## **Real Men Ride Horses:**

**Real Men Ride Horses** Ken Shakin, 1999 Ken Shakin's *Love Sucks* introduced a new kind of gay writing sexy and in your face with a vengeance but with a sharp edge of social comment that dug its way through the entrails of New York's big city anomie. In *Real Men Ride Horses* Shakin turns his acerbic gaze on a very different America the plains and deserts of the West past and present. This mythical landscape has always been home to all kinds of male bonding from the Indian botes through cowboy pardners and Mormon bedfellows to the drifters who haunt the bars and gas stations of the West today. This new selection of stories including *A Virgin in the Desert*, *A Communist in Montana* and *How the West Was Won* will make you laugh and cry as Ken Shakin uncovers the lusts and pains that lie beneath the macho facades. **The Complete Idiot's**

Maddox, 2009-08-25 The hilarious New York Times bestselling parody guide to all things alpha male now revised and updated. Sometimes in life you say certain words in conjunction with other words that you normally wouldn't such as the word holy and the word shit. Those times are rare and celebrated. Well get your face hole ready because this is one of those times introducing *The Alphabet of Manliness Special Edition*. If it's a crime to be awesome then I deserve three life sentences and the death penalty. This literary kick to the dick may very well be the greatest compilation of all things manly throughout history. I Maddox the author personally guarantee that this is the best edition of the book since the last one. This book is only for the saltiest hairiest most rugged sons of bitches out there. However it would be selfish to keep it for myself so feel free to pick up a copy. This humble tome of wisdom is a tribute to all men who toil away at work every day getting their balls busted or busting balls alike. If you can't handle the punch to the colon I'm about to deliver to you look on the bright side you'll save a fortune on Halloween when kids come to your door to pick apart your candy ass. On the other hand if you feel comfortable with the risk of having your ass neatly packaged and handed to you with all the trimmings cut the foreplay and crack the book open already. The new edition includes *The Numbers of Manliness*. A full color insert. Corrections to typos. **Holy Grit**

*The Birch Creek Ranch Books 1-3* B. E. Baker, 2024-09-02 For the first time ever grab the first three books in this complete best selling series as part of a money saving boxset Two widows six kiddos and a will that leaves them a massive cattle ranch but only if they work it for a year Abigail and Amanda may have married brothers but they have almost nothing else in common and really they never did get along very well After their husbands both pass away they have no reason to interact Their connection drops to an awkward phone call on birthdays and an exchange of holiday cards Until an eccentric uncle of their husbands leaves a massive cattle ranch to the women s minor children if they work the ranch themselves A ranch that s located near a small town on the border of Wyoming that isn t too keen on outsiders They re both going to turn the bequest down clearly It s not like either of them could properly raise their kids or find love again in a backwater province like Birch Creek But when things at home change dramatically for both moms they decide to give it a try just for the summer What could possibly go wrong in a mere three months Or more importantly what might go right Publisher s Weekly says The Bequest is an endearing work of women s romantic fiction and the first in the Birch Creek Ranch series It offers a compelling setup as two wildly different women are thrown together in the aftermath of their husbands deaths Baker s prose is candid warm and allows readers to feel immediately connected to the two protagonists Baker brings freshness and fun to the story of two couldn t be more different individuals who find they have more in common than they d anticipated Wall Street Journal and USA Today bestselling author Pamela Kelley said B E Baker takes you right to the heart of the small town that two widowed sisters in law land in very unexpectedly Can they survive the year they need to spend there to keep it I really enjoyed reading Bridget s romantic women s fiction debut B E Baker is an amazing storyteller Wow Women s fiction at its best When you open this book you might want some snacks handy because you won t be able to stop until you finish Highly recommend USA Today Bestselling Author Tamie Dearen A sweet feel good story Loved reading about these two women

Gill, 2007 17 syllabet Japanese poems about human foibles sans season i e not haiku were introduced a half century ago by RH Blyth in two books Edo Satirical Verse Anthologies and Japanese Life and Character in Senryu Blyth regretted having to introduce not the best senryu but only the best that were clean enough to pass the censors In this anthology compiled translated and essayed by Robin D Gill like Blyth a renowned translator of thousands of haiku we find 1 300 of the senryu and zappai that would once have been dangerous to publish The book is not just an anthology of dirty poems such as Legman s classic Limericks or Burford s delightful Bawdy Verse but probing essays of thirty themes representative of the eros both real and imaginary of Edo at the time the world s largest city Japanese themselves use senryu for historical documentation of social attitudes and cultural practices thousands of senryu and the related zappai including many poems we might consider obscene serve as examples in the Japanese equivalent of the OED nipponkokugodaijiten The specialized argot obscure allusions and ellipsis that make reading dirty senryu a delightful riddle for one who knows just enough to be challenged yet not defeated make them impenetrable to outsiders so this educational yet entertaining resource has not been accessible to most students of Japanese and the limited translations prove that even professors have difficulty with it This book tries to accomplish the impossible it includes all the information original poems pronunciation explanation glossary needed to help

specialists improve their senryu reading skills while refraining from full citations to leave plenty of room for the curious monolingual to skip about the eclectic goodies Published simultaneously with two titles as an experiment *The Wheel* Richard W. Bulliet,2016-01-19 In this book Richard W Bulliet focuses on three major phases in the evolution of the wheel and their relationship to the needs and ambitions of human society He begins in 4000 B C E with the first wheels affixed to axles He then follows with the innovation of wheels turning independently on their axles and concludes five thousand years later with the caster a single rotating and pivoting wheel Bulliet s most interesting finding is that a simple desire to move things from place to place did not drive the wheel s development If that were the case the wheel could have been invented at any time almost anywhere in the world By dividing the history of this technology into three conceptual phases and focusing on the specific men women and societies that brought it about Bulliet expands the social economic and political significance of a tool we only partially understand He underscores the role of gender combat and competition in the design and manufacture of wheels adding vivid imagery to illustrate each stage of their development Reshaping Reason John McCumber,2007-10-09 In Reshaping Reason John McCumber breathes new life into American philosophy At present McCumber believes American philosophy is riding in new directions but its aims are unfocused and invisible American philosophers are still hopelessly divided between analytic and continental debates There is no middle ground in the contest between them and their debates have grown so confused stale and hopeless as to create contempt for philosophers and utter indifference to the field among wider intellectual culture In this book McCumber brings the two camps together in order to rescue the field He first proposes a new set of rational tools that will enable philosophers and then uses these tools to take a fresh look at how to do epistemology ontology and ethics This book shows philosophy s achievements and failures in cold light and proposes how the field might become more meaningful and relevant to society at large Book jacket *Dictionary of Daily Life of Indians of the Americas* ,1981-01-01 **The Last White Hat** Trent Eastland,2006-07 **The Last Alchemist** Warren Murphy,Richard Sapir,2023-09-01 Breathlessly action packed and boasting a winning combination of thrills humour and mysticism the Destroyer is one of the bestselling series of all time *Parliamentary Papers* Great Britain. Shirley Boteler Mock explores the role that Black Seminole women have played in shaping and perpetuating a culture born of African roots and shaped by southeastern Native American and Mexican influences Mock reveals a unique maroon culture forged from an eclectic mixture of religious beliefs and social practices At its core is an amalgam of African derived traditions kept alive by women The author interweaves documentary research with extensive interviews she conducted with leading Black Seminole women to uncover their remarkable history She tells how these women nourished their families and held fast to their Afro Seminole language even as they fled slavery endured relocation and eventually sought new lives in new lands Of key importance were the warrior women keepers of dreams and visions that bring to life age old African customs Featuring more than thirty illustrations and maps including historic photographs never before published *Dreaming with the Ancestors* combines scholarly analysis with human interest to open a new window on both African American and American Indian history and culture

**Oromo Indigenous Religion and Oromo Christianity** Ujulu Tesso Benti, 2018-05-31 The early non Oromo writers have distorted the history of the Oromo Without scientific research they were speaking of the so called Oromo migration of the 16th century Against the unscientific thesis of the early scholars this work confirmed the Oromo to be not only the indigenous African peoples but also belong to the Cushitic Africans who invented the first world civilization Their egalitarian and holistic culture the gadaa system is part of the ancient Cushitic civilization It is the base for modern democratic system of governance The root word of gadaa is originated from Ka the creator God of the ancient religion of the Cushitic Africans From this very name Ka originated the Oromo word Waaqa which also means creator of everything This shows that the Oromo are among the first nations who came up with the idea of monotheism Therefore this work disqualifies the missionary assumptions describing the Oromo Indigenous Religion OIR as Satanism and its religious experts the Qaalluus as witchdoctors or sorcerers This dissertation discovered many identical similar partial similar and few differing elements between the Oromo Indigenous Religion OIR and Oromo Christianity OC Also the study identified many Oromo cultural elements that are compatible to Christianity therefore must be adopted by the Oromo Christianity According modern scholarship God revealed himself in every human culture and religion is part of human culture Therefore no religion can claim to be the only true religion Based on this principle this dissertation calls all leaders of religious institutions in Oromia to change their attitude develop culture of tolerance conduct constructive religious dialogue create the atmosphere of peaceful coexistence of all religions and establish sustainable peace that serves humanity
