Fabians Alick West, George Bernard Shaw, 2011-05-01 **You Never Can Tell** George Bernard Shaw, 2018-01-28 You Never Can Tell is an 1897 four act play by George Bernard Shaw that debuted at the Royalty Theatre It was published as part of a volume of Shaw s plays entitled Plays Pleasant In June 2011 the play was revived at the Coliseum Theatre in Aberystwyth Wales where it had been performed exactly one century earlier *Bernard Shaw* Michael Holroyd, 1998 Holroyd has done a masterly job of cutting down his huge biography to a lively and manageable one volume life the definitive Shaw for the general reader and the student It has verve and pace the light and shade of his life are emphasized digressions cut and Shaw comes over just as much larger than life as he always was just as contrary and even more sympathetically and movingly portrayed This is a dazzling portrait of the man and his age **The Real Bernard Shaw** Maurice Colbourne, 1949

Geneva Bernard Shaw, 2017-08-27 All that is generally known about the League of Nations is that it holds assemblies in Geneva at which the nations which belong to it confer with one another from time to time But there is more than this in it There is a Committee for International Cooperation which is so little known and so neglected and starved that until Mr Shaw s play appeared hardly anyone knew of its existence and even now they believe that it is an invention of Mr Shaw s But it is quite real Mr Shaw has only transferred its office from Paris to Geneva and it is at this office that the play opens with nobody in charge of it except a young typist from Camberwell who as the winner of a County Council scholarship has a considerable opinion of herself As nobody ever visits the office or knows of its existence she is astonished when on one and the same morning she is called upon by five people in succession each with a grievance which they expect her to remedy as the representative of intellectual cooperation in Europe She has not the faintest idea of how to set about it until the first visitor a persecuted Jew suggests that she apply to the International Court at The Hague for a warrant against his persecutors The second visitor is a British democrat who has been locked out of a colonial legislature to which he has been elected The third is the widow of a Central American President who has been shot She has also been compelled by etiquette to shoot her best friend for having engaged the affection of her husband **The Real Bernard Shaw** Maurice Dale Colbourne, 1930

It will repay those who seek analogies in literature to compare Shaw with Cervantes After a life of heroic endeavor disappointment slavery and poverty the author of Don Quixote gave the world a serious work which caused to be laughed off the world's stage forever the final vestiges of decadent chivalry The institution had long been outgrown but its vernacular continued to be the speech and to express the thought of the world and among the vulgar as the quaint old novelist puts it just as to day the novel intended for the consumption of the unenlightened must deal with peers and millionaires and be dressed in stilted language Marvellously he succeeded but in a way he least intended We have not yet after so many years determined whether it is a work to laugh or cry over It is our joyfulest modern book says Carlyle while Landor thinks that readers who see nothing more than a burlesque in Don Quixote have but shallow appreciation of the work Shaw in like manner comes upon the scene when many of our social usages are outworn He sees the fact announces it and we burst into guffaws The continuous laughter which greets Shaw's plays arises from a real contrast in the point of view of the dramatist and his audiences When Pinero or Jones describes a whimsical situation we never doubt for a moment that the author's point of view is our own and that the abnormal predicament of his characters appeals to him in the same light as to his audience With Shaw this sense of community of feeling is wholly lacking He describes things as he sees them and the house is in a roar Who is right If we were really using our own senses and not gazing through the glasses of convention and romance and make believe should we see things as Shaw does Must it not cause Shaw to doubt his own or the public's sanity to hear audiences laughing boisterously over tragic situations And yet if they did not come to laugh they would not come at all Mockery is the price he must pay for a hearing Or has he calculated to a nicety the power of reaction Does he seek to drive us to aspiration by the portrayal of sordidness to disinterestedness by the picture of selfishness to illusion by disillusionment It is impossible to believe that he is unconscious of the humor of his dramatic situations yet he stoically gives no sign He even dares the charge terrible in proportion to its truth which the most serious of us shrinks from the lack of a sense of humor Men would rather have their integrity impugned In Arms and the Man the subject which occupies the dramatist's attention is that survival of barbarity militarism which raises its horrid head from time to time to cast a doubt on the reality of our civilization No more hoary superstition survives than that the donning of a uniform changes the nature of the wearer This notion pervades society to such an extent that when we find some soldiers placed upon the stage acting rationally our

conventionalized senses are shocked The only men who have no illusions about war are those who have recently been there and of course Mr Shaw who has no illusions about anything *Bernard Shaw* A. M. Gibbs, 2005-11-23 Bernard Shaw fashioned public images of himself that belied the nature and depth of his emotional experiences and the complexity of his intellectual outlook In this absorbing biography noted Shavian authority A M Gibbs debunks many of the elements that form the foundation of Shaw s self created legend from his childhood which was not the loveless experience he claimed publicly to his sexual relationships with several women to his marriage his politics his Irish identity and his controversial philosophy of Creative Evolution Drawing on previously unpublished materials including never before seen photographs and early sketches by Shaw Gibbs offers a fresh perspective and brings us closer than ever before to the human being behind the masks
