Capital and Labour: a Paper Read Before the Literary Section and General Members of the Nottingham and County Liberal Club William George Ward,1874

Capital and Labour: a paper read before the literary section and general members of the Nottingham and County Liberal Club, and to delegates from operatives' trade societies, ... also seven nights' discussion thereon, ... and Mr. W.'s reply W. G. WARD (Esqr.),1874 [The Virginia Venture](#) Misha Ewen,2022-08-16 The Virginia Venture is an innovative exploration of how a wider public of women children and men across English society contributed to the foundation of the first permanent English colony in America Jamestown Virginia Drawing on sources from dozens of archives in the United States and England it provides a fresh perspective on how capital and labor were mobilized to help build the colony not from the perspective of elite investors alone but from the point of view of ordinary people across the country Women and the laboring poor have been overlooked in these efforts The Virginia Venture brings them center stage As well as exploring how society at home supported colonization the book examines the impact that colonization had on English society including changes in attitudes and behaviors from the provision of poor relief to domestic tobacco cultivation The book shows that as English society became more tightly invested in colonization in America this sparked contestations over the prioritization of English and American interests English social history in the seventeenth century cannot be understood without this imperial perspective The Virginia Venture is essential reading for scholars of English social and imperial history and early American history It

draws on the methods of transatlantic history showing the intimate connections between England and America but it is deeply rooted in the social history archive of England It demonstrates how English archives can be used to their fullest extent to illuminate this crucial period of American history **Catalog of Copyright Entries.
