Market Town Anthony M. Foster, Lionel M. Munby, 1987-01-01 *A County of Small Towns* T. R. Slater, Nigel Goose, 2008 Exploring the history of the principal towns of Hertfordshire England from the medieval period to the 19th century this collection of essays includes chapters on important towns including Alban Ashwell Berkhamsted Hertford Hitchin and Ware A rich resource on the urban history of Hertfordshire it features essays on topography medieval town economy commons and boundaries industry and the influence of the Dissolution on the region **Children of the Labouring Poor** Eileen Wallace, 2010 Chronicling the contributions children made towards their families livelihoods in hard times this detailed record catalogs the high price children had to pay sacrificing their health and education while employed in agriculture chimney sweeping straw plaiting silk throwing papermaking and brick making in 19th century Hertfordshire England This enlightening history demonstrates that the poor conditions in factories and mills as well as in household chimneys contributed to the many diseases and injuries that afflicted these young laborers While there are examples of innovative manufacturers such as John Dickinson who built respectable housing for his employees the overall picture that emerges during this period is one in which Hertfordshire s children arduously struggled to make ends meet Lord and Peasant in Nineteenth Century Britain Dennis Mills, 2016-06-17 First published in 1980 this book looks at the social structure of 18th and 19th century rural Britain It is particularly concerned with the relationship of landlord and peasant in the rural village and examines the open closed model of English rural social structure in great depth In doing so it explores the ways in which the estate system influenced urban development and how the peasant system facilitated the industrialisation of many villages This book will be of particular interest to students of Victorian and social history industrialisation and urbanisation **Hitchin Town Through Time** Hugh Madgin, 2014-08-15 This fascinating selection of photographs traces some of the many ways in which Hitchin Town has changed and developed over the last century *Behind the Plough* Nigel E. Agar, 2005 In *Behind the Plough* agricultural historian Nigel Agar surveys a century of agriculture in Hertfordshire the first time such a history has been written The 19th century saw changes in agriculture just as dramatic as the developments taking place in industry Throughout the period under consideration Hertfordshire was almost entirely rural but its proximity to London meant that it was in no sense isolated Indeed the needs of the capital influenced the way agriculture was carried out in the county The Improbable Adventures of Miss Emily Soldene Helen Batten, 2021-09-23 A vivid tale of a woman born for the stage stardom and scandal Holly Kyte author of *Roaring Girls* *The Forgotten Feminists of British History* One of the most irrepressible women I ve come across Jane Robinson author of *Ladies Can t Climb Ladders* I rode on the stage in such style that the men in front forgot I was a girl and also forgot to laugh From humble beginnings with the threat of the workhouse looming Emily Soldene rose to become a star of the London stage and a formidable impresario with her own opera company The darling of theatreland she later reinvented herself as a journalist and writer who scandalised the country

with her outrageous memoir *Weaving through the grit and glamour of Victorian music halls and theatres taking encounters with the Pre Raphaelites and Charles Dickens in her stride Emily became the toast of New York and ventured far off the beaten track to tour Australia and New Zealand* Batten paints a vibrant portrait of an almost forgotten star who trod the boards travelled the globe and tore up the Victorian rule book [Urban History Yearbook, 1989](#) Richard Rodger,1989-08

The English Market Town Jonathan Brown,1986 **The English Landscape in the Twentieth Century** Trevor Rowley,2006-01-01 Trevor Rowley s new study is a highly topical account of the changes that have taken place and that continue to take place on the country around us *Pettyfoggers and Vipers of the Commonwealth* C.
