Constructive Pneumatological Hermeneutics in Pentecostal Christianity Kenneth J. Archer, L. William Oliverio, Jr., 2016-12-21 This book presents the work of leading hermeneutical theorists alongside emerging thinkers examining the current state of hermeneutics within the Pentecostal tradition. The volume's contributors present constructive ideas about the future of hermeneutics at the intersection of theology of the Spirit, Pentecostal Christianity, and other disciplines. This collection offers cutting-edge scholarship that engages with and pulls from a broad range of fields and points toward the future of pneumatological hermeneutics. The volume's interdisciplinary essays are broken up into four sections: philosophical hermeneutics, biblical theological hermeneutics, social and cultural hermeneutics, and hermeneutics in the social and physical sciences.

Reading the Way to Heaven Steven Joe Koskie Jr., 2014-11-04 The proliferation of work on the theological hermeneutics of Scripture in recent years has challenged and reimagined the divisions between systematic theology and biblical studies on the one hand and academy and church on the other. Also notable, however, has been the absence of a full-length treatment of theological interpretation from a Wesleyan perspective. This monograph develops a Wesleyan theological hermeneutic of Scripture approached as a craft learned from a tradition constituted appropriation of

John Wesley's hermeneutics This hermeneutic requires a descriptive analysis of the context grammar and ruled reading of the literal sense in Wesley's interpretive practices as well as critical interaction with the analysis in light of contemporary issues As a result of this interaction continuity and discontinuity between Wesley's and Wesleyan interpretation emerges and is accounted for The Wesleyan theological hermeneutic developed here defines the church as Spirit formed context within the larger divine economy of salvation in contrast with Wesley's emphasis on individual soteriology and underdeveloped ecclesiology Within this community context Wesleyan theological interpretation is a means of grace whereby the Holy Spirit reinterprets the identity of readers into children of God Theological interpretation invites readers on a Wesleyan account to participate in the textually mediated identity of Jesus Christ through the gracious work of the Holy Spirit Wesleyan identity is therefore a figurally created identity based on the literal sense of Scripture Wesley's analogy of faith which rules his reading of Scripture thus gives way to a more explicitly trinitarian rule of faith *Practicing Theological Interpretation* Joel B.

Green, 2011 A widely recognized biblical scholar demonstrates both the practice of theological interpretation and the fruitfulness of this approach to biblical texts The Usefulness of Scripture Daniel Castelo, Sara M. Koenig, David R. Nienhuis, 2018-05-04 Robert Wall began his teaching career at Seattle Pacific University in 1978 Now forty years later and in celebration of his seventieth birthday colleagues and former students have gathered to produce this volume in honor of their friend and teacher The results are sure to delight all of those who have studied under or been friends of Professor Wall The essays are grouped under two general themes theology and methodology with an emphasis on Wesleyan biblical hermeneutics canonical perspectives and the implications of these approaches for church life and work and biblical texts themes especially with a view to the relationship of the study of Scripture to the life of the Christian In both of these areas the contributions bear in mind Wall's conviction that academic study and spiritual life need not in fact should not be kept apart The contributors to this volume include Frank Anthony Spina Andrew Knapp Shannon Nicole Smythe Daniel Castelo Anthony B Robinson Eugene E Lemcio Sara M Koenig Jack Levison Laura C S Holmes John Painter and Stephen E Fowl

***Practicing Theological Interpretation (Theological Explorations for the Church Catholic)* Joel B.**

Green, 2012-01-01 Much is written about the theory of theological interpretation but how does it apply to actually working with biblical texts This volume shows that theological interpretation is not so much an exegetical method as it is a practice concerned with Scripture's role in the faith and formation of persons and church communities Widely recognized biblical scholar Joel Green demonstrates both the practice of theological interpretation and the fruitfulness of this approach to reading biblical texts providing students with helpful ways of wrestling with knotty interpretive issues He also explores how theological inquiry can coexist with rigorous academic study of the Bible Relational Theology Brint Montgomery, Thomas Jay Oord, Karen Winslow, 2012-11-06 A growing number of Christians feel drawn to relational theology The God of the Bible seems thoroughly relational and we are increasingly aware of our own interrelatedness with others Contributors to this

volume tease out some implications of relational theology in light of a host of issues doctrines and agendas The result is a must read collection of essays with proposals sure to be the center of conversations for decades to come **Wesley One Volume Commentary** Kenneth J. Collins,2020-03-17 This one volume commentary on the entire Bible was written by more than 40 scholars from the broad range of Wesleyan denominations including The United Methodist Church The Church of the Nazarene The Church of God Anderson The Church of God Cleveland The Wesleyan Church The Free Methodist Church and The Salvation Army It is the only specifically Wesleyan Bible commentary available and assists pastors in sermon preparation small group leaders in lesson preparation and laypeople in Bible study Joel B Green Professor of New Testament Interpretation at Fuller Seminary called this commentary The Wesley Study Bible The commentary form will allow for a much greater exploration of Wesleyan themes and theology than a Study Bible ever could **The Beauty of Preaching** Michael Pasquarello,2020-08-27 What does beauty have to do with healing the fragmentation within our churches According to Michael Pasquarello everything Amid the cacophony of ugly political invective that dominates nearly every space today including church only God has the power to unify and heal through his truth and goodness revealed in his beauty And every Sunday those in the pulpit have the opportunity and responsibility to share this beauty with their parishioners Tapping into a long tradition that can be traced back to Augustine Michael Pasquarello explores a theological definition of beauty that has tremendous revelatory power in a post Christendom world A church manifesting this beauty is not merely a gathering of people but a place where God s new creation appears in the midst of the old creation ushered in by a pastor willing to make God the primary actor within the doxological craft of preaching *Understanding Faith Formation* Mark A. Maddix,Jonathan H. Kim,James Riley Jr. Estep,2020-10-27 Three leading Christian educators offer a survey of faith formation from various perspectives biblical theological pastoral practical and global They present a biblical theology of faith formation for individual and congregational life and show how faith can be formed through the life and mission of the local church through practices such as communal worship Bible study and mission They also explore the faces of faith formation in multicultural and global contexts The book includes practical exercises for those beginning in ministry and reflection questions *Seized by Truth* Prof. Joel B. Green,2010-09-01 We read the Bible and interpret Scripture in order to live in grace filled relation to God s divine purpose When we approach the Bible as Scripture author Joel Green takes seriously the faith statement that the Bible is our Book these scriptures are our Scripture We are not reading someone else s mail as though reading the Bible had to do foremost with recovering an ancient meaning intended for someone else and then translating its principles for use in our own lives When we recall that we are the people of God to whom the Bible is addressed as Scripture we realize that the fundamental transformation is not the transformation of an ancient message into a contemporary meaning bur rather the transformation of our lives by means of God s Word This means that reading the Bible as Scripture has less to do with what tools we bring to the task however important these may be and more to do with our own dispositions as we come to our

engagement with Scripture We come not so much to retrieve facts or to gain information but to be formed and ultimately transformed Scripture does not present us with texts to be mastered but with a Word God's Word intent on mastering us on shaping our lives

Rethinking the Bible Thomas Jay Oord, Richard Thompson, 2018-04-25 Rethinking the Bible explains Scripture in ways that make sense and deepen Christian faith Its essays ask and answer central questions about Scripture such as What is the primary function of the Bible Can the Bible be trusted if it has errors What does divine inspiration mean if humans wrote the Bible How should preachers use the Bible today Does the Bible mean now what it meant when written How has archaeology changed the way we interpret the Bible Should the Dead Sea Scrolls affect our view of the Bible What authority does the Bible have matters of science Is the Bible a container of truth statements or tool for formation How should we handle contradictions we find in the Bible Should postmodernism influence how we read the Bible The standard answers to these questions no longer make sense Many people today seek a more adequate way to understand what the Bible is and does Those who ask deep questions about Scripture want plausible answers This book offers answers to questions about the Bible that make sense in our time

Theological Interpretation of Scripture Stephen E. Fowl, 2009-08-01 Christians have been interpreting Scripture with an aim of deepening their life with God and each other from the very beginning of the church The past twenty years or so have witnessed an explosion of scholarly writing devoted to the theological interpretation of Scripture Stephen Fowl as an active participant in and contributor to the burgeoning literature has written an ideal companion for guests at the large and somewhat chaotic party introducing them to important people texts and issues The companion explores some of the connections between the long running and essential Christian practice of theological interpretation and the more recent body of scholarly literature Ultimately the companion hopes to encourage readers to join the party in their own right
