Tessendorf, 2024-11-06 This pilgrimage in a book leads us into the heart of the kingdom of God where we see that the ways of God's kingdom are very different to the ways of our world His ways lead to a different kind of life the way we drive our car the way we shop the way we eat the way we go on vacation the way we do everything leads to the kind of life Jesus called abundant life God's ways lead our souls to safety and peace Jesus comes to repair the ancient ruins and age old foundations spoken of in the book of Isaiah Those who embrace the ways of his kingdom will naturally imitate him and like him become repairers of the breach willing to stand guard on the wall able to defend and ready to repair *The Repairer of the Breach*

Don Smith, 2020-02-09 The Repairer of the Breach is my contribution to raise up the foundations of God for my generation and those to come It is my effort to partner with God's people to repair any breach between them and the Heavenly Father and to restore paths for men and women of various backgrounds cultures and races to walk or dwell in I want to contribute to a better quality of life for all people I want to inspire people to believe in God to their full potential which in turn I believe will lead them to live life to its fullest potential God is only good always The devil is only evil always Few people truly believe the above statement Many people in this walk of life do not believe in God or the devil Then there are those who believe that there is a God and there is a devil but they lack the knowledge and truth regarding the nature of the true God and the nature of the devil the adversary Hence God is often blamed for the evil that occurs in this world God is blamed for death
