Holman Old Testament Commentary Volume 14 - Ecclesiastes, Song of Songs David Moore, Dr. Daniel L. Akin, 2003-07-01 One in a series of twenty Old Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike **Joshua** Cyril J. Barber, 2006-02-01 Most studies of the Book of Joshua fall into two well defined categories On the one hand we have the writings of those devout students of God s Word who build upon typology and explain the events of the book as symbols of subsequent greater events Their approach is largely allegorical Other scholars lay stress on the exegetical nuances of the text the history and geography

of the times discount the miraculous and provide a naturalistic interpretation of the momentous happenings that took place. They often fail to see the hand of God in the events described by the biblical writer. Dr Barber's treatment is different. He is conservative in his discussion of the text and he paints a real life picture of the events as they transpired. He is also cognizant of the issues and shows God to be utterly faithful to His covenants. He does not gloss over the failures of Joshua and the Israelites but finds in them warnings for believers today. Of particular importance is his discussion of the way to achieve day to day victory in the Christian life. This is a practical devotional book designed for use by lay people. *My Writings:*

Personal Essays Colonel Ben L. Walton, US Army (Retired), 2017-10-13. *My Writings Personal Essays* is a collection of 57 essays from among hundreds of narratives the author wrote over a 30 year period as a freelance scribe. The book fills a knowledge void with vital information that readers from all levels of society can use in their daily life. Most of the commentaries were published in periodicals throughout the U S. The book with a foreword by Dr Lawrence T Coulehan M D has seven parts: Aging, Christianity, History, Relationships, Service, Quality and Participation, and Self Help. Born in a small community in central Texas, Colonel Ben L Walton, U S Army Retired, grew up in Waco, Texas, where he lived in a four room house without electricity or running water. A wood burning stove was used to cook food and for heat. The nearest house to where I lived was four miles away. Besides where I lived was across the street from a graveyard. He was motivated to write the book based on writings in the Bible. *Selected Essays 1917-1932* by T S Eliot and *Things That Matter* Three Decades of Passions, Pastimes and Politics by Charles Krauthammer. For more than 400 years, as documented in *The Art of the Personal Essay Anthology from the Classical Era to the Present* by Phillip Lopate, personal essays have been one of the richest and most vibrant of all literary forms. Based on *History Essays* by Michel de Montaigne, the title of an assemblage of 107 essays the author wrote and published in 1580, astonishingly is rated by experts today as among the greatest nonfiction books of all time. Furthermore, Montaigne is credited with inventing the writing style of an essay, meaning the short subject treatment of a given subject. *My Writings Personal Essays* aims to provide readers with a poignant and useful self reliance publication worthy of their time that is captivating, interesting and stimulating. But most importantly, it is a permanent resource that can be referred to as needed, treasured and passed on to others for generations. **The Hermeneutical Spiral** Grant R.

Osborne, 2010-01-25. In this revised and expanded edition, Grant Osborne provides seminary students and working pastors with the full set of tools they need to travel the hermeneutical spiral, moving from sound exegesis to the development of biblical and systematic theologies and to the preparation of sound biblical sermons. *River of Delights, Volume 1* Rick Howe, 2015-02-27.
