 Porter,2022-07-28 Social change and cultural division in America have accelerated in this century and further intensified  
 with the Covid 19 pandemic the George Floyd incident and the two recent presidential elections Seemingly settled issues  
 social change to bring equal opportunity for minority populations and the basic importance of equal protection under the law  
 have been upended or reversed Americans are under extreme pressure grappling with upheavals over race education  
 economic structure crime immigration and foreign policy For context it is instructive to review the years of radical social  
 activity from the 1960s on and chronicle the positive achievements Today s discourse has fractured and polarized us There is  
 no longer a consensus on how to disagree in public America Challenged The New Politics of Race Education and Culture

provides needed analysis and commentary and presents viewpoints largely unreported in the mainstream press This book is of crucial importance to all who care about America reaching its fullest potential and for people who want to play a meaningful role in the continued development of our country      *An African American Dilemma* Zoë Burkholder,2021-07-11

*An African American Dilemma* offers the first social history of northern Black debates over school integration versus separation from the 1840s to the present Since *Brown v Board of Education* in 1954 Americans have viewed school integration as a central tenet of the Black civil rights movement Yet school integration was not the only or even always the dominant civil rights strategy At times African Americans also fought for separate Black controlled schools dedicated to racial uplift and community empowerment *An African American Dilemma* offers a social history of these debates within northern Black communities from the 1840s to the present Drawing on sources including the Black press school board records social science studies the papers of civil rights activists and court cases it reveals that northern Black communities urban and suburban vacillated between a preference for either school integration or separation during specific eras Yet there was never a consensus It also highlights the chorus of dissent debate and counter narratives that pushed families to consider a fuller range of educational reforms A sweeping historical analysis that covers the entire history of public education in the North this work complicates our understanding of school integration by highlighting the diverse perspectives of Black students parents teachers and community leaders all committed to improving public education It finds that Black school integrationists and separatists have worked together in a dynamic tension that fueled effective strategies for educational reform and the Black civil rights movement a discussion that continues to be highly charged in present day schooling choices
