Readings In Intercultural Communication:

Readings in Intercultural Communication: Experiences and Contexts Judith Martin, Thomas Nakayama, Lisa Flores, 2002
The goal of this revised edition is to explore multiple perspectives in intercultural communication that are grounded in the everyday communication experiences of study The essays in this edition range from the classic writings of E T Hall Gerry Philipsen and Geert Hofstede to more recent scholarship influenced by critical theory and cultural studies *Culture, Communication, and Conflict* Gary Rodger Weaver, 1994

Readings in Intercultural Communication Judith N. Martin, Thomas K. Nakayama, Lisa Flores, 2001 The goal of this revised edition is to explore multiple perspectives in intercultural communication that are grounded in the everyday communication experience of study Readings in Intercultural Communication David S. Hoopes, 1976

Intercultural Communication Pamela J. Cooper, Carolyn Calloway-Thomas, Cheri J. Simonds, 2007-05 Intercultural Communication A Text with Readings provides a narrative approach to help students understand both the depth and breadth of intercultural communication The text reader combination provides students and instructors with the best of both worlds the text material written by the authors presents the foundations of intercultural communication while the narratives and readings provide interesting examples to help clarify ideas and principles In this text the authors Combine a text and reader in order to introduce students to research and theory as well as their practical applications Use a narrative storytelling approach to intercultural communication to make understanding key concepts easier and more interesting for students Begin each chapter with a narrative usually written by one of the authors from a personal experience to provide an engaging introduction to the chapter topic Conclude each chapter with readings to enhance the students understanding of the material covered in the chapter Follow each reading with discussion questions and activities that guide the students to apply the intercultural experiences stories of others in order to make sense of their own personal stories Offer a wide range of authors and topics to provide the reader with a thorough introduction to the field of study Praise for Intercultural Communication This is an exceptional book providing an excellent presentation of both organizational communication theories and concepts and pragmatic applications of these perspectives Please let me know when this book will be in print so that I may adopt it Sheryl D Lidzy Murray State University

The best feature of the book is the authors writing style When they are explaining concepts there is 100% clarity Victoria Leonard College of the Canyons The case studies the narrative approach and the activities in the sections are all great strengths Bernardo Attias California State University Northridge
