Renegade Sheriff Wilbur C. Tuttle,1972 **The Renegade's Redemption** Stacy Henrie,2025-02-11 Refuge for the Outlaw When Tex Beckett arrives at Ravena Reid s farm he s eight years too late for the elopement they d once planned and it s far too early to win her forgiveness He s seriously wounded though and she can t turn him away though she knows better than to trust him Yes it s wonderful having help with the farm and with the orphans she fosters but if she opens her heart she ll get hurt again when he leaves And Tex always leaves As a notorious bank robber Tex is used to danger Yet reuniting with the only woman he s ever loved is the riskiest thing he s ever done All he wants is to stay with Ravena and the children But can he build a new start before his past catches up with him The ^AGun Dilemma Robert J. Spitzer,2022-08-23 In The Gun Dilemma Robert J Spitzer examines this gun rights 2 0 movement in the light of a host of gun controversies assault weapons ammunition magazines silencers public gun brandishing and display and the emergent Second Amendment sanctuary movement Given the importance of actual gun law history to this debate Spitzer draws from the historical record to illuminate several contemporary and emergent gun controversies that may well make their way to the Supreme Court Revealing and illuminating as that history is he argues that we should not be straitjacketed by that history but rather informed by it as the nation struggles with how to frame its gun policies Renegade's Pride B.J. Daniels,2017-02-28 The renegade cowboy returns It s been nine years since Trask Beaumont left Gilt Edge Montana with an unsolved crime in his wake and Lillian Cahill has convinced herself she s finally over him But when the rugged cowboy with the easy smile suddenly shows up at her bar there s a pang in her heart arguing the attraction never faded And that s dangerous because Trask has returned on a mission to clear his name and win Lillie back Tired of running Trask knows he must uncover the truth of the past before he can hope for a future with the woman he s never forgotten But if Lillie s older brother the sheriff learns that Trask is back in town he ll arrest him for murder Now Trask is looking for a showdown and he won t leave town again without one or without Lillie **Yours to Command** Harold J. Weiss (Jr.),2009 Captain Bill McDonald s 1852 1918 admirers rank him as one of the great captains of Texas Ranger history His detractors see him as an irresponsible lawman who precipitated violence hungered for publicity and related tall tales that cast himself in the hero s role This title seeks to find the true Bill McDonald and sort fact from myth **Cowpoke Justice** William Hopson,2019-11-01 Cowpoke Justice first published in 1941 is a fast paced western set in 19th century Montana William Hopson authored a number of popular cowboy and western themed novels in the 1930s 40s From the dust jacket Dud Hardin was coming home to the Montana range country with thirty thousand dollars and a thousand head of cattle acquired along the Rio Grande And the bitterness of fifteen years rolled away from the salty rannihan as he thought of seeing his father once more But his grimness returned threefold when he discovered that both his father and his father s partner had been murdered and that the human vultures who had done it were preparing to take over his ranch Moreover an outlaw had been hired to impersonate the long lost Dud

and accused the real son of dry gulching his own father *The Advocate* William J. O'Shea,2006-07-13 Only monsters that prey upon children need fear the Advocate But those who harm children should be very afraid because the Advocate is coming for them After each killing the Advocate calls the police and taunts them encouraging all decent people to protect our children Soon copycat crimes start to occur across the country Lt Diego Santucci is assigned to stop the serial killings In the Heartland of America he finds children are in as much danger from pedophiles and others who would harm them as anywhere else in the world and he sets out to do his job while learning lessons that he never wanted to learn Dr Angel Akin is a child psychologist who is at the heart of his investigation and not just because people tell her things Akin does things to Santucci's heart and mind that he never believed possible Does she help him find the killer or hinder him more to find the killer herself The Advocate is designed to raise awareness of the problems that our children face every day and to promote advocacy for those who are in need Proceeds from the sale of this book are donated to children's advocacy programs

Holman,2024-09-05 A sobering exploration of the near unchecked power of sheriffs in the United States Across the United States more than 3 000 sheriffs occupy a unique position in the US political and legal systems Elected by voters usually in low visibility noncompetitive elections sheriffs oversee more than a third of law enforcement employees and control almost all local jails They have the power to both set and administer policies and they can imprison harm and even kill members of their communities Yet they enjoy a degree of autonomy not seen by other political officeholders *The Power of the Badge* offers an unprecedented data rich look into the politics of the office and its effects on local communities Emily M Farris and Mirya R Holman draw on two surveys of sheriffs taken nearly a decade apart as well as election data case studies and

administrative data to show how a volatile combination of authority and autonomy has created an environment where sheriffs rarely change elections seldom create meaningful accountability employees budgets and jails can be used for political gains marginalized populations can be punished and reforms fail Farris and Holman also track the increasingly close linkages between sheriffs and right wing radical groups in an era of high partisanship and intra federal conflict Keeping the Republic Christine Barbour, Gerald C.
