Readings In Modern Theology:

The Challenge of History Christophe Chalamet, 2020-04-07 The advent of the modern historical and critical methods of reading Scripture is one of the most significant events in the last five hundred years of Christian history and theology New questions arose in the course of that history that led to new sometimes troubling answers New ways of considering Scripture were articulated The crisis in which academic Christian theology has found itself for approximately two hundred years is directly related to the emergence of new ways of studying and criticizing the Bible The Challenge of History traces the trajectory of these developments presenting key readings from over thirty five theologians from Erasmus to Pannenberg whose writings relate to the birth of modern historical and critical exegesis and more broadly to the emergence among theologians and biblical scholars of a certain historical consciousness that characterizes vast segments of modernity How did the historical and critical methods arise How did they impact the study of Scripture What are their implications for Christian theology Scripture is read and needs to be read differently in a parish in a monastery and in an academic setting But the various ways of approaching Scripture should not be cordoned off from one another This volume is an ideal textbook for in depth study of one of the most important topics in modern theology

Readings in Modern Theology Robin Gill, 1995 Carefully arranged with the needs of students in mind this introductory reader provides representative samples of some of the best and most influential theology to emerge from Britain and the United States over the last fifteen years A helpful introduction editorial commentary and bibliographical notes make it an accessible textbook Along with the longer readings the book includes reviews of foundational works giving the reader a sense of the dynamics and development of particular areas of debate

Theology and Sexuality Eugene F. Rogers, Jr., 2002-02-01 This much needed volume draws on a wide range of resources and some of the freshest talent in the field to examine debates about theology and sexuality Material is drawn from a variety of ancient medieval modern and contemporary texts to provide readers with a broad perspective on the issues discussed

The Theological Interpretation of Scripture Stephen E. Fowl, 1997-01-31 This book introduces students to the practice of reading scripture theologically and shows how explicitly theological concerns can be brought to bear on the interpretation of scripture While the volume offers some methodological essays it does not lay out a single method it points to the variety of questions that can and have been raised about interpreting scripture theologically

Theology After Liberalism John Webster, George P. Schnier, 2000-04-07 This reader brings together texts which articulate or debate with the mode of theology most commonly identified as post liberal

Theology Alister E. McGrath, 2011-09-13 Completely updated and expanded this third edition from one of the world's leading theologians introduces students to key theological issues contextualizing them within the bible and the works of seminal theologians Introduces readers to key theological issues such as God Jesus the Holy Spirit faith creation salvation atonement religious history and heaven Thoroughly updated with the addition of a new chapter on the Holy Spirit Now includes images and more pedagogical

features to engage the reader Each chapter offers an overview of an important theme presents relevant biblical passages and summarizes the contribution of a major theologian Expands the range of theological positions discussed within the book especially those of contemporary and feminist theologians Maintains the user friendly structure of the previous edition with the Apostle's Creed as a framework Concludes with suggestions on how readers can take their study further Can be used alongside the new edition of Theology The Basic Readings for a complete overview of the field *Inquiring After God* Ellen Charry, 2000-02-08 Instead of introducing students to Christian theology through its doctrines this text introduces it through discussion of church practices and of the experience of everyday Christian life *Blackwell Readings in Modern Theology*, 19?? **Reading the Bible Theologically** Darren Sarisky, 2019-01-17 Examines what theological reading is and how it shapes the interpretation of Biblical text through explicit focus on the reader *Ford's The Modern Theologians* Rachel Muers, Ashley Cocksworth, 2024-03-18 Captures the multiple voices of Christian theology in a diverse and interconnected world through in depth studies of representative figures and overviews of key movements Providing an unparalleled overview of the subject The Modern Theologians provides an indispensable guide to the diverse approaches and perspectives within Christian theology from the early twentieth century to the present Each chapter is written by a leading scholar and explores the development and trajectory of modern theology while presenting critical accounts of a broad range of relevant topics and representative thinkers The fourth edition of The Modern Theologians is fully updated to provide readers with a clear picture of the broad spectrum and core concerns of modern Christian theology worldwide It offers new perspectives on key twentieth century figures and movements from different geographical and ecclesial contexts There are expanded sections on theological dialogue with non Christian traditions and on Christian theology's engagement with the arts and sciences A new section explores theological responses to urgent global challenges such as nationalism racism and the environmental crisis Providing the next generation of theologians with the tools needed to take theological conversations forward The Modern Theologians Explores Christian theology's engagement with multiple ways of knowing across diverse approaches and traditions Combines introductions to key modern theologians and coverage of the major movements within contemporary theology Identifies common dynamics found across theologies to enable cross contextual comparisons Positions individual theologians in geographical regions trans local movements and ecclesial contexts Features new and revised chapters written by experts in particular movements topics and individuals Providing in depth critical evaluation and extensive references to further readings and research Ford's The Modern Theologians An Introduction to Christian Theology since 1918 Fourth Edition remains an ideal textbook for undergraduate and graduate courses in Theology and Religious Studies such as Introduction to Christian Theology Systematic Theology Modern Theology and Modern Theologians It is also an invaluable resource for researchers those involved in various forms of Christian ministry teachers of religious studies and general readers engaged in independent study **Blackwell Readings in Modern Theology**, 2000 **The Modern Theologians**

Reader David F. Ford, Mike Higton, 2011-12-12 The Modern Theologians Reader is an outstanding selection of the key writings in modern theology with each extract introduced and annotated to support student learning A unique stand alone text which can also be used alongside the highly successful textbook The Modern Theologians Features introductory notes and annotations with each extract to help students understand the relevance and importance of the reading Includes selections from major 20th century theologians and theological movements and texts on Christian theology's relation to science globalization and other faiths such as Buddhism and Judaism Edward Schillebeeckx and Contemporary Theology Lieven Boeve, Frederiek Depoortere, Stephan van Erp, 2010-12-09 **The Postmodern God** Graham Ward, 2005 Ford's The Modern Theologians Rachel Muers, Ashley Cocksworth, 2024-02-21 Captures the multiple voices of Christian theology in a diverse and interconnected world through in depth studies of representative figures and overviews of key movements Providing an unparalleled overview of the subject The Modern Theologians provides an indispensable guide to the diverse approaches and perspectives within Christian theology from the early twentieth century to the present Each chapter is written by a leading scholar and explores the development and trajectory of modern theology while presenting critical accounts of a broad range of relevant topics and representative thinkers The fourth edition of The Modern Theologians is fully updated to provide readers with a clear picture of the broad spectrum and core concerns of modern Christian theology worldwide It offers new perspectives on key twentieth century figures and movements from different geographical and ecclesial contexts There are expanded sections on theological dialogue with non Christian traditions and on Christian theology's engagement with the arts and sciences A new section explores theological responses to urgent global challenges such as nationalism racism and the environmental crisis Providing the next generation of theologians with the tools needed to take theological conversations forward The Modern Theologians Explores Christian theology's engagement with multiple ways of knowing across diverse approaches and traditions Combines introductions to key modern theologians and coverage of the major movements within contemporary theology Identifies common dynamics found across theologies to enable cross contextual comparisons Positions individual theologians in geographical regions trans local movements and ecclesial contexts Features new and revised chapters written by experts in particular movements topics and individuals Providing in depth critical evaluation and extensive references to further readings and research Ford's The Modern Theologians An Introduction to Christian Theology since 1918 Fourth Edition remains an ideal textbook for undergraduate and graduate courses in Theology and Religious Studies such as Introduction to Christian Theology Systematic Theology Modern Theology and Modern Theologians It is also an invaluable resource for researchers those involved in various forms of Christian ministry teachers of religious studies and general readers engaged in independent study **Theology, History, and Biblical Interpretation** Darren Sarisky, 2020 The Christian Bible serves as the sacred scripture of the Christian community It is read regularly by many people around the world today as it has been for centuries But how should one interpret this text This

reader presents a variety of perspective on how to relate historical and theological considerations when approaching the Bible It encourages students and scholars to ponder how historical and theological categories shape one's view of three crucial realities the text of the Bible the human subject who reads the text and the nature of the exchange between the two in the practice of reading As historical and theological categories are applied to these realities are they mutually exclusive or can they be combined in some way This reader encourages students and scholars to explore these important questions by bringing together a selection of some of modernity's most influential discussions of the issues as well as some of the present day's most distinguished attempts to weigh in on the debate

Theology Alister E. McGrath, 2013-05-20 This short balanced and accessible Reader introduces the Christian faith through important theological readings covering historical modern denominational gender liberal and traditional issues It is the ideal accompaniment to the bestselling textbook *Theology: The Basics* 2nd edition Edited by leading theologian Alister E McGrath this volume brings together a range of readings which act as an introduction to the Christian faith Includes 56 readings chosen for their balanced portrayal of chronology denomination gender and theological orientation Provides an introduction and analysis of each reading along with a helpful glossary Uses the Apostle's Creed as an accessible framework to introduce readers to writings on key issues such as faith God Jesus creation and salvation Encourages readers to interact with each text and to engage with primary sources

A New Reading of Jacques Ellul Jacob Marques Rollison, 2020-09-10 This book presents an original and dynamic reading of the twentieth century French sociologist and theological ethicist Jacques Ellul Adopting Ellul's use of presence as a hermeneutical key to understanding his work it examines the origins of Ellul's approach to presence in his readings of Kierkegaard and the biblical book of Ecclesiastes highlights the central structural role of presence in Ellul's theological ethics and elucidates a crucial turning point in Ellul's theology following a personal crisis in Ellul's faith and life Drawing from numerous unpublished and untranslated texts Jacob Marques Rollison argues that this crisis involves confrontation with a critique of presence manifest in Ellul's reading of and engagement with Michel Foucault Marques Rollison distills Ellul's sociological critiques and theological responses to this crisis presenting Ellul's evolving theology against the background of major shifts in French intellectual life In doing so the author simultaneously calls for renewed engagement with Ellul's prophetic thought critically appraises Ellul's dialectical theology and Marxist inheritances and develops a robustly Protestant approach to theological communication ethics for our time

Theology: The Basic Readings Alister E. McGrath, 2011-09-26 In this fully expanded and updated new edition leading theologian Alister E McGrath brings together key theological readings to provide a concise and balanced introduction to the Christian faith Readings are drawn from a broad theological spectrum and includes both historical and contemporary mainstream and cutting edge approaches Provides an introduction and analysis of each reading along with a helpful glossary Uses the Apostle's Creed as a framework to introduce readers to writings on key issues such as faith God Jesus creation and salvation Includes a new section on the Holy Spirit and increased

coverage of contemporary theology Encourages readers to interact with each text and to engage with primary sources Serves as an ideal companion to the bestselling textbook Theology The Basics but can also be used as a concise stand alone reader Theology The Basic Readings is an essential guide to the major topics in Christian theology Reading the Way to Heaven Steven Joe Koskie Jr., 2014-11-04 The proliferation of work on the theological hermeneutics of Scripture in recent years has challenged and reimaged the divisions between systematic theology and biblical studies on the one hand and academy and church on the other Also notable however has been the absence of a full length treatment of theological interpretation from a Wesleyan perspective This monograph develops a Wesleyan theological hermeneutic of Scripture approached as a craft learned from a tradition constituted appropriation of John Wesley s hermeneutics This hermeneutic requires a descriptive analysis of the context grammar and ruled reading of the literal sense in Wesley s interpretive practices as well as critical interaction with the analysis in light of contemporary issues As a result of this interaction continuity and discontinuity between Wesley s and Wesleyan interpretation emerges and is accounted for The Wesleyan theological hermeneutic developed here defines the church as Spirit formed context within the larger divine economy of salvation in contrast with Wesley s emphasis on individual soteriology and underdeveloped ecclesiology Within this community context Wesleyan theological interpretation is a means of grace whereby the Holy Spirit reinterprets the identity of readers into children of God Theological interpretation invites readers on a Wesleyan account to participate in the textually mediated identity of Jesus Christ through the gracious work of the Holy Spirit Wesleyan identity is therefore a figurally created identity based on the literal sense of Scripture Wesley s analogy of faith which rules his reading of Scripture thus gives way to a more explicitly trinitarian rule of faith
