Real Christians:

Real Christians Don't Dance! John Fischer, 1988 Sorting the truth from the trappings in a born again culture Jacket subtitle Real Christians Don't Attend Christian Churches Donald Werner, 2019-08-04 A Christian is one who follows Christ accepting the authority of his teachings and commands Yet according to the Christian Church doctrine we don't need to keep Jesus teachings and commands we can reject some or all of them and all we need to do believe The Christian Churches aren't really Christian since they deny Christ by denying his teachings Jesus warned this would happen and told us there would be harsh consequences The church has set many of Jesus and God's commands aside as dictated by their lawless church doctrines I give examples of that in this book Jesus experienced the same problem with the Jews Instead of church doctrine they had their traditions or oral laws which were making them lawless How did Jesus deal with them His parables give that answer and I explain that in the second half of this book This is an eye opening book that will make you evaluate your Christian Church as to how faithful it is to Jesus and God's commands **Will the Real Christians Please Stand Up!** Robert J. Burton, 2005-11 This book challenges the pew sitting approach to the Christian life with insights for committed Christians challenges to fence sitting Christians and good information for non Christians Christianity **General Union recommended to real Christians, in a sermon [on Ps. cxxxiii. 1], preached ... October 31, 1797, etc** Samuel Greatheed, 1798 **The Duty and Importance of Free Communion Among Real Christians of Every Denomination ... With Some Notices of the Writings of Messrs. Booth, Fuller, and R. Hall, on this Subject**, 1820 True Christians Can Change the World Dick Peterson, 2008-09-15 This book discusses in depth some twelve doctrines that need to be removed from current rituals hymns and confessions of faith giving scriptural references to support the removal Further the damage these old doctrines have and are doing to society is presented According to the author the dogmas need to be removed so the church that many of us knew as children and growing up can return to be effective in helping solve some of the major crises facing this world the economy and the great financial difference between the rich and poor the issue of war as a way to solve world problems and environmental issues facing the planet For people who see Christianity being stolen by the Christian Right who still consider themselves Christian who believe in the message of Jesus and or who feel a loyalty to the church they remember this book is crucial reading to taking Christianity back The True Christians Love to the Unseen Christ Thomas Vincent, Rev Terry Kulakowski, Editor, 2015-11-28 The essence of Christianity is love God is love said the Apostle John Obedience to God's commands is nothing more than a manifestation of our love to God The Ten Commandments show how we are to love God and one another Love then is of the utmost importance in true biblical Christianity In this book first written in the 17th century and out of print since 1812 Thomas Vincent known for his lectures on the Shorter Catechism of the Westminster Confession of Faith expounds 1 Peter 1:8 whom having not seen ye love in whom though now ye see Him not yet believing ye rejoice with joy unspeakable and full of glory This is one of the most

poignant tender books ever to come from a Puritan pen *Essays on the Distinguishing Traits of Christian Character*
 Gardiner Spring, 1819 True Christianity J Russell Frazier, 2014-09-25 John William Fletcher 1729 1785 was a seminal theologian during the early Methodist movement and in the Church of England in the eighteenth century Best known for the Checks to Antinomianism he established a theology of history to defend the church against the encroachment of antinomianism as a polemic against hyper Calvinism Fletcher believed that the hyper Calvinist system of divine fiat and finished salvation did not take seriously enough either the activity of God in salvation history or an individual believer's personal progress in salvation Fletcher made the doctrine of accommodation a unifying principle of his theological system and further developed the doctrine of divine accommodation into a theology of ministry As God accommodated divine revelation to the frailties of human beings Fletcher argued that ministers of the gospel must accommodate the gospel to their hearers in order to gain a hearing for the gospel without losing the goal of true Christianity True Christianity contains insights from Fletcher who devoted himself according to Wesley to being an altogether Christian *Manna gathered in the Morning, or, Christ the true Manna ...; being the substance of a discourse delivered at ... Newbury [on Exod. xvi. 21]*. Jonathan Parsons, 1751 The Christian Magazine, 1824 The Earthen Vessel and Christian Record & Review, 1846

Winning Again Kevin Ver Hoeven, 2021-07-19 The church in little America is on a losing streak and it has been for the past thirty years But it can be stopped and the church can start winning again even in rural areas according to Kevin Ver Hoeven who has spent almost four decades pastoring churches in small places In this book he outlines the sins that are most prevalent in small town America and what churches and worshipers of Christ can do to get better Find out how to focus on thriving on a spiritual level abandon the demons of unbelief spread the Word of God to others The author also recalls the moments when he has had to say goodbye to young families leaving little America for bigger America He has not only said goodbye to friends but he has said goodbye to brothers and sisters in Christ who would have been pillars in the church and community if they had stayed God is just as committed to building his kingdom in little America as he is in big America and you must never get lured into believing that just because you live in a little place that you have a little God The Kingdom

Fake Christianity Jed Coppenger, 2025-03-04 We are the problem But Jesus can save us from ourselves Fake Christianity is deceptive and deadly And unfortunately it's very much alive today We can easily recognize problems and hypocrisy around us But it takes humility and courage to face the error and deception within us With a pastoral heart Jed Coppenger shows us how unnoticed hypocrisy like prayerlessness neglect of the Bible gossip bitterness and every form of ungodliness compromise our heart and weaken our Christian witness In Fake Christianity Coppenger looks to the teachings of Jesus that address a culture remarkably like our own He exposes ten traps of inauthentic faith and provides a gospel centric response The best way to tell a fake thing is to look at the real thing That's true when looking at gems It's also true of the Christian life If we want to understand what's true and good we must look to Jesus And we must listen to Him I'm praying that God would use this book to help Christians hear Jesus words more clearly I hope every reader will be better equipped to join Jesus as He pushes back the darkness of hypocrisy with the light of the gospel
