Hudson, 2018-11-23 The Cold War is often viewed in absolutist terminology the United States and the Soviet Union characterized one another in oppositional rhetoric and pejorative propaganda State sanctioned communications stressed the inherent dissimilarity between their own citizens and those of their Cold War foe Such rhetoric exacerbated geopolitical tensions and heightened Cold War paranoia most notably during the Red Scare and brinkmanship incidents Government leaders stressed the reactive defensive foreign policies they implemented to retaliate against their counterparts offensive maneuvers Only brief periods of d tente gave glimpses into the possibility of concerted peaceful coexistence Yet such characterizations neglect the complexities and rhetorical nuances that created fissures throughout the long standing ideological conflict Grassroots diplomacy rarely coalesced with official governmental rhetoric and often contradicted the discourse emanating from the White House and the Kremlin Organizations such as Women Strike for Peace WSP the Committee for Nonviolent Action CNVA and the Moscow Trust Group MTG defied policy directives and sought to establish genuine peaceful coexistence Traveling citizens posited that U S and Soviet citizens possessed more underlying commonalities than their governmental leaders cared to admit phenomena underscored in events such as the San Francisco to Moscow Walk for Peace Spacebridge programs railed against the Strategic Defense Initiative SDI and proclaimed that figurative and literal links between their country and the Other proved more conducive to public opinion than Star Wars Iron Curtain Twitchers examines such juxtaposing rhetorics through three lexical themes contamination containment and coexistence It analyzes the disparate perspectives of public politicians and private citizens throughout the Cold War's duration and its aftermath to better understand the political cultural and geopolitical nuances of U S Russia relations Vacillating rhetoric among politicians journalists and traveling citizens complicated geopolitical relationships sociopolitical disagreements and cultural characterizations These dialogues are contrasted with the cultural mediums of film and political cartoons to underscore fluctuating Cold War identity dynamics Manifestations of one s own country contrasted with propagations of the Other and indicate that the Cold War lasted much longer and remains more virulent than previously conceived The Russian **Reading Revolution** S. Lovell, 2000-02-24 Of all of Soviet cultural myths none was more resilient than the belief that the USSR had the world's greatest readers This book explains how the Russian reading myth took hold in the 1920s and 1930s how it was supported by a monopolistic and homogenizing system of book production and distribution and how it was challenged in the post Stalin era first by the latent expansion and differentiation of the reading public and then more dramatically by the economic and cultural changes of the 1990s **Reading between the Borderlines** Gillian Roberts, 2018-12-30 Is Superman Canadian Who decides and what is at stake in such a question How is the Underground Railroad commemorated differently in Canada and the United States and can those differences be bridged How can we acknowledge properly the Canadian labour behind Hollywood filmmaking and what would that do to our sense of national

cinema Reading between the Borderlines grapples with these questions and others surrounding the production and consumption of literary cinematic musical visual and print culture across the Canada US border Discussing a range of popular as well as highbrow cultural forms this collection investigates patterns of cross border cultural exchange that become visible within a variety of genres regardless of their place in any arbitrarily devised cultural hierarchy. The essays also consider the many interests served compromised or negated by the operations of the transnational economy the movement of culture s raw material across nation state borders in literal and conceptual terms and the configuration of a material citizenship attributed to or negotiated around border crossing cultural objects Challenging the oversimplification of cultural products labelled either Canadian or American Reading between the Borderlines contends with the particularities and complications of North American cultural exchange both historically and in the present Ed King David Guterson, 2011-10-03 Een succesvolle Amerikaan die een zoekmachine ontwikkelde ontdekt via de machine dat de Oedipus mythe zich in zijn leven heeft herhaald Content Area Reading and Learning Diane Lapp, James Flood, Nancy Farnan, 2016-11-18 How can teachers make content area learning more accessible to their students This text addresses instructional issues and provides a wealth of classroom strategies to help all middle and secondary teachers effectively enable their students to develop both content concepts and strategies for continued learning The goal is to help teachers model through excellent instruction the importance of lifelong content area learning This working textbook provides students maximum interaction with the information strategies and examples presented in each chapter This book is organized around five themes Content Area Reading An Overview The Teacher and the Text The Students The Instructional Program School Culture and Environment in Middle and High School Classrooms Pedagogical features in each chapter include a graphic organizer a chapter overview Think Before Think While and Think After Reading Activities which are designed to integrate students previous knowledge and experience with their new learnings about issues related to content area reading literacy and learning and to serve as catalysts for thinking and discussions This textbook is intended as a primary text for courses on middle and high school content area literacy and learning Feeding the Roots of Self-Expression and Freedom Jimmy Santiago Baca, Kym Sheehan, Denise Van Briggle, 2018-11-14 This curriculum based collection of lesson plans is designed to build student confidence for articulating their unique ideas and sensibilities about the world through literary expression For this book Jimmy Santiago Baca one of the foremost poets in America today collaborates with two National Writing Project Fellows and literacy professionals Kym Sheehan and Denise VanBriggle Together they present a teaching tool that uses poems from Baca's incarceration as a young man along with curricular activities and probing questions crafted to help students heal through writing Each exercise reinforces the theme that a strong grasp of self esteem borne from unique expression lends itself to the student enjoying day to day life at the highest creative and fulfilling level Book Features Draws on the extraordinary life and career of Jimmy Santiago Baca who came to write poetry in prison and now has 28 works in

print ranging from a feature movie Blood In Blood Out to his bestselling memoir A Place to Stand Based on the authors combined experience of facilitating hundreds of writing workshops Offers field tested recommendations to help educators inspire and fortify students suffering from doubt or damaged self esteem Includes detailed descriptions exercises and sample poetry to assist teachers and students in the writing process Beyond Marx and Other Entries David Gleicher, 2017-11-13 Beyond Marx and Other Entries is a truly original book by David Gleicher author of The Rescue of the Third Class on the Titanic A Revisionist History Liverpool University Press 2006 It explores deep areas of semiotics joined with economics anthropology sociology history and philosophy and political science even Franz Kafka's literary works These are communicated by entries based primarily on Gleicher's actual blog Looking through the crack from 2013 to 2017 No other book quite compares to it but one might equate it to impressionist art or the the one and the many Each entry is independent nothing in one makes even an allusion to another Readers however cannot help but to make connections themselves and develop their own understandings of dystopian possibilities Conversations with Primo Levi Primo Levi, Ferdinando Camon, 1989 In conversations in Turin from 1982 to 1986 Levi spoke of the war of anti Semitism of the camps of the German quilt of the emergence of Israel and of his own extraordinary life and his extraordinary work Cover Worlds Apart Benjamin Paloff, 2025-04-29 A number of European authors who survived concentration camps ghettos and besieged cities in the middle of the twentieth century chose not to write straightforward memoirs or testimonials but instead to fictionalize their experiences By manipulating narrative time and point of view and altering biographical facts these writers produced literary texts that challenge common notions of what constitutes an appropriate representation of collective trauma How might such works provide a deeper understanding of historical truth than the facts alone What does the literature of the camps reveal about present day spaces of confinement Worlds Apart explores the ethics of representation by reading the works of writers who use the techniques of literary fiction to depict survival in these precarious spaces Benjamin Paloff traces the complex relationship between fact and truth in these texts disentangling writers individual experiences from fictional elements that universalize that experience and in so doing show the camp to be an institution of the present Touring the unusual genre conventions of these works he weighs crucial questions about what constitutes truth in historical representation literature and the popular imagination Reading across Czech French German Polish Russian and Yiddish including lesser known and untranslated works Paloff considers portrayals of the Shoah the Gulag the Warsaw Ghetto Uprising and the blockade of Leningrad Bold nuanced and rich in comparative insight Worlds Apart argues forcefully for the moral urgency of recognizing that the camp is not simply a historical artifact but a basic institution of contemporary society

Teaching the Novel across the Curriculum Colin C. Irvine,2007-11-30 Instructors at all levels are being encouraged to teach writing in their courses even in subjects other than English Because the novel reflects a broad set of human experiences and history it is the ideal vehicle for learning about a wide range of issues This book helps educators learn how

to incorporate novels in courses in English the humanities social and behavioral sciences and professional studies The chapters focus on using the novel to explore ethical concerns multiculturalism history social theory psychology social work and education The book looks at major canonical works as well as graphic novels and popular literature Language arts are at the forefront of education these days Instructors at all levels are being encouraged to teach writing in their courses even if those courses cover subjects other than English Literature instructors have long used fiction to teach composition But because the novel reflects a broad range of human experiences and historical events it is the ideal medium for learning about contemporary social issues This book helps educators learn how to use the novel in courses in English the humanities social and behavioral sciences and professional studies The book is divided into broad sections on general education classes multiculturalism literature classes humanities courses classes in social behavioral and political sciences and professional studies such as social work and teacher training Each section includes chapters written by gifted teachers and provides a wealth of theoretical and practical information While the book examines major canonical works such as Hard Times Billy Budd and Invisible Man it also looks at graphic novels science fiction and popular contemporary works such as Finishing School and Jarhead Chapters reflect the personal successes of their authors and cite works for further reading A Passion for Print Kristine Mahood, 2006-03-30 Get teens excited about reading by using your own love of books along with a good dose of market savvy This simple upbeat guide is packed with practical guidelines and a wealth of exciting ideas for promoting books and reading through everything you do from collection building designing the space and creating a Web site to booktalking readers advisory and special events A practical step by step approach Promoting books and reading is one of your most important roles but reaching teens and inspiring them to read can be a challenge especially now when teens have so many other commitments and interests This guide will inspire you to build your book knowledge and combine it with marketing savvy to bring teens together with books and reading Drawing upon recent research on teens and libraries the author offers practical guidelines and a wealth of exciting ideas for environmental reading promotions collection building designing the space creating publicity materials and developing the web site as well as interactive promotions communication with teens readers advisory booktalking partnering with other organizations and book related activities and events Based on the author's experience and the experience of others who work with teens the book provides librarians and other educators with a simple handy and upbeat guide Grades 6 12
