Though scholars continue to help simplify the text many readers still miss some of the richness of the message because of lack of understanding Though no one can duplicate Christ's genius Captain Bill Brogdon attempted to emulate His teaching methods taking the obscure and difficult and putting it into plain language and using down to earth logic to make it understandable for everybody In compiling Bill's notes his wife Joyce has formulated the text so that it can be read straight through as an interesting story or following the outline it can be used as a guide to deeper study of the Gospel according to Mark Joyce Sidey Brogdon was born in London and grew up in Suffolk on the east coast of England She received her bachelor's degree in English from the University of Texas and her master's degree from the University of Southern Maine Other books by her are *Majuba House* Xulon press 2003 which is an autobiographic account of growing up in England during WWII and *The Gold Chaser* Borrego Publishing 2007 which is the story of a remarkable talented Irishman

**Seven Days with the Gospel of Mark** Joseph Donders, 2004 Mark's gospel reads like a mystery Who is this Jesus and what are his intentions Why doesn't anyone seem to understand him How should we relate to him Why does Mark's gospel start with the words The

beginning of the good news of Jesus Christ the Son of God What is that good news During this retreat Fr Donders helps readers uncover the mystery Here we come to know Jesus in his moments of teaching healing suffering and glory and we learn not only what his life is about but also what our own lives are about in relation to his Fr Donders offers meditations for both morning and evening as well as points for prayer and action Seven Days with the Gospel of Mark provides an excellent prayer experience for individuals or groups and serves as a study guide for those who wish to delve more deeply into the gospel of Mark
