first the chicken or the egg In Real Truth it is neither but then again we are all living in a society of propaganda and almost total conspiracy so where is it that people can find The Real Connection to The TruReality First one has to find the right knowledge to start their journey into The Incredible Unknown LifeIS To most people the Earth is their home as it has been for lifetimes There are many books on the market about people who remember their past lives This information can get some people to start to explore but most of the masses will always be home bodies as they feel there can nothing other than what they are experiencing right here The human body with its senses is a huge burden for all of us to carry but this is the process we have all come through because Reality IS Far Too Real Once a person can understand the process they have been through then they can start The RealAdventure www DuaneTheGreatWriter Info **YOU DECIDE** DUANE THE GREAT

WRITER,2012-08-27 When we are born into this life we are raised with certain ideas And whatever ideas suggestions and training we are raised with we always have to decide if we will accept what is before us or decide otherwise Without any ideas in our head we are simply a view an awareness which may sound strange to the Literally Educated Senses but this is what we are The RealU is simply Your RealAwareness The religious term would be soul But the reality of soul has always escaped the understanding of the over educated Literal Person as they have conditioned themselves into viewing and looking to their mind and all the facts and figures they have accumulated instead of their RealAwareness In a way we must take steps to Recognizing who we really are and one of those first steps is educating ourselves in the Literal Sense but if we stop there
