**Abstract:** This paper aims to study Samuel Johnson's *Rasselas, Prince of Abyssinia* (1759) and how Johnson portrays the Orient. By employing the narrator and other characters like Imbec, Rasselas, and Pekuah, Johnson presents a negative image of the Arabs and the Muslims, emphasizing that they are inferior, whereas the Westerners are superior. Johnson builds his attitude upon the concepts, stereotypes and vocabulary established by the English writers in the Christian tradition. According to Johnson, the Arabs are "sons of Ishmael": they are infidels, monstrous, and treacherous, waging war against the civilized nations. Moreover, the social system is patriarchal in the Muslim and Arab life and their system of governments is unstable, despotically and cruel. In fact, Johnson has never been to any Arab or Muslim country. All he knows is merely based upon his very limited knowledge about the Arabs as a second hand from Western translations.

**Key Words:** Johnson, *Rasselas*, Orient, Arabs, Muslims, English Novel.

### 1. Introduction

English writers focus on the culture of the Orient and reveal their attitudes in their works from the Middle Ages through the eighteenth century culminating in the twenty-first century. The Arabs and the Muslims, say Shaful and Krennigeveld (2002), are presented in a negative image created by the Western media (188). The Arabs and the Muslims are aware of the anti-Arab and anti-Muslim propaganda in the Western writings and media. Shaful (1997) calls this "anti-Muslim": the hostility of the West toward Muslims presenting Islam as a religion that "uncompromising racism, xenophobia and stereotypical elements" (140). In his introduction to *Covering Islam*, Said (1982) states that the "scene of national wars are suspended when discussions of Islam are carried on" (xix).

### 2. Orientalists and the Orient

Said (1978) explains in *Orientalism* that the Orient described by European Orientalists is nothing but an invention of their own. The Orient has always been a place of romance inhabited by exotic beings and full of remarkable experiences and haunting memories. It is one of Europe's "deepest and most recurring images of the other." In addition, the Orient has helped to define Europe or the West as its contrasting image, idea, personality's experience" (1).

In his analysis of the attitudes of a series of writers such as Ernest Renan, Benjamin Disraeli, Louis Montegnom, H. A. R. Gibb and Bernard Lewis, Said emphasizes that these writers' reporting about the Orient is racist, ethnocentric and inaccurate. Moreover, Said (1994) states that such works as Rudyard Kipling's *The Arab of the Desert*, David Pryor Jones's *The Closed Circle*, Bernard Lewis's *The Political Language of Islam*, Patricia Crone and Michael Cook's *Discoveries* "can be described as being free from hostility to the Arab's collective aspiration to break out of the historical determinism developed in colonial perspective" (200). Said also describes how the American media represents Arabs and Muslims: They "only understand force; brutality and violence are part of the Arab civilization; Islam is intolerant, segregationist, 'medieval' fanatic, cruel, anti-woman religion" (201).

Shaful and Krennigeveld (1994) support this negative portrayal of the Arabs and Muslims as being religiously motivated by the Christian theologians in the Near East and Islamic Spain. These religious theologians concern is to raise a barrier against any attraction of Islam for their ruling elite. Besides, they attempt to deliver convincing evidence of the superiority of Christianity to Islam (18).

Hopfler and Long (1997) remark that the West presents Islam with a negative image:

Why [the West] invent an Islam that suits us, that best fulfills our politico-psychological

### **Reporting The Orient Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Reporting The Orient has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reporting The Orient has opened up a world of possibilities. Downloading Reporting The Orient provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reporting The Orient has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reporting The Orient. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reporting The Orient. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reporting The Orient, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reporting The Orient has transformed the way we access information. With the

convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Reporting The Orient Books

1. Where can I buy Reporting The Orient books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
