Report From The Aleutians:

Culture and Archaeology of the Ancestral Unangax/Aleut of the Aleutian Islands, Alaska Debra Corbett, Diane Hanson, 2024-01-03 For the past 9 000 years people lived and flourished along the 1 000 mile Aleutian archipelago reaching from the American continent nearly to Asia The Aleutian chain and surrounding waters supported 40 000 or more people before the Russians arrived Despite the antiquity of continuous human occupation the size of the area and the fascinating and complex social organization the region has received scant notice from the public This volume provides a thorough review describing the varied cultures of the ancestral Unangax using archaeological reports articles and unpublished data documented Unangax oral histories and ethnohistories from early European and American visitors assessed through the authors multi decade experience working in the Aleutian Archipelago Unangam Tanangin ilan Unangax Aliguutax Maqax singin ama Kadaangim Tanangin Ana ix taqangis Culture and Archaeology of the Ancestral Unangax Aleut of the Aleutian Islands Alaska begins with a description of the physical and biological world The Physical Environment and The Living Environment of which the Unangax are part followed by a description of the archaeological research in the region The People The rest of the book addresses ancestral Unangax life including settlement on the land and the characteristics of sites based on the activities that took place there People on the Landscape From this broad perspective the view narrows to the people making a living through hunting fishing and collecting food along the shore line making their intricate tools storing and cooking food and sewing and weaving Making a Living household life including house construction households and the work done within the home Life at Home and the personal changes an individual goes through from the time they are born through death including spiritual transitions and ceremonies Transitions and the evidence for these events in the material record This book is written in gratitude to the Unangax and Aleut people for the opportunity to work in Unangam Tanangin or the Aleutian Islands and to learn about your culture We hope you find this book useful The purpose of this book is to introduce the broader public to the cultures of this North Pacific archipelago in a single source while simultaneously providing researchers a comprehensive synthesis of archaeology in the region **Annual Report of the Marine Mammal Commission** United States. Marine Mammal Commission, 1997 The History and Ethnohistory of the Aleutians East Borough Lydia Black, 1999 A compilation of ethnohistories of the Aleutians East Borough and a historical account of their integration into the national market economy *The Illegible Man* Will Kanyusik, 2025-01-07 How does the sudden onset of disability impact the sense of self in a person whose identity was at least in part predicated on the possession of what is culturally understood to be an able body How does this experience make visible the structures enabling society's shared notions of heteronormative masculinity In the United States the Second World War functioned as a key moment in the emergence of modern understandings of disability demonstrating that an increased concern with disability in the postwar period would ultimately lead to greater incoherence in the definitions and cultural meanings of disability in America The

Illegible Man examines depictions of disability in American film and literature in twentieth century postwar contexts beginning with the first World War and continuing through America's war in Vietnam Will Kanyusik searches for the origin of discourse surrounding disability and masculinity after the Second World War examining both literature and film both fiction and documentary their depictions of disability and masculinity and how many of these texts were created by the relationship between the culture industry and the Office of War Information in the 1940s Supported by original archival research The Illegible Man presents a new understanding of disability masculinity and war in American culture *Report of the Federal Security Agency United States. Office of Education, 1875*

REPORT OF THE COMMISSIONER OF EDUCATION THE YEAR 1880., 1882 *Report of the Commissioner of Education Made to the Secretary of the Interior for the Year ... with Accompanying Papers* United States. Bureau of Education, 1875 **Report of the Commissioner of Education [with Accompanying Papers]**. United States. Bureau of Education, 1874 **Report on the War** Richard Brevard Russell, 1943

Amchitka and the Bomb Dean W. Kohlhoff, 2011-07-01 More than a quarter century has now passed since the United States set off the last of three underground atomic blasts in the remote wilderness of the Aleutian islands off the coast of Alaska Cannikin as this third test was called exploded as planned on November 6 1971 on Amchitka Island The first test Project Long Shot 1965 was designed to determine whether the blast's shock waves could be distinguished from earthquakes Milrow the second 1969 and Cannikin were part of the U S anti ballistic missile development program Amchitka and the Bomb looks at how these nuclear explosions were planned and conducted by the U S Department of Defense and the Atomic Energy Commission in spite of vehement protests by political and civilian groups In addition to demonstrating the feasibility of a new generation of weapons the government defended the nuclear tests on Amchitka as providing U S presidents and especially Richard Nixon with negotiating power to force the Soviet Union to accept a satisfactory arms limitation agreement Dean Kohlhoff traces the enormous environmental impact of the blasts on the Aleutian wildlife refuge system He also examines the social and political fallout from the tests on Aleut civilian populations As the tests inexorably went forward an emerging environmental movement was galvanized to action Passionate but ultimately futile attempts to stop the blasts were made by such nascent groups as Greenpeace Friends of the Earth and the Wilderness Society Although Alaskan Aleuts sued to halt Cannikin and environmental groups joined them for an injunction against the test a split U S Supreme Court eventually approved the 5 1 megaton explosion Amchitka and the Bomb tells a harrowing story of the struggle of private citizens and small environmental groups to counter the weight of the federal government It adds immeasurably to our understanding of the nuclear history of the United States Its concise interweaving of the military scientific economic and social implications surrounding the nuclear explosions on Amchitka Island exposes the unpleasant consequences of allowing treasured national values to become victim to political necessity Kohlhoff has contributed a vital chapter to Alaska's history and to the history of the American environmental movement *REPORT OF THE SECRETARY OF THE INTERIOR*, 1875

Report of the Proceedings of the Tribunal of Arbitration convened at Paris 1893, 1893 *Annual Report of the Department of the Interior* United States. Department of the Interior, 1873 Transactions - American Geophysical Union American Geophysical Union, 1926 **Transactions of the American Geophysical Union** American Geophysical Union, 1925 **Bulletin of the National Research Council** National Research Council (U.S.), 1926 **InSAR Imaging of Aleutian Volcanoes** Zhong Lu, Daniel Dzurisin, 2014-03-31 Interferometric synthetic aperture radar InSAR is a relatively new remote sensing tool that is capable of measuring ground surface deformation with centimeter to subcentimeter precision at a spatial resolution of tens of meters over an area of hundreds to thousands of square kilometers With its global coverage and all weather imaging capability InSAR has become an increasingly important technique for studying volcanoes in remote regions such as the Aleutian Islands The spatial distribution of surface deformation data derived from InSAR images enables the construction of detailed mechanical models to enhance the study of magmatic processes InSAR Imaging of Aleutian Volcanoes Provides a theoretical framework for InSAR observations and capabilities Discusses state of the art InSAR analysis techniques Describes the structure eruptive history and magma composition of volcanoes along the entire Aleutian arc Presents conceptual models for the magma plumbing systems of Aleutian volcanoes based on InSAR results combined with geophysical geological and geochemical observations Synthesizes observations of deformation along the Aleutian arc and compares those results to other active arcs around the world Is illustrated throughout with high resolution color satellite radar images **Congressional Record** United States. Congress, 1971 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Report** United States. Congress Senate, *Annual Reports of the War Department* United States. War Department, 1868
