Repetition In Latin Poetry Figures Of Allusion

Michael Lapidge

Repetition In Latin Poetry Figures Of Allusion:

Repetition in Latin Poetry Jeffrey Wills, 1996 The first comprehensive treatment of Latin figures of repetition this poetic handbook includes over ten thousand quotations from Ennius to Juvenal with numerous examples from Latin prose and Greek literature for comparison Long relegated to commentary notes the figures of gemination epanalepsis polyptoton anaphora etc are finally treated systematically as distinct stylistic markers Under each topic Professor Wills studies extensively the authorial preferences and traditions of the various genres with figures arising from the positional and framing structures of repetitions collected at the end A section on formal means of allusion and the special attention given throughout the book to the use of figures for intertextual reference also makes the work a major contribution to the Latin poetics of allusion Literary critics textual critics and commentators should all find this volume indispensable in different ways *The Cambridge Companion to Virgil* Charles Martindale, 1997-10-02 Virgil became a school author in his own lifetime and the centre of the Western canon for the next 1800 years exerting a major influence on European literature art and politics This Companion is designed as an indispensable guide for anyone seeking a fuller understanding of an author critical to so many disciplines It consists of essays by seventeen scholars from Britain the USA Ireland and Italy which offer a range of different perspectives both traditional and innovative on Virgil's works and a renewed sense of why Virgil matters today The Companion is divided into four main sections focussing on reception genre context and form This ground breaking book not only provides a wealth of material for an informed reading but also offers sophisticated insights which point to the shape of Virgilian scholarship and criticism to come *Wordplay and Powerplay in Latin Poetry* Phillip Mitsis, Ioannis Ziogas, 2016-07-28 The political allegiances of major Roman poets have been notoriously difficult to pin down in part because they often shift the onus of political interpretation from themselves to their readers By the same token it is often difficult to assess their authorial powerplays in the etymologies puns anagrams telestichs and acronyms that feature prominently in their poetry It is the premise of this volume that the contexts of composition performance and reception play a critical role in constructing poetic voices as either politically favorable or dissenting and however much the individual scholars in this volume disagree among themselves their readings try to do justice collectively to poetry's power to shape political realities The book is aimed not only at scholars of Roman poetry politics and philosophy but also at those working in later literary and political traditions influenced by Rome's greatest poets The Poetics of Late Latin Literature Jaś Elsner, Jesús Hernández Lobato, 2017 For a host of reasons traditionalist scholarship has failed to give a full and positive account of the formal aesthetic and religious transformations of ancient poetics in Late Antiquity This collection of new essays attempts to capture the vibrancy of the living ancient tradition reinventing itself in a new context in the hands of a series of great Latin writers of the fourth and fifth centuries AD *Lustrum Band 63 - 2021* Marcus Deufert, Irmgard Männlein-Robert, 2023-05-15 Der in englischer Sprache verfasste Forschungsbericht zu Ovids Metamorphosen wurde von einem Forscherteam der Universität Huelva unter

Leitung von Antonio Ram rez de Verger und Luis Rivero Garc a erstellt und arbeitet die schier un berschaubare Literatur zu diesem gegenw rtig wohl meistgelesenen und meisterforschten Werk der r mischen Dichtung kritisch auf Im Zentrum des zweiten Teils stehen Arbeiten zu Sprache und Stil der Metamorphosen au erdem Arbeiten zu Quellen und Vorbildern sowie zur Rezeptionsgeschichte *Brill's Companion to Valerius Flaccus* Mark Heerink, Gesine Manuwald, 2015-03-20 Brill's Companion to Valerius Flaccus is the first English language survey on all key aspects of this Flavian poet and his epic *Argonautica* 1st century CE A team of international specialists offers both an account of the state of the art and new insights Topics covered include textual transmission language poetic techniques main themes characters relationship to intertexts and reception This will be a standard point of departure for anyone interested in Valerius Flaccus or Flavian epic more generally Contributors are Antony Augoustakis Michael Barich Neil Bernstein Emma Buckley Cristiano Castelletti James Clauss Robert Cowan Peter Davis Alain Deremetz Attila Ferenczi Marco Fucecchi Randall Ganiban Mark Heerink Alison Keith Helen Lovatt Gesine Manuwald Ruth Parkes Tim Stover Ruth Taylor Briggs and Andrew Zissos *Pestilence and the Body Politic in Latin Literature* Hunter H. Gardner, 2019 Roman writers of the late Roman Republic and early Empire developed important conventions of the western plague narrative as a response to the destabilization of the body politic This volume examines how they used largely fictive representations of epidemic disease to address the collapse of the social order and suggest remedies for its recovery **Greek to Latin** G. O. Hutchinson, 2013-09-26 The relationship between Latin and Greek literature is one of the most fundamental questions for Latin literature and for the reception of Greek literature This innovative volume shows some of the contexts in which the interaction of the literatures should be viewed Professor Hutchinson investigates Roman conceptions of their own literary history and Greek literary history as two chronological sequences artificially separated and takes the reader around the Mediterranean to see the different places where Romans encountered Greek art with words The volume looks at Roman perceptions of the contrasting Greek and Latin languages and compares in detail Latin adaptation of Greek writing with Latin adaptation of Latin It views the different approaches to Greek material ideas and works between three prose super genres and within the poetic super genre of hexameters It is based on an independent collection of evidence and draws extensively on inscriptions archaeology papyri scholia and a wide range of texts Lucilius and Satire in Second-Century BC Rome Brian W. Breed, Elizabeth Keitel, Rex Wallace, 2018-03-01 This volume considers linguistic cultural and literary trends that fed into the creation of Roman satire in second century BC Rome Combining approaches drawn from linguistics Roman history and Latin literature the chapters share a common purpose of attempting to assess how Lucilius satires functioned in the social environment in which they were created and originally read Particular areas of focus include audiences for satire the mixing of varieties of Latin in the satires and relationships with other second century genres including comedy epic and oratory Lucilius satires emerged at a time when Rome's new status as an imperial power and its absorption of influences from the Greek world were shaping Roman identity With this in mind

not intended as an elementary reader though suitable for university courses but as an illustrative history of Latin covering more than a millennium with almost every century represented Conventional histories cite constructions out of context whereas this work gives a sense of the period genre stylistic aims and idiosyncrasies of specific passages Informal texts particularly if they portray talk reflect linguistic variety and change better than texts adhering to classicising norms Some of the texts are recent discoveries or little known Writing tablets are well represented as are literary and technical texts down to the early medieval period when striking changes appear The commentaries identify innovations discontinuities and phenomena of long duration Readers will learn much about the diversity and development of Latin **Classica et**

Mediaevalia vol. 61 , *The Cambridge Companion to Catullus* Ian Du Quesnay,Anthony John Woodman,2021-04-29
Comprehensive coverage accessible to students and non specialists of one of the most popular poets of classical antiquity

Intratextuality and Latin Literature Stephen J. Harrison,Stavros Frangoulidis,Theodore D. Papangelis,2018-10-08
Recent years have witnessed an increased interest in classical studies in the ways meaning is generated through the medium of intertextuality namely how different texts of the same or different authors communicate and interact with each other Attention although on a lesser scale has also been paid to the manner in which meaning is produced through interaction between various parts of the same text or body of texts within the overall production of a single author namely intratextuality Taking off from the seminal volume on Intratextuality Greek and Roman Textual Relations edited by A Sharrock H Morales Oxford 2000 which largely sets the theoretical framework for such internal associations within classical texts this collective volume brings together twenty seven contributions written by an international team of experts exploring the evolution of intratextuality from Late Republic to Late Antiquity across a wide range of authors genres and historical periods Of particular interest are also the combined instances of intra and intertextual poetics as well as the way in which intratextuality in Latin literature draws on reading practices and critical methods already theorized and operative in Greek antiquity

When people should go to the books stores, search start by shop, shelf by shelf, it is in point of fact problematic. This is why we allow the book compilations in this website. It will no question ease you to look guide **Repetition In Latin Poetry Figures Of Allusion** as you such as.

Repetition In Latin Poetry Figures Of Allusion Introduction

In today's digital age, the availability of Repetition In Latin Poetry Figures Of Allusion books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Repetition In Latin Poetry Figures Of Allusion books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Repetition In Latin Poetry Figures Of Allusion books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Repetition In Latin Poetry Figures Of Allusion versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Repetition In Latin Poetry Figures Of Allusion books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Repetition In Latin Poetry Figures Of Allusion books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Repetition In Latin Poetry Figures Of Allusion books and manuals is Open Library. Open Library is an initiative of the

Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Repetition In Latin Poetry Figures Of Allusion books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Repetition In Latin Poetry Figures Of Allusion books and manuals for download and embark on your journey of knowledge?

FAQs About Repetition In Latin Poetry Figures Of Allusion Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Repetition In Latin Poetry Figures Of Allusion is one of the best book in our library for free trial. We provide copy of Repetition In Latin Poetry Figures Of Allusion in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Repetition In Latin Poetry Figures Of Allusion. Where to download Repetition In Latin Poetry Figures Of Allusion online for free? Are you looking for Repetition In Latin Poetry Figures Of Allusion PDF? This is definitely going to save you time and cash in
