stayed in Romania Some went back Some moved on to Germany France even Canada I still help even when it s hard Even when I feel I have nothing more to give Why I wish I had a rational answer But I don t The truth is that force whatever it was is still inside me I m still determined Not because I expect reward Not because I m a saint But because when everything fell apart for them I had something to offer A room A bed A moment of peace And if I could do it again even knowing how hard it would be I would Because in that mission difficult chaotic maddening I found something I didn t even know I was searching for I found myself And I learned that sometimes the greatest act of love is simply to open your door Gardening ,1898
