Everything You Need to Know to Begin Working With Runes The human language gives us the power to create It is possible because we can use a different combination of words to express unique meanings or ideas Today it is still debated how many words are in the English language with some sources such as the Oxford English Dictionary assuming that the official number is close to 750 000 Runes are a set of alphabets just like the alphabets that exist in the languages practiced today They prominently feature vertical and often slanted lines This arrangement of lines serve a purpose and they are 1 Parchments were an expensive commodity back then so writing on them was not a viable option Ink wasn t cheap and for that reason using it was uncommon Therefore runes were carved into objects and surfaces instead 2 Since carving was used using straight lines was much easier than curves 3 While using straight lines runes avoided the inclusion of horizontal strokes as those lines could look like the natural lines of surfaces like wood thereby removing any trace of the line itself No one can establish with absolute certainty when the runes originated One of the most popular theories is that it was developed by the Goths a race of

East Germanic people Historians also believe that runes have taken inspiration from the Latin alphabet While this does not narrow down its time of origin it gives a rough estimate placing it in the 1st century BC In this book you ll discover History of Runes The Power of Runes Runes of the Elder Futhark The Art of the Runestave How To Successfully Runecasting for Beginners Advanced Runecasting Techniques and much more Get your copy now *The Runes* J Hamburger,2020-12-05 This modern guide explains everything you need to know to start doing your own in depth rune readings The descriptions are rich and accurate based on new translations of the original rune poems J Hamburger combines deep respect for the ancient texts with practical rune reading experience to bring you a truly authentic and inspiring book Rune reading is a tool for gaining insight Some see it as divination a way of tapping into hidden knowledge Others use it for self reflection or focusing intention Consulting the runes can be like talking to an old friend you may know the truth but sometimes you need to hear it before you believe it However you use them these ancient symbols will help you access your intuitive wisdom Before Christianity spread to northern Europe the indigenous peoples of the region were Germanic tribes like the Anglo Saxons Goths and Norsemen Runes were the letters of their alphabets Over time these letters developed rich symbolic meanings passed down through poems and myths Like most pre Christian cultures the Germanic peoples were polytheistic and they revered natural elements as sacred When you pick up the runes you are entering a vibrant world grounded in nature and everyday life yet full of heroes gods and mythology Most of what we know about runes comes from just a few ancient poems It may be tempting to focus on the nicer elements from each poem overlooking anything too difficult or unpleasant but it s clear from the poems that runes have a dark side and we know from history that the people who used them were both fearless and fearsome This book doesn t leave anything out All of the mystical depth is there and so is the fighting spirit
