Rakestraw, 1994 Ethical interpretations meet real life Case studies and readings explore divergent views on morals in action Readings in Christian Ethics David K. Clark, Robert V. Rakestraw, 1994-02 Essays by leading ethicists provide students with a comprehensive introduction to ethical thinking *African Christian Ethics* Samuel Waje Kunhiyop, 2019-04-09 An introduction to African Christian ethics for Christian colleges and Bible schools African Christian Ethics is divided into two main parts The first deals with the theory of ethics while the second discusses practical issues The issues are grouped into the following six sections Socio Political Issues Financial Issues Marriage Issues Sexual Issues Medical Issues Religious Issues Each of these six section begins with a brief general introduction followed by the chapters dealing with specific issues in that area Each chapter begins with an introduction discusses traditional African thinking on the issue presents an analysis of relevant biblical material and concludes with some recommendations There are questions at the end of each chapter for discussion or personal reflection often asking students to reflect on how the discussion in the chapter applies to their ministry situation *GraceQuest* Robert V. Rakestraw, 2015-04-13 In this fascinating spiritual theological autobiography Robert Rakestraw tells of his lifelong unceasing search for God After a troubled and unconventional childhood he came to know the grace and freedom of God in a personal way during his college years He then embarked on an unwavering intellectual and spiritual quest for truth and meaning in life Without technical language Rakestraw highlights significant developments and revisions in his understanding of God and God's ways of interacting with the world In striking and sometimes intimate detail he relates compellingly his experiences as a student pastor professor sufferer heart transplant recipient and above all seeker of God Dr Rakestraw's gripping portrayal of his difficulties and sufferings especially with regard to health issues does not come across as depressing Rather it presents the sustaining love and goodness of God in such a way that will pull readers in to investigate the remarkable and freely offered grace of God extolled by the author The Politics of Yahweh John C. Nugent, 2011-11-08 John Howard Yoder is most famous for arguing in *The Politics of Jesus* that a sound reading of the New Testament demonstrates the abiding relevance of Jesus to social ethics However it is seldom acknowledged that Yoder makes essentially the same argument with regard to the Old Testament Throughout his extensive writings Yoder offers a provocative interpretation of the Old Testament that culminates in the way of Jesus and establishes the ethical ecclesiological and historiographical continuity of the entire biblical canon In *The Politics of Yahweh* presented as a prequel to *The Politics of Jesus* John C Nugent makes Yoder's complete Old Testament interpretation accessible in one place for the first time Nugent does not view Yoder's interpretation as flawless Rather Nugent moves beyond summary to offer honest critique and substantial revision His constructive proposal which stands in

fundamental continuity with the work of Yoder is likely to provoke thought from theologians biblical scholars and ethicists Even at points where readers disagree with some of his and Yoder s interpretations they will be challenged to explore new perspectives and rethink common assumptions concerning the diverse and often confusing issues that arise from sustained reflection on the Old Testament *Christian Ethics* Wayne Grudem,2018-07-20 What does the Bible teach about how to live in today s world Best selling author and professor Wayne Grudem distills over forty years of teaching experience into a single volume aimed at helping readers apply a biblical worldview to difficult ethical issues including wealth and poverty marriage and divorce birth control abortion euthanasia homosexuality business practices environmental stewardship telling the truth knowing God s will understanding Old Testament laws and more *Christian Ethics* Hak Joon Lee,2021-11-09 In this capacious and accessible introduction to Christian ethics Hak Joon Lee advances a renewed vision of Christian life that is liberative grace centered and justice and peace oriented in nature Responding to key ethical questions of today Lee applies the moral meaning and implications of the New Covenant in Jesus Christ to twenty first century life characterized by fluidity fragmentation division and violence Christian Ethics begins by introducing covenant as the central drama and storyline of Scripture that culminates in the New Covenant of Jesus It presents shalom the wholeness and flourishing of creation as God s ultimate purpose and God s covenant as God s organizing mechanism of community that mediates God s work of liberation and restoration Lee proposes a creative model of Christian ethics based on the New Covenant of Jesus and its organizing patterns reconstructing the key categories of ethics agency norms authority of Scripture ethical discernment etc and drawing out four practices communicative engagement just peacemaking grassroots organizing and nonviolence The result is a new model of Christian ethics that is inclusive egalitarian ecological and justice and peace oriented which overcomes the limitations of traditional covenantal ethics In the second part of the book Lee systematically applies New Covenant ethics to the most urgent and controversial social issues of our time democratic politics economic ethics creation care criminal justice race sex and marriage medicine and war and peace Through his deep pastoral and irenic inquiries into these difficult topics Lee demonstrates a pattern of covenantal moral reasoning that undercuts the dominant neoliberal ethos of individualism and transactional relationship that more and more influences Christian moral decisions His conclusion is that as covenant has been at the heart of modern democracy human rights civil society and civic formation a renewed understanding of covenant centered in Jesus can help to heal our broken society and imperiled planet and to reorganize the fragmented human life in the era of globalization and digitization *Ethics and Moral Reasoning* C. Ben Mitchell,2013-11-30 Gay marriage Embryonic stem cell research Abortion Such generation defining issues loom large in our society and demand a thoughtful response Helping Christians to interact with our morally confused world Ben Mitchell challenges the relativism so rampant in the West today In addition to examining the history of ethical reflection from Moses to Immanuel Kant Mitchell also incorporates the voices of current Christian ethicists such as Stanley Hauerwas and N T Wright proposing a holistic approach to ethics one

Christian Ethical Implications of the Presence of the Kingdom as God's Performative Action in the Light of Speech Act Theory Anna Cho, 2019 This book presents a novel Biblical ethical hermeneutic approach that emerges from an understanding of the presence of the kingdom of God in the Biblical text The approach is predicated upon the use of speech act theory abbreviated as SAT in relation to kingdom language in the Biblical text The approach shows how the notion of kingdom language as God's divine activity is elicited in the contemporary Christian's life by allowing it to operate beyond the world of the Biblical text In other words this approach establishes a Biblical ethical hermeneutic bridge between the text and its context and the context of contemporary readers of the text The alternative linguistic epistemology in SAT considers the principle of the kingdom of God in the past locution level the present illocutionary level and the future perlocutionary level The dynamic equivalences of the past present and future of the kingdom of God based on an SAT approach to the Biblical text can inform Christian ethical theory and moral action in the present world It can also provide a new moral sensibility in relation to God's sovereignty and the responsibility of Christians in contemporary society NKJV, Unapologetic Study Bible Emmanuel Foundation, 2017-11-07 The NKJV Unapologetic Study Bible cuts through the confusion with clear answers for today's most complicated and controversial issues With timely articles thoughtful book introductions insightful quotations and profiles on some of history's most unapologetic defenders of the faith this is a Bible that won't leave you guessing You'll grow in confidence as you discover how to defend your faith and share it with others in a world increasingly at odds with the truth of God's Word The Bible doesn't shy away from the tough topics and neither should you Features Include Book Introductions Provide key passages and background information for each book Articles Over 220 articles placed near relevant Scripture passages bring keen biblical insight to the current issues of the day Quotations Over 70 quotations from historical figures help you understand first that the issues of the day are not new and second that wise people throughout history have been challenged to live by biblical standards just as we are today Unapologetic Profiles Over 50 profiles of historical figures inspire you with biblical faith lived out in the face of seemingly impossible circumstances Indexes Categorize each of the above features to assist you in a topical study of the issues that matter to you 8.9 point print size

God, Marriage, and Family Andreas J. Köstenberger, David W. Jones, 2010 This updated edition of Köstenberger and Jones's landmark work tackles the latest debates and cultural challenges to God's plan for marriage and the family and urges a return to a biblical foundation **Pursuing Moral Faithfulness** Gary Tyra, 2015-04-15 In response to the moralism and relativism that characterize the present age Gary Tyra presents an evangelical ethic for everyday moral faithfulness arguing that Christians can have confidence in their Christ-centered Spirit-enabled ability to discern and do the will of God in any

moral situation **Fishing for Jonah (anew)** Louis C. Jonker, Douglas G. Lawrie, 2005-03-01 Fishing for Jonah anew introduces students of theology to a wide range of approaches or methods in biblical interpretation drawing on the book of Jonah for illustrations This thoroughly revised version of Fishing for Jonah Conradie Jonker Lawrie Arendse 1992 represents both a contraction and an expansion compared to its predecessor **Pacifism and Pentecostals in South Africa** Marius Nel, 2018-06-27 Most of the early twentieth century Pentecostal denominations were peace churches that encouraged a stance of conscientious objection However since the Second World War Pentecostals have largely abandoned their pacifist viewpoint as they have taken on a more literal Biblical hermeneutic from their interaction with Evangelical denominations This book traces the history of nonviolence in Pentecostalism and suggests that a new hermeneutic of the Bible is needed by today's Pentecostals in order for them to rediscover their pacifist roots and effect positive social change The book focuses on how Pentecostalism has manifested in South Africa during the twentieth century Much of the available academic literature on hermeneutics and exegesis in the field of Pentecostal Studies is of an American or British European origin This book redresses this imbalance by exploring how the Bible has been used amongst African Pentecostals to teach on the apparent paradox of a simultaneously wrathful and loving God It then goes on to suggest that how the Bible is read directly affects how Pentecostals view their role as potential reformers of society So it must be engaged seriously and thoughtfully By bringing Pentecostalism's function in South African society to the fore this book adds a fresh perspective on the issue of pacifism in world Christianity As such it will be of great use to scholars of Pentecostal Studies Theology and Religion and Violence as well as those working in African Studies **Ethics and the Autonomy of Philosophy** Bernard James Walker, 2014-11-06 In Ethics and the Autonomy of Philosophy Bernard Walker sets out with two objectives First Walker argues that ethics is autonomous as a discipline Oftentimes ethics books from a Christian perspective lean toward grounding ethics in theology or in biblical proof texting Walker departs from this tradition Ethics grounded in theology entails a limited scope for those doing ethics in that the Christian God must be assumed for both Christian and non Christian when at the table of ethical dialogue For the non Christian this loads the dice and shuts down ethical consensus and dialogue if not ethical truth With that said this book does not depart from Christian ethical views on such issues as the sanctity of life antiracism the death penalty the objectivity of ethics and the importance of integrating faith into ethics however Walker does so from a common denominator of philosophy rather than theology Second Walker ventures into the streets and engages the man woman on the streets approach to ethics and ethical decision making He points out the shortcomings of the ubiquitous views of the man woman on the streets viz cultural relativism skepticism and the attitude that ethics is merely a matter of personal choice

Integration Paul J. Morrison, 2022-06-23 While the Southern Baptist Convention has so often been a step behind on the issue of race since its formation there was still light shining in the darkness a group of biblically faithful men and women who both recognized and fought for their racially marginalized brothers and sisters Chief among these men and women was

Thomas Buford Maston T B Maston faithfully engaged the topic as the SBC's preeminent ethicist from 1922-1963 as a professor at Southwestern Baptist Theological Seminary. This stand ultimately cost him his job. Even still, some sixty years later, his theology and ethics model the full unity in Christ. This book examines the writings of T B Maston in his efforts to reform the racially misguided interpretations of Scripture in the church and their subsequent prejudices. Maston is not merely a visionary who foreshadowed the eventual position of the SBC and more widely the evangelical church but is one who directly caused legitimate change. Maston's profound yet humble work gives a blueprint for future racial reconciliation through integration in the church.

The End of Sacrifice John Howard Yoder, 2011-09-01 John Howard Yoder 1927-1997 who was a professor at Notre Dame University and Associated Mennonite Biblical Seminary was one of the 20th century's leading theologians. Scholars continue to study his writings on pacifism and other subjects. *The End of Sacrifice* brings together four decades of Yoder's published and unpublished writings on capital punishment. He engaged in sophisticated biblical, sociological, and historical analysis in order to demonstrate that from ancient society until today, capital punishment is an inherently cultic sacrificial rite. Since the death of Jesus brought a decisive end to all sacrifices for sin, Yoder argues Christians should proclaim the abolition of the death penalty. Its advocates should no longer claim biblical validation. In doing so, Yoder also makes a persuasive case for proactive Christian witness to the state. He calls the church to proclaim the end of sacrifice to public officials who are responsible for carrying out capital punishment. John Howard Yoder was unique in how he brings together both the biblical and sociological roots of the practice of capital punishment. Many Christian works focus on the former, whereas other works focus exclusively on the latter. John C. Nugent

Constantine Revisited John D. Roth, 2013-06-27 This collection of essays continues a long and venerable debate in the history of the Christian church regarding the legacy of the Roman emperor Constantine the Great. For some, Constantine's conversion to Christianity early in the fourth century set in motion a process that made the church subservient to the civil authority of the state, brought a definitive end to pacifism as a central teaching of the early church, and redefined the character of Christian catechesis and missions. In 2010, Peter J. Leithart published a widely read polemic, *Defending Constantine*, that vigorously refuted this interpretation. In its place, Leithart offered a thoroughgoing rehabilitation of Constantine and his legacy while directing a rhetorical fusillade against the pacifist theology and ethics of the Mennonite theologian John Howard Yoder. The essays gathered here in response to Leithart reflect the insights of eleven leading theologians, historians, and ethicists from a wide range of theological traditions. They engage one of the most contentious issues in Christian church history in irenic fashion and at the highest level of scholarship. In so doing, they help ensure that the Constantinian Debate will continue to be lively, substantive, and consequential.
