G. [With Preface to Vol. 1. by T. Owen and J. Barron.] Thomas GOODWIN (D.D.),1692 The Meaning of Health Gary Allan Ratson, 2003 The Meaning of Health paints a definitive picture of what health really looks like from the outside and inspires you by what it truly feels like from the inside It illustrates how your body mind and soulful awareness award you with a greater appreciation of all physical treatments mental techniques and spiritual practices As a healthy reminder The Meaning of Health brings to light how your level of intention is the key to the enduring success and enjoyment of all wholesome endeavours. Then it directly reveals why your level of attention shapes the quality of your experience in good times and bad To avoid the false promise of a cookbook prescription The Meaning of Health skirts around the how to lecture flashing a provocative why to grin that reflects the wisdom tools within yourself When you know in your heart the meaning of health then you will know what to do and naturally do it with healing in mind The pay off in facing the pain in your life is in the time and money saved on cosmetic cures But don t take it on faith Take a chance on this behind the scenes look at life s divine comedy of double entendres double takes and

catch 22s The Meaning of Health is a must read for anyone concerned with the well being of children students or patients because the purpose and love in your own life are all you really have to inspire and guide anyone else It's never too late to be ahead of your time The Meaning of Health sees far beyond the mechanics of conventional and alternative health care It values your decisions prior to your diagnosis and honours your perceptions long after your prognosis It clearly points out that the purpose of facing unavoidable pain is to prevent needless suffering The Meaning of Health demands a higher context of all scientific psychological and spiritual evidence through deeper insights of body mind and soul Then it excavates the remains of the ancient wisdom and scientific concepts that tend to get lost in the translation Recognizing the inherent purpose in your own life assures you a sense of purpose in all of existence This direct inner knowledge busts through the conflicting and confusing expert advice making all problems and solutions a little more meaningful Feeling the unconditional love within your own nature affirms in you the benevolent support from all of nature This mature inner love gives you a sense of belonging that lessens your longing and looking for love in all the wrong places Taking responsibility for your own well being gives you the courage to trust in your innate biological and spiritual healing This internal strength eases the need for abusing any physical financial or authoritative power Recapturing your inner freedom releases your enslavement to neuroses disabilities and peer pressures giving you hope for the possible and faith in the probable This genuine joy also unlocks your sights from the limitations of others to freely see their solemn promise and sacred sovereignty It s this living experience of purpose love responsibility and freedom at the levels of body mind and soul that serves up an all inclusive helping of health that forever satisfies Of course the meaning of good and evil nature and nurture and science and religion naturally come up when defusing the dispute over mind and matter However it s your evolving awareness that is most important for dealing with pain lessening mistakes and making all internal debate a little less daunting The endless search for the ultimate fix eases up while the ceaseless struggle for absolute answers calms down with the inner certainty that you knew all along The Meaning of Health is written on many levels in a poetic style to induce your imagination wherever you happen to be A deliberate read with breaks for contemplation and discussion helps the digestion of this soul food for though Comprehensive Commentary on the Holy Bible...
