Reading The New Testament Today A Modern Introduction:

Reading the Gospels Today Stanley E. Porter,2004 As ancient documents the New Testament Gospels can seem distant from contemporary life or irrelevant to modern society Further complicating the task of reading the Gospels is the way they seem to introduce differing if not competing pictures of Jesus Reading the Gospels Today is meant to help Bible readers understand and move beyond the difficulties involved in interpreting Scripture in our current context In these insightful studies several biblical scholars explore the content of the Gospels while also discussing how to read these writings in relation to each other and in terms of today s world Some chapters consider issues that vex Gospel criticism others look at particular texts or Synoptic themes still others demonstrate how one s immediate interpretive context helps to raise the issues and shape the answers that are found when we read the Gospels Well organized thoughtfully written and widely accessible this volume will serve to draw readers into the exciting field of contemporary Gospels study Contributors Craig A Evans Michael Knowles Andrew T Lincoln Allan Martens Lee Martin McDonald Stanley E Porter Al Wolters Yong Eui Yang

Eugene Boring, Fred B. Craddock, 2010-01-01 M Eugene Boring and Fred B Craddock present this new one volume commentary on the New Testament Writing from the fundamental conviction that the New Testament is the people's book Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume Paul the Missionary Eckhard J. Schnabel, 2010-01-28 Drawing on his monumental scholarly commentary on the Bible study Early Christian Mission Volume 2 Eckhard J Schnabel's gives us an overview of Paul's missionary practices strategies and methods and then weighs contemporary evangelical missiology and practice in light of Paul The Life and Witness of David Larry R. Helyer, 2020-12-09 The Life and Witness of David introduces the general reader to the remarkable career of David son of Jesse This man streaked across the skies like a meteor and could rightly be called a Hebrew superstar The stories about him are among the most beloved and captivating in Scripture The author distills this amazing story in thirteen chapters and adds a fourteenth to sum up David's legacy in history liturgy and worship David transformed the land of Israel from an insignificant federation of tribes into a Middle Eastern power an extraordinary feat unparalleled in Israel s history His importance however lies less in his military and political accomplishments than in his spiritual and theological contributions In his action packed life and in the book of Psalms David the man after God's own heart speaks through the Spirit of God to our hearts in all the vicissitudes of life At numerous points the author draws attention to moments in David s story that reecho in the pages of the NT David's story prefigures the story of David's greater son Jesus Son of God The typological links connecting David and Christ in redemptive history are a key emphasis in this book One Thing I Know Britt Leslie, 2015-04-29 This work employs multiple methodologies to analyze the story of the man born blind John 9 in order

to discern how this episode serves the greater purpose of the Gospel stated in 20 31 so that you may trust that Jesus is the Messiah the Son of God and through trusting you may have life The analysis of linguistic patterns narrative structure cultural anthropology and an analysis of irony humor and wit are each employed. These are all synthesized in the final chapter which makes an attempt to discern how an ancient performance of John 9 might look and how such a performance might sway an ancient audience toward trust in Jesus as Messiah Books of 1912- ,1922 Scripture as Communication Jeannine K. Brown, 2021-07-20 Jeannine Brown a seasoned teacher of biblical interpretation believes that communication is at the heart of what happens when we open the Bible We are actively engaging God in a conversation that can be life changing In this guide to the theory and practice of biblical hermeneutics Brown emphasizes the communicative nature of Scripture proposing a communication model as an effective approach to interpreting the Bible The new edition of this successful textbook has been revised and updated to interact with recent advances in interpretive theory and practice the Bible Thomas Jay Oord, Richard Thompson, 2018-04-25 Rethinking the Bible explains Scripture in ways that make sense and deepen Christian faith Its essays ask and answer central questions about Scripture such as What is the primary function of the Bible Can the Bible be trusted if it has errors What does divine inspiration mean if humans wrote the Bible How should preachers use the Bible today Does the Bible mean now what it meant when written How has archaeology changed the way we interpret the Bible Should the Dead Sea Scrolls affect our view of the Bible What authority does the Bible have matters of science Is the Bible a container of truth statements or tool for formation How should we handle contradictions we find in the Bible Should postmodernism influence how we read the Bible The standard answers to these questions no longer make sense Many people today seek a more adequate way to understand what the Bible is and does Those who ask deep questions about Scripture want plausible answers This book offers answers to questions about the Bible that make sense in our time Mission? Dean Flemming, 2015-11-03 Recent years have seen heightened interest in how to read scripture from a missional perspective This book addresses that question by exploring both how the New Testament bears witness to the mission of God and how it energizes the church to participate in that mission It also makes a distinctive contribution by applying a missional reading to a variety of New Testament books offering insights into New Testament theology and serving today s discussions about mission and the church Dean Flemming has written a game changing book on the interpretation of scripture for the mission of the church This relatively slim but rich volume is absolutely mandatory reading for all serious students of the New Testament and for all who wish to understand the church's participation in the mission of God It should be on the syllabus of every ecclesially focused course on the New Testament and every biblically attuned course in ecclesiology and in missiology Michael J Gorman Raymond E Brown Professor of Biblical Studies and Theology St Mary's Seminary and University Baltimore MD I am always grateful when another book by Dean Flemming appears His writing arises out of his significant cross cultural experience his outstanding scholarship and his careful listening to the Spirit in the text This book is written clearly

and is full of nourishing insight Michael W Goheen Professor of Missiology Calvin Theological Seminary Grand Rapids MI former Geneva Chair of Worldview Studies Trinity Western University Langley BC and Teaching Fellow in Mission Studies Regent College Vancouver BC Why mission is a critical question one not asked or understood often enough Here is a stirring reading of the New Testament that demonstrates a living triune God on mission bringing redemption to the world through a living apostolic church So much rich theological interpretation packed into a small book Nijay K Gupta assistant professor of New Testament George Fox Evangelical Seminary Portland OR Since writing The Mission of God I have felt guilty that it paid so much more attention to a missional reading of the Old than of the New Testament This fine book relieves me of that guilt This is an outstandingly clear and faithful exposition of what it means to read the New Testament from the perspective of and with the intention of participating in the mission of God as revealed in the whole Bible Christopher J H Wright International Ministries Director Langham Partnership
