**City of Dust** Gregg

Andrews, 2002-09-20 Mark Twain's boyhood home of Hannibal Missouri often brings to mind romanticized images of Twain's fictional characters Huck Finn or Tom Sawyer exploring caves and fishing from the banks of the Mississippi River In City of Dust Gregg Andrews tells another story of the Hannibal area the very real story of the exploitation and eventual destruction of Ilasco Missouri an industrial town created to serve the purposes of the Atlas Portland Cement Company In this new edition Andrews provides an introduction detailing the impact of this book since its initial publication in 1996 He writes of a new twist in the Ilasco saga one that concerns the Continental Cement Company's attempt not unlike Atlas's one hundred years earlier to manipulate the sale of a piece of land near its plant in the town He explores the uneasy relationship between preservationists and the plant's CEO and officials in St Louis the growing movement to preserve Ilasco's heritage including

the building of a monument to commemorate the early residents of the town and the grassroots petition drive and letter writing campaign that stopped the Continental Cement Company's machinations
