Reopening The Word Reading Mark As Theology In The Context Of Early Judaism:

Reopening the Word Marie Noonan Sabin, 2002-02-28 This book asks How might the earliest gospel have been heard by those first followers of Jesus who were religious Jews Assuming that the earliest Jesus traditions took their shape from forms familiar to Judaism Sabin sets the composition of Mark in the context of the theological discourse of first century Judaism In that context she notes all theology was biblical It took the form of an exchange between current events and Scripture contemporary persons and happenings were understood through the lens of the Hebrew Bible while at the same time the biblical word was reopened that is reinterpreted so as to reveal its relevance to the present faith community Applying this kind of compositional process to the Gospel of Mark Sabin uncovers a fresh reading of the seed fig tree and vineyard parables of the various Temple scenes of the foolish disciples and the wise women and of the controversial ending She highlights the results of her findings by juxtaposing them with interpretations of the same passages given by various church fathers such as Origen Irenaeus and Bede as well as by readings from the twentieth century The results are provocative Sabin sees Mark as an original theologian shaping his material out of two primary Jewish traditions the Wisdom traditions with their emphasis on God's presence in daily life and Creation theology which imagined the End Time not as a catastrophe but as a return to the Garden She thus offers a new way of understanding Mark's use of Scripture his eschatology and his presentation of Jesus In conclusion she argues that retrieving Mark's voice in the context of Early Judaism brings with it insights much needed in our day of God's presence in the ordinary of God's image reflected in female as well as male of watchfulness as the way of wisdom of God's revelation as ongoing

Reopening the Word Marie Noonan Sabin, 2002 In Reopening the Word Marie Sabin argues that Mark's gospel represents an early and evolving Christianity which shaped its theological discourse out of the forms familiar to early Judaism

Reading the Gospel of Mark as a Novel Geert Van Oyen, 2014-11-12 The world is flooded with novels about secret messages or hidden texts They all pretend to reveal the ultimate truth of Jesus In this book Geert Van Oyen goes back to the oldest gospel and explores its story as a challenging and revolutionary message for any reader By employing a narrative critical approach Van Oyen demonstrates how the narrator accompanies readers in their quest for the identity of the protagonist Jesus Along the way readers will discover that faith in Jesus is not a matter of theoretical truth but of practical experience Who can remain indifferent when they hear the paradox at the heart of the gospel Whoever wishes to become great among you must be your servant and

whoever wishes to be first among you must be slave of all *Mark C. Clifton Black, 2011 A gospel written to help us experience what we will never fully understand* Abingdon New Testament Commentaries: Mark Prof. C. Clifton Black, 2011-09-01 Mark's genius lies not in telling a story about Jesus but in creating conditions under which the reader may experience the peculiar quality of God's good news The Evangelist hurries one along breathlessly immediately making sure that the reader lurches with the characters into one pothole after another What is this new teaching that consorts with the flagrantly sinful turning the pious homicidal intimates into strangers and mustard seeds into the greatest of all shrubs Jesus' closest adherents the Twelve are among the most muddled Who can blame them They ask for an obscure parable's interpretation and receive an answer even more confounding They are told to feed thousands with next to nothing Their boat almost capsizes while their teacher sleeps As they oar in rough waters the teacher strides the waves intending to bypass them Putting the reader in the same boat Mark structures conversations with Jesus that make little sense if any The Twelve are craven stupid self-serving and disobedient meet the average Christian Besides their hearts were hardened Who hardens hearts God Should not God's Messiah lift the burdens of those following him What kind of Christ heads to a cross handing his disciples another for themselves Do you not yet understand from the Introduction **Writing on the Gospel of Mark** W.R. The Vehement Jesus David J. Neville, 2017-11-13 The Vehement Jesus composes a fresh examination and interpretation of several perplexing passages in the Gospels that at face value challenge the conviction that the mission and message of Jesus were peaceful Using narrative analysis and various forms of intratextual critique in the service of a hermeneutic of shalom the author makes the case that Gospel portrayals of the vehement Jesus are compatible with perhaps even indispensable to the composite canonical portrait of Jesus as the Messiah of Peace As a result this exploration in New Testament theology and ethics makes an invaluable contribution to the crucial conversation about the role of Jesus life and teaching in Christian reflection on the morality of violence today

Old Testament informs the Gospels *The Turning Point in the Gospel of Mark* Gregg S Morrison, 2015-02-26 Based on linguistic and thematic links in the narrative *The Turning Point in the Gospel of Mark* argues that the twin pericopae of Peter's confession 8 27 38 and the Transfiguration 9 2 13 together function as the turning point of the Gospel and serve in a Janus like manner enabling the reader to see the author's main focus the identity of Jesus and the significance of that reality for his disciples Peter's confession of Jesus as Messiah faces backward toward the Prologue 1 1 13 and functions as a mid course conclusion The declaration by God on the mountain faces forward and foreshadows the end course conclusion 14 61 62 15 39 Son of God Jesus in response teaches that the Son of Man must suffer and die before being raised from the dead 8 31 Christologically the images of Messiah Son of Man and Son of God converge and present Jesus the crucified as king ushering in the kingdom of God in power 9 1 acting as the key swivel between the twin pericopae When one is confronted with this Jesus though there remains something elusive about him and the kingdom of God in the narrative the only wise decision after calculating the costs 8 34 38 is to follow *Mark* M. Trozzo, 2014 *Rupturing Eschatology* is Eric Trozzo's constructive retrieval of Luther's theology of the cross seeking to establish a contemporary Lutheran and emerging account of the cross silence and eschatology The book explores Luther's early theology of the cross and divine hiddenness in concert with the work of the Lutheran mystical tradition and modern Lutheran theology Trozzo argues for an account of divine possibility oriented around a contemporary theology of the cross marked by reclamation of the biblical and mystical practice of silence as the space that creates hope *Let the Reader Understand* Edwin K. Broadhead, 2018-03-22 This book honors the extraordinary contribution of Elizabeth Struthers Malbon to biblical studies In the opening chapter Werner Kelber places Malbon's work within the larger context of critical reflection from antiquity to the modern era on the role and function of discourse Kelber locates Malbon's approach squarely within the framework of modernity and concludes that her supremely creative achievement has been the employment of modern narrative critical tools with a view toward uncovering the fecundity of the gospel of Mark Drawing from and conversing with Professor Malbon's extensive publications each of the five sections engages a theme from her works focusing particularly on the Gospel of Mark This tribute includes meaning as narrative issues in methodology studies in characterization narrative readings of specific texts and aesthetic and political readings Contributors include Werner H Kelber R Alan Culpepper Kelly

Questioning the Historicity of Jesus Raphael Lataster, 2019-07-01 This volume moves beyond the mainstream scholarly scepticism over the Christ of Faith and considers if there is sufficient evidence to establish the existence of the more mundane Historical Jesus Using the logical tools of the analytic philosopher Lataster finds that the relevant sources are unreliable as historical documents and that the key method of those purporting that the Historical Jesus existed is to appeal to sources that do not exist Considering an ancient hypothesis suggesting that Jesus began as a celestial messiah that certain Second Temple Jews already believed in and was later allegorised in the Gospels Lataster discovers that it is more reasonable to at least be agnostic over Jesus historicity *Matthew's Judaization of Mark* Anne M.
