C. Peden, 2007-02-08 This book integrates strategy technology and economics and presents a new way of looking at twentieth century military history and Britain's decline as a great power G C Peden explores how from the Edwardian era to the 1960s warfare was transformed by a series of innovations including dreadnoughts submarines aircraft tanks radar nuclear weapons and guided missiles He shows that the cost of these new weapons tended to rise more quickly than national income and argues that strategy had to be adapted to take account of both the increased potency of new weapons and the economy's diminishing ability to sustain armed forces of a given size Prior to the development of nuclear weapons British strategy was based on an ability to wear down an enemy through blockade attrition in the First World War and strategic bombing in the Second and therefore power rested as much on economic strength as on armaments The Centurion Sean Patrick Little, 2007-03-25 In 1943 Jerald C McIntire is supposed to die in a grenade explosion in the Ardennes forest in World War II He miraculously survives but from that point on Jerry no longer needs to eat or sleep he has no emotions and he never ages After several

suicide attempts Jerry discovers he can't die. But how is this possible? Nearly twenty years after his first brush with death, Jerry learns that he somehow broke the realm of the natural order. Even God Himself isn't sure how it happened, but Jerry is the only man ever born without a soul. The archangel Michael informs him that in the Soul War, good and evil are bound by certain laws and honor checks. Jerry, however, is bound by nothing and can therefore serve as the Master's Centurion, an agent of God bestowed with the name Jericho. Jericho roams the streets of New York City, keeping order between the agents of Heaven and Hell, the angels and the demonata. When a rogue deity, an ancient Hittite dragon god, comes to Earth and begins preying on both angels and demons, Jericho must step in to maintain the balance. But he stumbles into a much larger plot, one that threatens to irreparably damage the Balance of the Soul War and end all things.

Empress of the Seven Hills Kate Quinn, 2012-04-03 A tale of love, power, and intrigue from the New York Times and USA Today bestselling author of *The Alice Network* and *The Briar Club*. Powerful, prosperous, and expanding ever farther into the untamed world, the Roman Empire has reached its peak under the rule of the beloved Emperor Trajan. But neither he nor his reign can last forever. Brash and headstrong Vix is a celebrated ex-gladiator returned to Rome to make his fortune. The sinuous, elusive Sabina is a senator's daughter who craves adventure. Sometimes lovers, sometimes enemies, Vix and Sabina are united by their devotion to Trajan. But others are already maneuvering in the shadows. Trajan's ambitious Empress has her own plans for Sabina. And the aristocratic politician Hadrian, who is both the Empress's ruthless protégé and Vix's mortal enemy, has ambitions he confesses to no one. Ambitions rooted in a secret prophecy. When Trajan falls, they all will be caught in a deadly whirlwind that may seal their fates and that of the entire Roman Empire.

[The Last Centurion](#) John Ringo, 2008-08-01 Centurions were the guardians of Rome. At the height of the Roman Republic, there were over five thousand qualified Roman Centurions in the Legions. To be a Centurion required that in a mostly illiterate society, one be able to read and write clearly, to be able to convey and create orders, to be capable of not only performing every skill of a Roman soldier but teach every skill of a Roman soldier. Becoming a Centurion required intense physical ability, courage beyond the norm, years of sacrifice, and a total devotion to the philosophy which was Rome. When Rome fell to barbarian invaders, there were less than five hundred qualified Centurions. Not because Rome had fewer people, but because it had fewer willing to make the sacrifices. And the last Centurions left their shields in the heather and took a barbarian bride. We are The Last Centurions. Soldier and Society in Roman Egypt Richard Alston, 2002-09-11 The province of Egypt provides unique archaeological and documentary evidence for the study of the Roman army. In this fascinating social history, Richard Alston examines the economic, cultural, social, and legal aspects of a military career, illuminating the life and role of the individual soldier in the army. *Soldier and Society in Roman Egypt* provides a complete reassessment of the impact of the Roman army on local societies and convincingly challenges the orthodox picture. The soldiers are seen not as an isolated elite living in fear of the local populations, but as relatively well

integrated into local communities The unsuspected scale of the army's involvement in these communities offers a new insight into both Roman rule in Egypt and Roman imperialism more generally *Centurion of the XIX Legion* Klaus

Pollmann,2013-11-27 Lucius was thrilled when he learned of his father's plan to send him to the Legion to become a Centurion When his father then engaged Pertinax a former gladiator to serve as Lucius sword fighting tutor he could hardly believe his luck On a business trip to Massilia Marseille Lucius gets lost in the harbor district where a gang of street urchins assails him beating and robbing him Gnaeus Lucius father is in such a fury over his son's weakness and public humiliation that he bans him to the family vineyards located close to Arausio There Saxum a retired Legionnaire and Pertinax are to toughen him up body and soul in preparation for the Legion Should Lucius fail to gain the rank of Centurion he will be condemned to working on the winery for the rest of his life After two years of torture ridicule and hardship Lucius survives training and enters the Legion Now his problems begin in earnest Soon Lucius cannot be certain which threat to his life is more imminent the one outside or the one inside the Legion encampment While fighting for the Roman Empire against the Raeti Vindlicans and Germani the devious Centurion Titus Valens makes his life within the Legion a living hell

Centurion: Before the Smuggler's Court Steven F. Warnock, It was just another day for award winning documentarian and army brat Kat Delbath Late hours in the dark editing her latest project were nothing new but little did she know that tonight she was on a collision course with terrorists that would flip her life upside down and prove to her that everything she knew was a lie In the midst of a series of terror attacks she's learning that the universe is a little more crowded than she realized Kat owes her life to her very own version of a knight in shining armor An Armada Centurion in Black Armor Meet Ranger Her world will never be the same From the book And how do you plan on making your escape Sir do you really think you could stop me if I wanted to leave When the time comes I will walk out that door under my own power and whether or not you leave with me as my friend or are left lying unconscious in the corner there will be your choice For my part in this I'd like for us to be friends because we do have a mutual enemy **Caesar's Army** Harry Pratt Judson,1903

Lewallen,2020-02-20 Tiberias Claudius Fatalis and Ming the Assassin were hoping for an easy assignment from Emperor Domitian deal with a group of pesky pirates that were interfering with Rome's purple dye trade and deal with some equally pesky Dacians causing problems for colonies along the Euxine Sea Sounded simple enough but Tiberias and Ming both know that an assignment is never simple This assignment also involves

tales of mysterious silver birds and women warriors of the grasslands the mythical Amazons now lost to Roman history
 Perhaps a not quite so simple assignment but pirates and pesky warriors they've dealt with before But there's also something
 much more sinister lurking among the Euxine colonies the Moroi Blood drinkers who've been preying on the Euxine colonists
 and who've seem to have formed an unnerving alliance with the Dacians And then things get even more complicated when it
 appears that at least one of the Moroi is following Ming and Tiberias *Queer Readings of the Centurion at Capernaum*
 Christopher B. Zeichmann, 2022-10-28 The first ever monograph on the history of queer biblical interpretation of a
 controversial biblical passage Since the 1950s homoerotic readings of the pericope in which Jesus heals a Roman centurion's
 slave have been built upon three of the account's features the specific Greek word pais which can refer to youth slave or the
 junior partner in a sexual relationship between two men Luke's characterization of the young man as dear entimos to the
 centurion and commonplace homoeroticism in the Roman army Rather than affirming or denying the historical reality of a
 sexual relationship between the centurion and the young man Christopher B Zeichmann instead traces the shifting patterns
 of queer readings of the text and the influences of the sexual political and theological discourses of late twentieth and early
 twenty first century Europe the United States and Australia Readers will see how distinct political contexts have led
 interpreters to find very different meanings about the sexual subtexts of this story *Life and Times of Jesus the Messiah*
