Sugar and Slate Charlotte Williams,2023-05-25 It is Williams s Welshness that makes the examination of her mixed race identity distinctive but it is the humour candour and facility of her style that make it exceptional an engaging and perceptive voice describing an engrossing and particular personal story Gary Younge In its exploration of geographical

racial and cultural dislocation Sugar and Slate is in the finest tradition of work to have emerged from the black diaspora in recent times The Guardian Within this review I can only scrape the surface of the many dimensions of Williams memoir so I strongly encourage you to read this precious book for yourself and find those parts of it which speak most to you Sarah Tanburn Nation Cymru Warmly recommended to any curious minds at 20 years old Sugar And Slate still speaks to us in these modern times helping to ensure marginal voices remain heard Buzz A mixed race young woman the daughter of a white Welsh speaking mother and black father from Guyana grows up in a small town on the coast of north Wales From there she travels to Africa the Caribbean and finally back to Wales Sugar and Slate is a story of movement and dislocation in which there is a constant pull of to ing and fro ing going away and coming back with always a sense of being half home This is both a personal memoir and a story that speaks to the wider experience of mixed race Britons It is a story of Welshness and a story of Wales and above all a story for those of us who look over our shoulder across the sea to some other place It would have been so much easier if I had been able to say I come from Africa then maybe added under my breath the long way round Instead the Africa thing hung about me like a Welsh Not a heavy encumbrance on my soul a Not identity an awkward reminder of what I was or what I wasn't Once at a seminar one of those occasions when the word Diaspora crops up too many times and where there aren't too many of us present the only other Diaspora person sought me out His eyes caught mine in recognition of something I can't say I could name yet I must have responded because later as we chatted over fizzy water and conference packs he offered quite uninvited and with all the authority of an African People like you You gotta get digging and if you dig deep enough you're gonna find Africa
