the frontlines ranging from the Guardian's Southern Europe editor to the immigration reporter for the Arizona Republic Their comparative reflections on the professional institutional and technological constraints shaping news stories offer unprecedented insight into the challenges and opportunities for 21st century journalism to affect public discourse and policymaking about issues critical to the future of the transatlantic space making the book relevant across a wide range of scholarship on the media's impact on public affairs *Medieval Russian Ornament in Full Color* Moscow Museum of Art, 2012-08-13 Over 1 000 motifs reprinted from a rare book of design first published in France in 1870 Ornate Cyrillic and Greek letters corners borders page heads and more as they appeared in illuminated Russian manuscripts Ready-to-use Borders Theodore Menten, 1979 Both traditional and unusual interchangeable borders in a tremendous array of sizes shapes and styles *The Illustrated carpenter & builder series of technical manuals, ed. by J.
