

The Real Life of Sebastian Knight

Vladimir Nabokov

Real Life Of Sebastian Knight

David S. Rutledge

Real Life Of Sebastian Knight:

The Real Life of Sebastian Knight Vladimir Nabokov, 1992-02-04 The Real Life of Sebastian Knight is a perversely magical literary detective story subtle intricate leading to a tantalizing climax about the mysterious life of a famous writer Many people knew things about Sebastian Knight as a distinguished novelist but probably fewer than a dozen knew of the two love affairs that so profoundly influenced his career the second one in such a disastrous way After Knight's death his half brother sets out to penetrate the enigma of his life starting with a few scanty clues in the novelist's private papers His search proves to be a story as intriguing as any of his subject's own novels as baffling and in the end as uniquely rewarding Nabokov writes prose the only way it should be written that is ecstatically John Updike Silent Love Gerard Vries, 2019-08-28 The Real Life of Sebastian Knight is one of Vladimir Nabokov's most autobiographical novels and it has often been observed that Sebastian's passionate affair with the femme fatale Nina Rechnoy is a dramatized extension of Nabokov's infatuation with Irina Guadanini In this book it is shown that the novel also conceals another secluded love affair Sebastian had with a man which reflects the main episode in the life of Nabokov's brother Sergey By pursuing many biographical and literary references and allusions and by disregarding the deceptive guiding by the narrator Sebastian's half brother this moving story about Sebastian's silent love becomes brightly visible The Real Life of Sebastian Knight Vladimir Vladimirovich Nabokov, 1945

The Real Life of Sebastian Knight Vladimir Nabokov, 1964 **Silent Love** Gerard de Vries, 2016 The Real Life of Sebastian Knight is one of Vladimir Nabokov's most autobiographical novels and it has often been observed that Sebastian's passionate affair with the femme fatale Nina Rechnoy is a dramatized extension of Nabokov's infatuation with Irina Guadanini In this book it is shown that the novel also conceals another secluded love affair Sebastian had with a man which reflects the main episode in the life of Nabokov's brother Sergey By pursuing many biographical and literary references and allusions and by disregarding the deceptive guiding by the narrator Sebastian's half brother this moving story about Sebastian's silent love becomes brightly visible **The Real Life of Sebastian Knight** Vladimir Vladimirovich Nabokov, China Millman, 2007 *The Real Life of Sebastian Knight* Vladimir Vladimirovič Nabokov, 1971 **The Real Life of Sebastian Knight**, 1941 **Nabokov and Indeterminacy** Priscilla Meyer, 2018-08-15 In Nabokov and Indeterminacy Priscilla Meyer shows how Vladimir Nabokov's early novel *The Real Life of Sebastian Knight* illuminates his later work Meyer first focuses on Sebastian Knight exploring how Nabokov associates his characters with systems of subtextual references to Russian British and American literary and philosophical works She then turns to *Lolita* and *Pale Fire* applying these insights to show that these later novels clearly differentiate the characters through subtextual references and that Sebastian Knight's construction models that of *Pale Fire* Meyer argues that the dialogue Nabokov constructs among subtexts explores his central concern the continued existence of the spirit beyond bodily death She suggests that because Nabokov's art was a quest for an unattainable knowledge of the otherworldly knowledge which can never be conclusive Nabokov's novels are

scores of his friends and associates For the general reader Boyd offers an introduction to Nabokov the man his works and his world For the specialist he provides a basis for all future research on Nabokov s life and art as he dates and describes the composition of all Nabokov s works published and unpublished Boyd investigates Nabokov s relation to and his independence from his time examines the special structures of his mind and thought and explains the relations between his philosophy and his innovations of literary strategy and style At the same time he provides succinct introductions to all the fiction dramas memoirs and major verse presents detailed analyses of the major books that break new ground for the scholar while providing easy paths into the works for other readers and shows the relationship between Nabokov s life and the themes and subjects of his art

Nabokov's Art of Memory and European Modernism John Burt Foster, Jr.,1993-02-08 Despite Vladimir Nabokov s hostility toward literary labels he clearly recognized his own place in cultural history In a fresh approach stressing Nabokov s European context John Foster shows how this writer s art of memory intersects with early twentieth century modernism Tracing his interests in temporal perspective and the mnemonic image in intertextual reminiscences and in individuality amid cultural multiplicity the book begins with such early Russian novels as *Mary* then treats his emerging art of memory from *Invitation of a Beheading* to *The Gift* After discussing the author s cultural repositioning in his first English novels Foster turns to Nabokov s masterpiece as an artist of memory the autobiography *Invitation of a Beheading* and ends with an epilogue on *Pale Fire* As a cross cultural overview of modernism this book examines how Nabokov navigated among Proust and Bergson Freud and Mann and Joyce and Eliot It also explores his response to Baudelaire and Nietzsche as theorists of modernity and his sense of Dostoevsky Tolstoy and Pushkin as modernist precursors As an approach to Nabokov the book reflects the heightened importance of autobiography in current literary study Other critical issues addressed include Bakhtin s theory of intertextuality deconstructive views of memory Benjamin s modernism of memory and Nabokov s assumptions about modernism as a concept

Vladimir Nabokov Magda Vollenweider,1980 *Nabokov's Permanent Mystery* David S. Rutledge,2014-01-10 This critical text examines the ways in which Vladimir Nabokov one of the twentieth century s great writers structured his works to encapsulate his metaphysical beliefs It draws examples from Nabokov s novels stories and nonfiction revealing a startling consistency in his beliefs over the course of his career even as the structure of his novels increased in complexity At the heart of his work is a profound respect for what s missing for unsolvable riddles for questions even at the expense of answers Nabokov s techniques from wordplay to plotlines reveal an enduring reverence for permanent mystery
