## Reading In The 1980s:

**Reading in the 1980s** Stephen Richards Graubard,1983      **Reading Russian Literature, 1980-2024** Otto Boele,Dorine Schellens,2024-10-09 This edited collection focuses on the nexus between literary consumption memory and collective identity formation in Russia from the 1980s until today It challenges perceived notions about the reduced social significance and identity building potential of contemporary Russian literature Drawing on a diverse set of primary source materials ranging from memoirs diaries and essays to fan art and BookToks the collection seeks to do justice to the diversity of an enormous reading public that is often routinely referred to as the Russian reader The case studies explore the reading habits and self understanding of very different audiences that are dispersed along regional gender generational and technological divides In doing so this collection examines both the continuities and shifts in the multifaceted relationship between literary consumption memory and identity during the profound and ongoing transformations in Russian society and its literary landscape      **Dumbing Down Our Kids** Charles J. Sykes,1995 Sykes concludes with a checklist for parents students and teachers who want to evaluate their schools and a series of recommendations to restore quality learning to America      Handbook of Early Literacy Research Susan B. Neuman,David K. Dickinson,2003-04-07 Current research increasingly highlights the role of early literacy in young children s development and facilitates the growth of practices and policies that promote success among diverse learners The Handbook of Early Literacy Research presents cutting edge knowledge on all aspects of literacy learning in the preschool years Volume 1 covers such essential topics as major theories of early literacy writing development understanding learning disabilities including early intervention approaches cultural and socioeconomic contexts of literacy development and tutoring programs and other special intervention efforts      Language, Literacy, and Learning in Educational Practice Barry Stierer,Janet Maybin,1994 Language and literacy are highly contested areas of the curriculum Questions of what should be taught how it should be taught and who should control such decisions are increasingly subjected to public scrutiny debate and challenge in a manner which is often more reflection of competing social and political values than of theory and research evidence In recent years there has been a rapid development of new conceptual frameworks for understanding language literacy and learning from such diverse fields as anthropology cultural studies social psychology and critical linguistics The papers in this collection have been chosen because they will help readers to consider ways in which these new developments in theory and research may be applied to everyday practice

**How Education Policy Shapes Literacy Instruction** Rachael Gabriel,2022-09-28 Reading instruction is the most legislated area of education and the most frequently referenced metric for measuring educational progress This book traces the trajectories of policy issues with direct implications for literacy teaching learning and research in order to illustrate the dynamic relationships between policy research and practice as they relate to perennial issues such as retention in grade remediation intervention instruction for English learners early literacy

instruction coaching and leadership Using policy documents and peer reviewed articles published from the 1960s to the present the editor and authors illustrate how issues were framed what was at stake and how policy solutions to persistent questions have been understood over time In doing so the book link a generation of scholars with research that illustrates trajectories of development for ideas strategies and solutions Performative Histories, Foundational Fictions Anu Koivunen,2019-01-16 Films are essential to national imagination and promotional publicity markets domestic films not only as entertaining exciting or moving but also as topical and relevant in different ways When assessing new films reviewers make reference to other films and cultural products as well as social and political issues Through such interpretive framings by contemporary and later generations popular cinema is embedded in both national imagination and endless intertextual and intermedial frameworks Moreover films themselves become symbols which are cited and recycled as illustrations of cultural social and political history as well as national mentality In *Performative Histories Foundational Fictions* Anu Koivunen analyzes the historicity as well as the intertextuality and intermediality of film reception as she focuses on a cycle of Finnish family melodrama and its key role in thinking about gender sexuality nation and history Close reading posters advertisements publicity stills trailers review journalism and critical commentary she demonstrates how *The Women of Niskavuori* 1938 and 1958 *Loviisa* 1946 *Heta Niskavuori* 1952 *Aarne Niskavuori* 1954 *Niskavuori Fights* 1957 and *Niskavuori* 1984 have served as sites for imagining our agrarian past our Heimat and heritage as well as the strong Finnish woman or the weak man in crisis Based on extensive empirical research Koivunen argues that the *Niskavuori* films have inspired readings in terms of history and memory feminist nationalism and men s movement left wing allegories and right wing morality as well as realism and melodrama Through processes of citation repetition and re cycling the films have acquired not only a heterogeneous and contradictory interpretive legacy but also significant affective force *13 Novels Conservatives Will Love (but Probably Haven't Read)* Christopher J. Scalia,2025-07-08 A discussion of 13 works of literary fiction in the context of their relevance to conservative beliefs Great novels are a remarkable confluence of complex characters powerful storytelling and beautiful language They ask important questions and explore major ideas that can reflect a culture and shape it Yet if you talk to right of center readers about literary fiction that considers ideas of particular interest to conservatives they tend to mention the same handful of books They neglect greatness from across the centuries hardly a conservative thing to do Christopher J Scalia s *13 Novels Conservatives Will Love but Probably Haven t Read* helps anyone interested in conservatism both restock their fiction shelves and better understand a great intellectual tradition A former English professor and a widely published critic and opinion writer Scalia discusses outstanding works of fiction by anglophone writers from Samuel Johnson to Zora Neale Hurston Nathaniel Hawthorne to P D James Willa Cather to Walter Scott These novels explore topics like national identity tradition religion human nature and many more without descending into simplistic propaganda Scalia connects the themes of great works spanning four centuries to the insights of such thinkers

as Edmund Burke William F Buckley Roger Scruton Michael Oakeshott Gertrude Himmelfarb and Russell Kirk Engaging insightful and funny 13 Novels Conservatives Will Love but Probably Haven t Read introduces readers to great literature and teaches them about principles central to conservatism      **China Learns from the Soviet Union, 1949-Present** Hua-Yu Li, 2010-01-05 It is well known that the Soviet Union strongly influenced China in the early 1950s since China committed itself both to the Sino Soviet alliance and to the Soviet model of building socialism What is less well known is that Chinese proved receptive not only to the Soviet economic model but also to the emulation of the Soviet Union in realms such as those of ideology education science and culture In this book an international group of scholars examines China s acceptance and ultimate rejection of Soviet models and practices in economic cultural social and other realms The chapters vividly illustrate the wide ranging and multi dimensional nature of Soviet influence which to this day continues to manifest itself in one critical aspect namely in China s rejection of liberal political reform
