Ready or Not Here He Comes Chad Pritchard, 2022-07-22 Why would I write about this subject when so many have already covered it Because God has charged me to write it You have not read my version with my research There are Christians and nonbelievers that need to hear this message This is one of my ways I hope to reach out to encourage and educate Christians and non Christians alike on the return of Christ Jesus According to research done by Mark Hitchcock close to one third of the Bible is prophetic Mark Hitchcock The End 4 If you are studying or examining anything you don't skip out on almost thirty three percent of the material This is why study of biblical prophetic signs is so important With God focusing this much of His Word on this subject I feel prophecy and its accompanying signs are a must study for Christians So why believe and teach in a literal return of Jesus Christ He promised to return for me and all the rest who truly believe in Him The prophetic accuracy concerning Christ's first visitation to all of us was faultless He is faithful His name is Faithful and True Besides these main points the benefits of being part of God's kingdom now are enormous but there are future benefits that far outweigh our earthly sufferings Those benefits await true believers in Christ when He comes to collect His bride The Church If I do not meet you here on earth I hope to meet you in Heaven **Ready or Not, Here I Come** Lloyd J. Gathers,2012-01-12 This book is a written version of my first sermon It is not a story or an autobiography so please do not read it as such It is simply the preached word written in a simple manner for easy reading As you read it think of actually being in church and hearing me preach No I did not preach this whole book but I did preach on every subject matter that you will read later on in Galatians chapter 5 When I was a little girl we played a game called hide and seek Several people could hide in this game at one time but only one person could seek The person that was chosen to seek was called IT Everyone else would hide As everyone was running to find a hiding place IT was counting to ten One two three four five And to make the game a little more fun or to make you worry a little bit IT would say Five five and a half six seven eight nine ten You had about ten seconds to find a place to hide After IT reached the number 10 he or she would cry with a loud voice READY OR NOT HERE I COME Believe me Jesus will return one day whether youre ready or not I trust you will be blessed by this word

**Sermon Outlines Volume 4** Donald Cantrell, **Jesus Second Coming, Oh Please Not Yet** Donald Werner,2017-08-10 Are you ready for Jesus Second Coming I am utterly convinced that if Jesus returned today most of the people who call themselves Christians would be lost While they believe themselves to be saved and are told by their church that they are saved they do not pass the test the Jesus left for us The Bible tells us that Jesus himself will judge us according to his words But Jesus words have been set aside by the church as the church points people to walk on the Broad way that will lead to destruction Which road are you on This book is a must read because your eternal life depends on your response to the the teachings of Jesus as I illustrate in this book This book will show you where the church has gone wrong and how to get through the Narrow Gate on to the Narrow way that leads to life I will also share with you how the church today is Laodicea **Insights on Matthew**

Immaculate Deception and Further Ribaldries Jody Enders, 2022-06-24 Did you hear the one about the Mother Superior who was so busy casting the first stone that she got caught in flagrante delicto with her lover What about the drunk with a Savior complex who was fool enough to believe himself to be the Second Coming And that's nothing compared to what happens when comedy gets its grubby paws on the confessional Enter fifteenth and sixteenth century French farce the bestseller of a world that stands to tell us a lot about the enduring influence of a Shakespeare or a Molière It's the sacrilegious world of Immaculate Deception the third volume in a series of stage friendly translations from the Middle French Brought to you through the wonders of Open Access these twelve engagingly funny satires target religious hypocrisy in that in your face way that only true slapstick can muster There is literally nothing sacred Why this repertoire and why now The current political climate has had dire consequences for the pleasures of satire at a cultural moment when we have never needed it more It turns out that the proverbial Dark Ages had a lighter side and France's over 200 rollicking

frolicking singing and dancing comedies more extant than in any other vernacular have waited long enough for their moment in the spotlight They are seriously funny funny enough to reclaim their place in cultural history and serious enough to participate in the larger conversation about what it means to be a social influencer then and now Rather than relegate medieval texts to the dustbin of history an unabashedly feminist translation can reframe and reject the sexism of bygone days by doing what theater always invites us to do interpret inflect and adapt      **364 Days of Devotion** Andrew C
