The Story Within Us Megan Sweeney, 2012-09-11 This volume features in depth oral interviews with eleven incarcerated women each of whom offers a narrative of her life and her reading experiences within prison walls The women share powerful stories about their complex and diverse efforts to negotiate difficult relationships exercise agency in restrictive circumstances and find meaning and beauty in the midst of pain Their shared emphases on abuse poverty addiction and mental illness illuminate the pathways that lead many women to prison and suggest possibilities for addressing the profound social problems that fuel crime Framing the narratives within an analytic introduction and reflective afterword Megan Sweeney highlights the crucial intellectual work that the incarcerated women perform despite myriad restrictions on reading and education in U S prisons These women use the limited reading materials available to them as sources of guidance and support and as tools for self reflection and self education Through their creative engagements with books the women learn to reframe their own life stories situate their experiences in relation to broader social patterns deepen their understanding of others experiment with new ways of being and maintain a sense of connection with their fellow citizens on both sides of the prison fence

Reading behind Bars Jill Grunenwald, 2019-07-02 A fascinating look into a world many of us never see and a powerful story about one woman's journey to find her own strength with a clear message of the importance of books and information for all Booklist American Library Association starred review Shortlisted for the 2020 Social Justice Advocacy Book Award by In the Margins Book Awards In December 2008 twentysomething Jill Grunenwald graduated with her master's degree in library science ready to start living her dream of becoming a librarian But the economy had a different idea As the Great Recession reared its ugly head jobs were scarce After some searching however Jill was lucky enough to snag one of the few librarian gigs left in her home state of Ohio The catch The job was behind bars as the prison librarian at a men's minimum security prison Talk about baptism by fire As an untested twentysomething woman to say that the job was out of Jill's comfort zone was an understatement She was forced to adapt on the spot speedily learning to take the metal detectors hulking security guards and colorful inmates in stride Over the course of a little less than two years Jill came to see past the bleak surroundings and the orange jumpsuits and recognize the humanity of the men stuck behind bars They were just like every other library patron persons who simply wanted to read to be educated and entertained through the written word By helping these inmates Jill simultaneously began to recognize the humanity in everyone and to discover inner strength that she never knew she had At turns poignant and hilarious Reading behind Bars is a perfect read for fans of *Orange is the New Black* and *Shakespeare Saved My Life*

The Discourse of Reading Groups David Peplow, Joan

Swann, Paola Trimarco, Sara Whiteley, 2015-11-19 Of interest in their own terms as a significant cultural practice reading groups also provide a window on the everyday interpretation of literary texts While reading is often considered a solitary process reading groups constitute a form of social reading where interpretations are produced and displayed in discourse The Discourse of Reading Groups is a study of such joint conceptual activity and how this is necessarily embedded in interpersonal activity and the production of reader identities Uniquely in this context it draws on and seeks to integrate ideas from both cognitive and social linguistics The book will be of interest to scholars in literacy studies as well as cultural and literary studies the history of reading applied linguistics and sociolinguistics digital technologies and educational research

Reading Groups, Libraries and Social Inclusion Eileen Hyder, 2016-04-01 Reading groups have grown rapidly in popularity and continue to be a significant cultural phenomenon Reading groups in public libraries linked to the learning and social inclusion agenda have expanded to include a wide range of groups within society including people with visual impairments VIPs This under researched area is the focus of this book Library based VIP reading groups are interesting on many levels Given that these groups predominantly use audio versions of the text rather than print this links to debates about the changing nature of reading in a multi modal age This book discusses whether contemporary society still defines reading as a visual activity or whether technological developments have led to a broadening of the definition of reading The author goes on to discuss how policy is translated into practice within the library context and whether the wide range of reading groups linked to libraries suggests that libraries understand and are taking the social inclusion agenda seriously She also explores how effectively libraries are using reading groups as a tool for delivering on the agenda for learning and how this sits within wider priorities for post compulsory education and lifelong learning Finally the book suggests ideas for future development for these groups outlining ways in which their potential could be maximised for the benefit of both the library and the reading group members The book will be of great interest to professional librarians as well as students and scholars of librarianship It will also be of interest to those working on the emerging field of reading groups in literary studies Those interested in the role of reading in education as well as disability scholars will also find the book useful Connecting Boys with Books 2 Michael Sullivan, 2009 In this work Sullivan digs deeper melding his own experiences as an activist with perspectives gleaned from other industry experts to help you learn about the books that boys love to read uncover the signs that point to the reading gap find creative programming ideas to match boys interests and more Beyond Leveled Books Franki Sibberson, Karen Szymusiak, Lisa Koch, 2023-10-10 In Beyond Leveled Books Second Edition Franki Sibberson Karen Szymusiak and Lisa Koch provide even more resources to help teachers understand and meet the needs of transitional readers The key topic of series books has been revised and enlarged with charts outlining new series with the challenges they pose and supports readers need New lessons have been added and most chapters now include a related article from a

literacy expert Some of the contributors include Kathy Collins Larry Swartz and Mary Lee Hahn Leveled books are an indispensable tool for teaching children to read especially for emergent readers but the authors of Beyond Leveled Books are sounding the alarm about the overuse and misuse of leveling and the way it restricts teacher autonomy and undermines student choice and reading engagement The authors lay out a blueprint for using leveled books effectively within a student centered and differentiated approach that is designed to motivate all readers particularly transitional ones Teaching Transitional Readers Beyond Leveled Books is packed with resources to help teachers understand and meet the needs of transitional readers including examples of classroom instruction sample mini lessons strategies for small group instruction assessment techniques and articles by literacy experts Resources for K 5 Classrooms The book explores the uses and limitations of leveled texts in primary reading instruction including ideas for how to organize your classroom library and a list of great books and series to use alongside leveled text in supporting new readers Gateway to Independent Reading The authors provide explicit tools for helping students consolidate their skills and reading strategies to read widely and deeply to increase their vocabulary and build critical thinking Making Reading Fun Teach students to experience joy from reading through deeper comprehension and application Beyond Leveled Books is an essential resource for K 5 teachers looking to help all readers including budding readers struggling readers transitional readers and readers who have plateaued

Reading as a Philosophical Practice Robert Piercey, 2020-12-15 Reading as a Philosophical Practice asks why reading everyday reading for pleasure matters so profoundly to so many people Its answer is that reading is an implicitly philosophical activity To passionate readers it is a way of working through and taking a stand on certain fundamental questions about who and what we are how we should live and how we relate to other things The book examines the lessons that the activity of reading seems to teach about selfhood morality and ontology and it tries to clarify the sometimes paradoxical claims that serious readers have made about it To do so it proposes an original theoretical framework based on Virginia Woolf s notion of the common reader and Alasdair MacIntyre s conception of practice It also asks whether reading can continue to play this role as paper is replaced by electronic screens Victorian Christmas in Print T. Moore, 2009-07-20 Although people may not realize it the modern Christmas book market carries on a Victorian legacy An explosion of Christmas print matter reinvigorated and regularized the holiday during the mid Victorian period infusing Christmas with emotionally charged expectations of reading Tara Moore elucidates the evolution of Christmas publishing trends that dictated authors writing schedules and reflected gift giving rituals As Victorian shopping customs evolved publishers satisfied consumers with a range of holiday print matter including novels ghost stories periodicals children s books and poetry Ultimately Victorian Christmas in Print analyzes how the revitalized holiday and the flurry of texts supporting it contributed to English national identity *Readers, Reading, and Librarians* Linda S Katz, 2021-02-27 This vital book reaffirms librarians enthusiasm for books and readers in the midst of the evolution of libraries from reading centers to
