Renewal The Breakthrough Program For The Anti Aging Revolution:

Renewal Timothy J. Smith, 1999-11-15 After investigating anti aging techniques and alternative medicine for 25 years Smith presents a ground breaking program to help people extend their lives by regenerating the cells through balanced nutrition using nutritional herbal and hormonal supplements to fight off diseases and incorporating a fitness plan Major direct mail push *Mysteriously Missing College Courses* John M. Memory Ph.D. J.D., 2018-11-15 The 74 year old author John M Memory realized in recent years that he has much important information that is seldom or never taught in college and university courses After checking course descriptions of a major university in the Southeast he undertook writing this book Though John is not a health expert he has had significant scholarly and professional experiences relating to health that have helped him in writing the 17 chapters about health John learned much from using non medical life style approaches in preventing the fifth through the second most feared diseases diabetes stroke heart disease and Alzheimer s For example he rejected his doctors recommendations of taking a statin drug and instead has performed a heart and brain health routine he developed in 1982 with excellent results Regarding the most feared disease cancer he learned in 2018 that long after failed prostate surgery and radiation treatments three alternative holistic anti cancer approaches have stopped the advance of his aggressive recurrent prostate cancer In other chapters John discusses the dangers posed by rampant ethnocentrism and xenophobia how to teach moral behavior to children the joys of frugal living the importance of moral courage in work and government origins of religion the importance and challenges of high risk activities and decision making and much more Since many people will disagree with him on one or several subjects John hopes that readers will focus on chapters that can be most helpful for the reader Join the author on a thought provoking journey that revolves around *Mysteriously Missing College Courses* *The Publishers Weekly* ,1998 **Subject Guide to Books in Print** ,1971 Revolution!
