[The Essential Guide to a Lasting Marriage](#) Karla Dougherty,Martin Tashman Ph.D.,2011-08-02 If you re going to say I do you want to mean it for a lifetime Today many couples struggle with keeping their marriages alive maybe because they look at

marriage as a job instead of an emotional partnership In this insightful and practical guide the authors share concrete insights and ideas that can help carry a couple along life's long romantic journey together Down to earth accessible advice filled with real life anecdotes Addresses each stage of a lifelong relationship *The Purposeful Marriage* Charles Sumner Stansbury, Wanda Webster Stansbury, 2024-11-06 Marriage is meant to be a binding covenant that requires work in order to experience its fulfillment and joy Couples must approach their commitment to marriage with truth honesty and God's wisdom The Purposeful Marriage is written as a guide that avoids judgment by leading the reader to God's promises and instruction for His perfect union Just as God told the Pharisees in Matthew 19:5 that a man should leave his father and mother and be forever united to his wife and the two shall become one you too are called to a purposeful marriage Charles and Wanda Stansbury provide an in depth easy to follow teaching and devotional to support a marriage journey that approaches each obstacle in marriage as an opportunity By sharing their Bible knowledge and insight into relationships this book will help your marriage to grow in the ways that God intended on purpose and for the purposes of His kingdom This book invites each couple to explore their relationship through Charles and Wanda's learned lessons during a Christ centered marriage that spans more than fifty years To understand that marriage is God's perfect union and that we are imperfect people the authors have created many opportunities to explore sensitive topics that we often address improperly such as true intimacy conflict resolution and identity within marriage Say yes to marriage through the forty day devotional prescribed daily prayer and outlines that support the identification of areas that need God's help for a marriage to grow *HOW TO USE GOD'S LIFETIME WARRANTY IN YOUR MARRIAGE* Dr. Amos Adeniyi, 2014-08-28 The idea to write fictional letters to marital couples on how to use God's lifetime warranty on their marriages came into being in the process of a sermon preparation as a guest pastor for a local church in November 2011 I prayed about which message to deliver for many days About two days before Sunday I had a dream that a young lady participated during my sermon After the sermon her family greeted me well and said I made her speak in public for the first time and I gave her the encouragement that she needs for the rest of her life Then I woke up On the actual Sunday service during the sermon I asked the congregation how many of them had a dog or a cat A young lady a 17 year old said she had a cat I asked if she ever took her cat for a walk she said no I asked why not She replied Nobody does Then I said people take their dogs for walks but this does not mean that dogs are more important or better than cats Cats have their own usefulness God who created us knows that we are not the same and that we cannot function in the same way One should not be boasting that s/he is better than the other After the service the grandfather of the cat owner who spoke during my sermon and her aunt came to me and thanked me for the opportunity given to the young lady to talk for the first time in public which would enable her to express herself publicly When I was praying at home after the sermon I had the feeling that God wanted me to tell people to try out what seems to be unusual for them It has been my concern for many years that many couples don't take their wedding vows seriously It is affecting children a great deal many

children have two or three stepparents Those children without stepparents seem to be the odd ones among their peers In Canada about 50% of first marriages may likely end up in divorce One may presume that the rate of divorce in second marriages would be lower but instead it is higher at 72% while third marriages have the highest divorce rate of 85% Comparative Annual Divorce Rate in Canada Similarly in America the first marriage divorce rate ranges from 41 50% second marriage divorce rate is between 60 67% and third marriage is between 73 74% Information on Divorce Rate and Statistics This book is fictional The stories are not real stories They are about my past experiences with heterosexual couples in my counseling or pastoral care I do not have a particular person or couple in mind No names in the book are real names If anybody's name or any couples have the same names as used in the book I would like them to know that I am not telling their particular story or using them as an example The Holy Spirit inspired the writers of the bible stories instructions messages and the same Holy Spirit is still talking to us today I believe I was inspired to write the book I will encourage anyone or couple whose story or stories are similar to what's in the book not to be too critical but to take it the book as a means through which God is speaking to them to change No marriage is too bad that God cannot change for better Don't fold your arms and accept your troubled marriage as a done deal I will advise the readers to call upon the author of marriage God through Jesus Christ to fix their marriages He is able Since the idea of letter writing is becoming obsolete one may be wondering why letters to marital couples and not email text or any other modern means of communication Letter writing is an old form of communication which is to inform correct and educate In the New Testament there are many letters written by Paul the apostle and others to individuals and churches to deal with issues circumstances and problems faced by the recipients We never read about their responses or their initial letters to the Apostles Similarly only letters written to the couples are featured in this book Most of the Letters in this book are long term correspondence with the imaginary couples The objectives of the letters are to 1 Encourage couples not to give up on their dream of having a successful marriage and to continue fighting until the victory is won 2 Enable the counsellors pastors to keep their counselees hope alive as long as they are still interested in counselling 3 Help families and friends to keep on supporting the couples in crises Note that some of the letters end with prayer while some didn't The idea is we don't have to impose prayer on people Praying with people is as important as praying for people in absentia We need permission to pray with people but we don't need permission to pray for people while they are not there In both my pastoral and counselling ministries the most prevalent issues are marriage and family matters This book thus serves as a handbook to help couples in crises or prevent couples from getting into a marital mess It can be used in marriage enrichment groups or as a counsellor Pastor's handbook The group Leaders Counsellors or Pastors should not use the book as a weapon of judgment against anyone but as a means of correction and education The book is calling people who just want a family and not a marriage Many couples lose love in their marriages Love is the greatest gift God gives to people but many people do not accept it They choose anger instead of peace or love from God The

book is calling the readers who are making wrong decisions for wrong reasons We should not let bitterness anger frustration alcohol drugs etc ruin our marital relationships The principles of marital solutions in the book focus on God May God bless you as you read the it Shalom [Here Comes the Bride](#) Sue Angel,2010-07 How closely does your relationship with your husband match what God had in mind when He designed marriage Why did He create marriage in the first place Is it possible for your marital union to change from miserable to happy How is your spiritual life Are you closer to the Lord today than you were a year ago What does it mean to be a part of the bride of Christ Comparing marriage to the relationship of Christ and the church Sue Angel explores not only how you can become the wife that God intended you to be but also how you can enhance your walk with the heavenly Bridegroom Sue Angel and her husband Charles have enjoyed a rich and deeply satisfying marriage since 1964 Drawing on her own marital relationship and on the study of God s Word Sue has over the years taught Bible studies for women and led women s ministries and retreats The Angels live in central Arkansas where they are active in their local church **How To Save Your Marriage** Pasquale De Marco,2025-04-29 How To Save Your Marriage A Comprehensive Guide to Rekindling Love Strengthening Bonds and Creating a Lasting Partnership In the tapestry of human relationships marriage stands as a sacred union a bond forged on love trust and commitment Yet even the strongest of marriages can face challenges that threaten to unravel the very fabric of the relationship How To Save Your Marriage emerges as a beacon of hope for couples seeking to navigate the complexities of married life and rekindle the spark that once set their hearts ablaze With compassion and expertise Pasquale De Marco guides couples through a transformative journey of self discovery and relationship renewal Drawing on years of experience as a marriage counselor and relationship expert Pasquale De Marco offers a wealth of practical advice and proven strategies for overcoming common marital obstacles and building a lasting and fulfilling partnership Through thought provoking insights and real life examples this book delves into the essential pillars of a healthy marriage empowering couples to build a strong foundation of love trust and communication Whether you re struggling with communication breakdowns financial stressors or the challenges of raising a family How To Save Your Marriage provides invaluable guidance for navigating these hurdles and emerging stronger as a couple With its warm and supportive tone this book creates a safe space for couples to explore their challenges and work together towards a brighter future Pasquale De Marco emphasizes the importance of open and honest communication encouraging couples to develop effective communication skills that foster understanding and empathy The book also explores the art of conflict resolution providing practical tools and techniques for resolving differences constructively and preventing conflicts from escalating More than just a guidebook How To Save Your Marriage is an inspiring testament to the power of love and commitment It offers a roadmap for couples to rekindle their passion strengthen their bond and create a marriage that stands the test of time With its comprehensive approach and wealth of practical advice this book is an indispensable resource for couples seeking to transform their relationship into a source of joy fulfillment and lasting happiness If you like
