Literature as Discovery Zhang Longxi, 2023-09-15 The rise of world literature is the most noticeable phenomenon in literary studies in the twenty first century However truly well known and globally circulating works are all canonical works of European or Western literature while non European and even minor European literatures remain largely unknown beyond their culture of origin World Literature as Discovery Expanding the World Literary Canon argues that world literature for our time must go beyond Eurocentrism and expand the canon to include great works from non European and minor European literatures As much of the world s literature remains untranslated and unknown the expansion will be an exciting process of discovery By discussing fundamental questions around canon circulation aesthetic values translation cosmopolitanism and the literary universal Zhang Longxi proposes a new and liberating concept of world literature that will shape world literature worthy of its name This book speaks for a more inclusive idea of world literature and shows students and scholars alike that all the literary traditions particularly non European traditions will be able to make important contributions and expand the canon of world literature **Glass & Pottery World** ,1896 **The World's Greatest Religious Leaders** Scott E.

Hendrix, Uchenna Okeja, 2018-03-01 This book provides reliable information about important world religious leaders correcting the misinformation that can be on the internet Religious leaders have shaped the course of history and deeply affected the lives of many individuals This book offers alphabetically arranged profiles of roughly 160 religious leaders from around the world and across time carefully chosen for their impact and importance and to maximize inclusiveness of faiths from around the world Scholars from around the world each one an expert in his or her field and all holding advanced degrees came together to create an essential resource for students and for those with an interest in religion and its history

Every entry has been carefully edited in a two stage review process guaranteeing accuracy and readability throughout the work Not strictly a biographical reference that recounts the facts of religious figures lives the book helps users understand how the selected figures changed history The entries are accompanied by excerpts of primary source documents and suggestions for further reading while the book closes with a bibliography of essential print and electronic resources for further research

The World's Best Essays, 1908 *The history of emotions* Rob Boddice, 2024-02-13 This book introduces students and professional historians to the main areas of concern in the history of emotions and its intersection with emotion research in other disciplines It discusses how the emotions intersect with other lines of historical research relating to power practice society and morality The revised and fully updated second edition of the book demonstrates the field's centrality to historiographical practice as well as the importance of this kind of historical work for general interdisciplinary understandings of the value and the meaning of human experience

GODS MISSIVE TO THE SOUL THE SISTINE CHAPEL A Study in Celestial Cartography is a highly mystical and contemplative inquiry into The Mysteries and Esoteric Teachings of the Catholic Church The Catholic Church's only onus in the world is to re-articulate the sacred scriptures esoterically into as many artistic venues as possible Through a comprehensive comparative analysis of the symbolic and esoteric patterns codified to the Judeo-Christian Scriptures the landscape of Jerusalem Chartres Cathedral stone and glass Dante Alighieris La Divina Commedia pen and ink the Sistine Chapel mosaics paint and wet plaster and Saint Peters Basilica marble the reader can determine for him or herself the efficacy of the esoteric science which hails from the dawn of the time-space continuum as a direct missive from God The author discovered a relatively simple and yet extremely sophisticated mathematical and grammatical system of thought in ancient literature the integration of the Seven Liberal Arts Antiquity developed this esoteric science inherent in the soul psyche to codify the Word of God esoterically into the world's sacred literature Each letter of the world's sacred literature is symbolized and alphanumerically structured which makes the interpretation of each word far more important than the sum of its letters The Holy Writ i.e. the world's religious literature is an encyclopedic library of knowledge relating wholly to the soul psyche There is no purpose for esotericism's existence other than for God to have a one-on-one relationship with the soul psyche Why is the soul psyche seemingly in the world How did the soul psyche come to its present state of existence What can the soul psyche do to extricate itself from its plight when the dynamic forces of the world become too oppressive for it to bear
